ZX2

Some people are just better at it than others.

HAVING FUN, THAT IS.

It's like that with cars, too.

AND ZX2 IS DEFINITELY IN THAT HAPPY-GO-LUCKY CATEGORY.

People just like being around **ZX2**.

And, of course, ZX2 drivers.

This is ZX2,
and it's all fun and games.

ZX2 Premium shown in Bright Red
with optional equipment.

ZX2

Look, we're not trying to ruin anybody's work ethic.

But there's something to be said for making the most of life —

AND ZX2 WILL ADD PLENTY OF ZIP TO YOUR LEISURE TIME.

It's like catching a monster wave, waking up to 15 inches of fresh powder,

or knocking one out of the park ... **every time you turn over the ignition.**

Somehow the couch isn't very tempting when you've got ZX2 in your driveway. Take one look and you'll swear you'll hear it begging, "C'mon, let's play."

A standard rear spoiler, 15" aluminum wheels ... and, of course, power mirrors to check out the chumps you've left behind.

ZX2 shown in Bright Atlantic Blue.

ZX2

Bring your friends and let the **FUN AND GAMES** begin.

THERE'S LOTS OF ROOM.

And as you can see, **ZX2** is about 180° from ordinary.

PERFORMANCE FEATURES

It's not always fair, but there will always be those who are more athletically inclined. In the world of cars, ZX2 is one of those lucky ones. Racy wheels, a rear spoiler, a 16V Zetec engine — ZX2 has the goods to deliver one heck of a great performance — every time.

ZX2's 15" aluminum wheels are standard. Pretty high standards, we'd say.

Round and round they go, where the available 14" chrome wheels on ZX2 Premium will land, nobody knows. Most likely, somewhere fun.

Shaved heads ... lycra suits ... aerodynamics are important when you want to go fast. Of course, ZX2's headlamps slice through the air and manage to look great doing it.

ZX2's 2.0L DOHC 16V 130-hp Zetec engine. Like the uber-athlete after a big carbo-load. Plenty of verve, always with some to spare.

PERFORMANCE FEATURES

Remote keyless entry with anti-theft is standard on ZX2 Premium. You win. The bad guys lose.

We designed the gauges on ZX2 to be easy to read. But as you watch that needle flash forward, you may wonder if your eyes are playing tricks on you.

You've always had this feeling about driving ZX2. But with its optional moonroof, the sky really is the only limit.

An available 6-disc trunk-mounted CD changer. Standard AM/FM cassette with premium speakers. Now you're ready for a marathon—a musical one, that is.
