FORD CREDIT

In any given situation, at any given moment, there's always one person everyone can count on. Someone with skill, strength and experience. And usually that someone shows up each and every morning driving a truck that's Built Ford Tough.

For over 40 years, the Ford E-Series has been a benchmark for toughness, and the best-selling full-sized van in the U.S since 1979. They are the essential tools America turns to job after job. Built Ford Tough is not just a saying. It is the only way we build each and every one. Year after rugged year.

F-350 chassis shown above

TRACTIVE FORCE. HOW THINGS GET DONE.

The only true measurement of a truck's ability to pull or carry huge amounts of cargo is its powertrain's ability to turn raw horsepower into applied force at the tires. We call it **TRACTIVE FORCE**. If all the components of the powertrain are not designed and selected to make the most of the energy generated by its engine...then you're not getting the biggest bang for your buck.

Ford engineers begin by fully understanding the needs of our customers. Quick acceleration? Massive pull? Each powertrain is specifically designed to answer your need. Select Ford engines (a) are then mated to the optimum torque converter (b). This generated torque is then enhanced by the correct gear ratio (c). That energy is delivered to the wheels by a specific differential (d). Even wheel radius and tire size (e) play a big part in delivering the most **TRACTIVE FORCE** possible. It's not just horsepower alone. Or only great torque. It's every component working together. It's **TRACTIVE FORCE**. In the end, it's power you can actually feel.

Every day, Ford trucks make the most of **TRACTIVE FORCE** to enhance its reputation of being America's #1 power tool. It's how you can get things done...whether it's work or play.

Whether it is carrying 15 people, pulling up to 10,000 lbs. of watercraft, or operating as a business on wheels, E-Series offers the right engine and powertrain to get the job done. In fact, E-Series offers five perfectly matched engines, from the 4.2L V6 to the Power Stroke 7.3L Diesel V8.

FORD E-SERIES

When you are this versatile, you need the right power for the right situation. E-Series accommodates with five Ford proven engines including the 5.4L Triton™ V8 with 255 hp and 350 lb.-ft. of torque. Sound impressive? It is.

Optional hitch accommodates a bicycle rack. Novel? Yes. Handy? You bet.

For over 40 years, "getting out there" is what E-Series has been about. Its carrying ability with seating up to 15 and its great towing capability continue to make it one of the most popular ways of enjoying life.

A long line of Ford Tough E-Series Vans have been pulling aquatic RVs for decades. It's kind of a tradition: Throw a challenge at it; E-Series hitches it up and goes. The E-350 Traveler in Light Parchment Gold Metallic, at the upper left, is shown pulling tons of fun.

E-SERIES

E-SERIES

Shown below is "Control Central" of the Entertainment Center: Remote control. Removable VHS player. Headphones. Jacks. And two power points. The works.

One of the two AutoVision® ceiling-mounted color monitors.

The E-Series instrument panel is impressive, clear, fully gauged and, above all, functional.

Ever wonder how "lap of luxury" and "seating for seven" could exist in the same vehicle? This is how. The E-Series Traveler Package. Its seven-passenger seating is the beginning. Trim them in leather. Add a power driver's seat and air conditioning, wrap the steering wheel in leather, and then turn the vehicle into a mobile theater with a premium dual media sound system and the AutoVision® Entertainment System that includes a VHS player and twin 6" color LCD screens. Add to this a cargo organizer, and an overhead console with compass and air temperature display, and storage for a garage door opener and sunglasses.

E-SERIES INTERIOR

Available as part of the Chateau Appearance Package are 7-passenger cloth quad captain's chairs. Mighty nice. But any way you prefer to arrange it, there's a configuration to meet your needs, whether it's 15 people or a couple, plus a very, very large cargo load. Shown above are the 12- and 8-passenger configurations.

INTERIOR

E-SERIES INTERIOR FEATURES

15" full wheelcovers, standard on E-150 XLT and E-150 RV Van.

15" bright cast aluminum wheels, included in Chateau Appearance Package, optional on XLT.

16" full sport wheelcovers add a definitely racy look to E-350 Super Duty's carrying and towing capabilities.

15" bright cast aluminum wheels with mineral grey inserts, standard on E-150 Traveler.

If towing up to 10,000 pounds is a need, opt for an E-350 Super Duty with either the optional 6.8L Triton™ V10 or the 7.3L Power Stroke® Turbo Diesel with 215 hp and an impressive 425 lb.-ft. of torque, shown here.

XL Wagon

XL Wagon features dual front bucket seats, electronic AM/FM stereo/clock, air conditioning, deluxe engine cover console, 12-volt power point, interval wipers, front dome light, Class I trailer tow package, full-length vinyl floor mat.

XLT Wagon

XLT Wagon includes the XL features plus dual front captain's chairs, color-keyed cloth rear seats, electronic AM/FM stereo/cassette/clock, power door locks/windows, color-keyed full-length carpeting, speed control/tilt steering wheel.

Chateau

XLT with E-150/350 Chateau Appearance Package offers everything that XLT offers standard, plus leather-wrapped steering wheel, lower accent two-tone paint, 7-passenger cloth seating (includes quad captain's chairs with manual lumbar driver's seat), privacy glass, overhead console, premium AM/FM stereo/cassette/single CD player.

Traveler

XLT with E-150/350 Traveler Package includes the Chateau Appearance Package plus unique two-tone paint, color-keyed wheels and grille, Class II/III/IV trailer tow package, 7-passenger leather-trimmed seating, leather-wrapped steering wheel, AutoVision® Rear Entertainment System, cargo organizer and remote keyless entry system.

Ford Credit's Red Carpet Lease

Many lease managers have completed many hours of training in a Red Carpet Lease program designed to make us the best in the business. We think you'll find a Red Carpet Lease is the best way to lease.

To get details on various financing options available on your new Ford vehicle, please visit our website at **www.fordcredit.com**. Doing so can give you a head start before talking to your Ford Dealer about financing your new Ford vehicle.

Under the New Vehicle Limited Warranty, you'll receive bumper-to-bumper no-deductible coverage on your new Ford vehicle for 3 years/36,000 miles. You'll also receive unlimited-mileage, no-deductible corrosion perforation coverage for 5 years. Ask your Ford Dealer for a copy of this warranty.

During its 3-year/36,000-mile limited warranty period, every new Ford vehicle includes the assurance and support of a 24-hour emergency Roadside Assistance program. Roadside Assistance includes such services as fuel delivery, tire changes, jump starts, and help when you are locked out of your vehicle. Ask your Ford Dealer for complete details about this program.
