On the road *to somewhere special.*

No matter where your aspirations might lead you, Lincoln MKZ's advanced driving systems can get you there. Lincoln MKZ's all-new, all-aluminum V-6 engine utilizes a precisely tuned intake system and four valves per cylinder to maximize power and efficiency. The result is a crisply responsive yet exceedingly smooth 263 horsepower from a mere 3.5-liter engine. This substantial output doesn't come at a high price: Lincoln MKZ delivers an EPA-estimated mpg of 19 city/27 hwy.\* The refined power source is backed by a six-speed automatic transmission that keeps the engine in optimum operating range while providing smooth, nearly seamless shifts. Intelligent All-Wheel Drive\*\* combines with an advanced suspension system to deliver superb handling, while minimizing traction loss on slippery roads. All of which led USA TODAY to call Lincoln MKZ "A sure-footed rival to the Lexus ES 350."

\*EPA-estimated mpg 19 city/27 hwy, MKZ FWD. \*\*Available feature.

The Lincoln MKZ passenger cabin is artful in both form and function. From light-figured maple or ebony wood trim to bright chrome accents and leather seating surfaces, the Lincoln MKZ interior space pleases both sight and touch.

The appeal of *exceptional design*.

A wide range of convenience and entertainment features help the miles pass quickly. Cool-white LED lighting contributes to a pleasant cabin environment, while a host of safety features, including side-curtain airbags and front-seat side airbags,\* deliver peace of mind.

\*Always wear your safety belt and secure children in the rear seat.
