GRAN TORINO ELITE · GRAN TORINO BROUGHAM · GRAN TORINO  
· GRAN TORINO SPORT · TORINO · AND STATION WAGON HIGHLIGHTS

PRESENTING GRAN TORINO Elite  
*A timely new mid-size car in the Thunderbird tradition.*

## The 1974 Ford Torino collection... great value in the mid-size field.

Sleek new Ford Torinos. Nearly as large inside as the big cars. With ample room for six—including vacation luggage. And smaller-car handling ease plus mid-size economies.

Mid-size practicality isn't all. Torinos are designed to give you the look and feel of more costlier cars. A bold new grille, new rear deck styling, new interior fabrics—handsomely tailored—provide the luxury. Suspension refinements, wide stance and long wheelbase give you extraordinary comfort and a quiet, solid ride.

Five different Torinos, shown below, offer 10 models to pick from. Looking clockwise, the **Gran Torino Brougham** features new Opera Windows and distinctive hood ornament in 2-Door Hardtop or 4-Door Pillared Hardtop models. **Gran Torino Sport**, 2-Door Hardtop only, combines luxury with sporty flair. **Gran Torino Squire**, one of

three Torino Wagons, displays smart woodgrain vinyl paneling. **Torino**, 2-Door Hardtop or 4-Door Pillared Hardtop, accents value. **Gran Torino**, 4-Door Pillared Hardtop or 2-Door Hardtop, presents luxury a shade below the top-of-the-line.

Obviously, the closer you look, the better we look in the mid-size field. Details on later pages emphasize even more the great value each Torino offers.

**Our goal: no unhappy owners.** Ford Motor Company and Ford Dealers are dedicated to an ambitious goal—**no unhappy owners.** It means that each Torino is built to high quality standards. You also get the full attention of a dealer organization interested in your satisfaction. We listen to our owners, and we will do everything possible to make sure you get all the good things planned and built into your Ford Torino.

GRAN TORINO SQUIRE STATION  
WAGON in Medium Ivy Yellow (Code 6N).

**Note:** See Notable Standard Features: Gran Torino Elite, page 7; Gran Torino Brougham, page 10; Gran Torino, page 12; Gran Torino Sport, page 15; Torino, page 16. Other items illustrated are optional.

GRAN TORINO SPORT 2-Door  
Hardtop in Bright Red (Code 2B)  
with Black vinyl roof.

**Note:** For your convenience, Torino colors include codes—  
example: Bright Red (Code 2B). Your Ford Dealer will  
be glad to show you color chips and actual swatches  
of vinyl roof and interior trim materials.

and introducing an exciting new addition...the

The beautiful Elite exterior is matched with this beautiful standard interior, featuring elegantly contoured, deep-cushioned bench seats to give you the comfort you want. Westminster Cloth trim, impeccably finished, looks rich, feels rich, wears well. Medium Blue (Code LB) is shown. Black, Medium Green and Tan are also available. Color-keyed seat belts, and thick 13-oz. cut-pile carpeting add a further substantial luxurious touch.

Easy-care, long-wear Ruffino all-vinyl trim is a handsome option. Medium Green (Code LR) shown. Black, Medium Blue, Tan available. Deluxe steering wheel, electric clock and cherry woodtone instrument panel accents are standard.

GRAN TORINO ELITE 2-DOOR HARDTOP in White (Code) chrome latticework, highlights new rear deck styling. The covers are one of four choices available. Wide new wheel

## FORD GRAN TORINO *Elite*. A timely new mid-size car in the Thunderbird tradition.

Now Ford brings you Gran Torino Elite. A totally new 2-Door Hardtop. With Thunderbird-inspired styling, solid engineering and personal luxury . . . plus mid-size economy.

From classic new grille to unique twin Opera Windows, Elite has a youthful elegance all its own. We call it America's youngest luxury car in the mid-size field. And you'll welcome the mid-size price.

Great luxuries come standard. SelectShift Cruise-O-Matic transmission. Power steering. Power front disc brakes. Long

tread-life steel-belted radial ply tires. A V-8 that doesn't require premium gas. Vinyl roof, and more.

Inside . . . deep-cushioned comfort. Richly trimmed with Westminster Cloth and color-keyed throughout. See Medium Blue (Code LB), at left. And Thunderbird-like cherry woodtone accents on the instrument panel. For more luxury, an Interior Decor Group is optional. See pages 7 and 21.

The closer you look at all-new Elite, the better we look. Arrange a test drive soon.

GRAN TORINO ELITE 2-DOOR HARDTOP in Ginger Glow (Code 5J) with Tan Odense grain vinyl roof. Note classic new grille, unique twin Opera Windows, color-keyed protective bodyside moldings and distinctive hood ornament.

**Note:** See Notable Standard Features on page 7.  
Other items shown are optional.

**Note:** See Color Code reference on page 2.

9A), smartly topped with Gold Odense grain vinyl roof. New taillight design, featuring jewel-like Thunderbird-inspired styling from classic new grille to unique twin Opera Windows. Wire wheel lip moldings are standard.

*New*

*Thunderbird-inspired GRAN TORINO Elite*

Sumptuous 100% nylon Knit Cloth on split bench seats. Close your eyes and your senses will say it has the soft, luxurious feel of Cashmere. Color is Tan (Code LU). Medium Blue, Medium Green, Red also available. Thick, rich 25-oz. cut-pile carpeting is also included with the optional Interior Decor Group.

# FORD GRAN TORINO *Elite*

*Thunderbird-inspired elegance...yours with the optional Interior Decor Group.*

Although Elite is a personal luxury car to begin with, the optional Interior Decor Group lets you add even higher caliber elegance. Included are luxuries like individually adjustable split bench seats. Deftly tailored 100% nylon Knit Cloth with the rich feel of Cashmere (beautifully shown in Tan at the left). Or, you can choose elegant super-soft vinyl, shown below in Red. Plush 25-oz. cut-pile carpeting covers the floor and lower door

panels. Bright pedal trim adds a nice touch. Even the instrument panel is special. With complete instrumentation—tach, trip odometer, oil, amp, temperature and fuel gauges, plus an electric clock. And gracious burled walnut woodtone panel accents. (See below.) There's a visor vanity mirror. And an automatic seat back release. All Interior Decor Group items add elegance in the Thunderbird tradition, and are well worth the modest extra cost.

### NOTABLE STANDARD FEATURES—GRAN TORINO ELITE

BROUGHAM 2-DOOR HARDTOP features distinctive new opera windows. Color is rich Saddle Bronze Metallic (Code 5T) with Brown vinyl roof.

# FORD GRAN TORINO

## BROUGHAM

*Unexpected roominess and comfort  
in a mid-size car.*

The Gran Torino Brougham for 1974 provides a number of pleasant surprises. You'll notice ample room for a family of six, as well as significant styling change. The new grille is finished in lustrous chrome and argent. A new hood ornament adds distinction. Wide new bodyside moldings with color-keyed vinyl inserts offer greater protection in close parking.

Also new are the deluxe wheel covers (shown on 4-door) and optional fender skirts. Bright moldings for rocker panel, wheel lips and fenders offer a pleasing accent to the styling theme. At the rear, Brougham provides a full-width red lens treatment, combining a reflective panel below the trunk opening with new, larger, easily seen taillights. White sidewall steel-belted radial ply tires are also a welcome standard feature.

A new and highly visible styling note is the distinctive Opera Window on the 2-Door Hardtop. The Brougham offers a choice of six color-keyed vinyl roofs (White, Blue, Green, Brown, Tan and Gold) for an added custom touch. Color choices enable you to decorate your Brougham in your choice of fourteen long-lasting finishes . . . seven of them new for '74.

But good looks aren't the whole story. Torino's new Front and Rear Impact Resistant Bumper Systems show how styling and safety work hand in hand. The front and rear bumpers are bright plated and tastefully complement the new look of the grille and taillights. And both meet the new stricter Federal safety requirements. They're just one of a long list of safety features covered on page 20.

In reliability, size and comfort . . . both Brougham models were designed to be logical choices for most Americans. The mid-size dimensions and suspension refinements give you nimbleness on the road plus remarkable handling ease and parkability.

Be sure to look closely at interior luxuries, and the standard feature chart on page 10. Attractive options are detailed on pages 18-21.

**Note:** See Notable Standard Features on page 6.  
Other items illustrated are optional.

**Note:** See Color Code reference on page 2.

BROUGHAM 4-DOOR PILLARED HARDTOP. Shown here in Medium Blue Metallic (Code 3D) with Blue vinyl roof and optional fender skirts.

# FORD GRAN TORINO

## BROUGHAM

*Why pay thousands more  
for luxury like this?*

Consider this: the detailing, fit and feel of the Brougham interior is sure to return as much enjoyment and pride of ownership as cars that are far more expensive. As evidence we offer the illustration at right. This is the Brougham's splendid new Westminster Cloth with split bench seats. It's standard. Super-soft vinyl split bench seats are yours to choose, as well. The comfort must be felt to be appreciated. Thick, color-keyed cut-pile carpeting, woodtone steering wheel and instrument panel appliques enhance the feeling of roomy, well-knit luxury. Gauges are canted for easy reading. Back-lit controls are within easy reach. An electric clock, extra cost on most cars, is standard, too.

More to consider: the number of convenience and power options available to suit your personal taste. For example: SelectAire Conditioning with automatic temperature control, SelectShift Cruise-O-Matic transmission offer comfort and performance of the highest order. So do power seats—6-way adjustment for all Torinos—as well as for the driver on the Brougham's split bench seat design. AM/FM stereo radio with tape player, tilt steering wheel, and many more. A complete list of options can be found on pages 18-21.

#### NOTABLE STANDARD FEATURES — GRAN TORINO BROUGHAM

SPLIT BENCH SEAT. A smart, long-  
lasting material. Gold (Code FY).  
Features dual front armrests.

# FORD GRAN TORINO

*Everything makes sense: comfort, great looks, size and value.*

When it comes to visual appeal, solid size and outstanding value, you'll find the Gran Torino taking its share of honors in the mid-size market, too. For, just like its Brougham and Squire "cousins," the Gran Torino returns a large measure of fine car dividends for your new car dollar.

The Gran Torino is many ways new for '74. New front styling. Distinctive new taillights. New bodyside accents. Seven exciting new colors, each keyed to optional vinyl roofs and interior trim. Inside, you'll find entirely new seats with the roominess six people would expect of longer wheelbased cars. New seats are available in luxurious cloth and vinyl as well as optional all-vinyl. Carpeting, rear quarter armrests, deluxe sound package . . . even a luggage compartment mat indicate the thought we've given to value. For power, you enjoy the quiet competence available in the 302 CID 2V V-8, mated to the 3-speed fully synchronized manual shift. Or choose from four optional engines, ranging up to the 460 4V V-8.

The '74 Gran Torinos also afford the luxury of choice. You can make your 2-Door or 4-Door Pillared Hardtop even more appealing with the kind of equipment we've described in our Gran Torino Brougham story. And, of course, the many other individual and group options (be sure to investigate them on pages 18-21), await your selection.

## NOTABLE STANDARD FEATURES — GRAN TORINO

**Functional**—302 CID 2V V-8 with 3-Speed Fully Synchronized Manual Transmission  Manual Front Disc Brakes  Direct/Aire Ventilation  Black Sidewall Tires  Impact Resistant Front and Rear Bumper Systems  Inside Hood Release  Reversible Keys, "Keyless" Locking  Heater/Defroster  Seat Belt Interlock System  All Ford Motor Company Lifeguard Design Safety Features listed on page 22.

**Appearance & Comfort**—New Cloth and Vinyl Seat/Door Trim  Rear Quarter Armrests  Color-Keyed Carpeting  Color-Keyed Steering Wheel and Column  Deluxe Sound Package  Rocker Panel, Wheel Lip, Lower Back Panel Moldings.

GRAN TORINO 4-DOOR PILLARED HARDTOP in Tan Glow (Code 5U) with color-matching vinyl roof.

GRAN TORINO 2-DOOR HARDTOP. Front treatment emphasizes strength of Gran Torino's new looks. Shown in Medium Copper Metallic (Code 5M) with tasteful Black vinyl roof and opera windows.

GRAN TORINO CLOTH & VINYL BENCH SEAT. Of the colors available on this soft and durably upholstered seat, we show Medium Green (Code 3R).

# FORD GRAN TORINO SPORT

*If you're looking for deep-seated excitement, here's a solid solution.*

The new Gran Torino Sport is totally prepared to prove what its looks promise. Smart new styling changes accent the sporting ingredients of the car. Special "sport" crests at front and sides . . . unique fuel door ornament . . . new wide bodyside moldings . . . unique dual fender paint stripes . . . color-keyed dual remote control mirrors . . . HR78 white sidewall steel-belted radial ply tires . . . the "now" look of turbine-type wheel covers . . . completely distinctive trim and more. Its interior proves that a truly roadworthy car can be superbly comfortable, too. You have your choice of two extremely comfortable interiors . . . both standard: the flight bench seat in super-soft vinyl or the bucket seat, shown at left, also in super-soft vinyl. Luxurious cut-pile carpeting and a two-spoke steering wheel (shown is the optional leather wrapped wheel) are color-keyed to the Black, Tan or Blue vinyl-trimmed seats. Complete instrumentation is also standard in the Sport: including tach, trip odometer, oil, amp, temperature and fuel gauges and electric clock. Four efficient, precision engines are optional: the 351 CID 2V or 4V V-8, the 400 CID 2V V-8, or the 460 4V V-8. Other options are described on pages 18-21.

### NOTABLE STANDARD FEATURES — GRAN TORINO SPORT

# FORD TORINO

TORINO

*Our budget mid-size doesn't look or act like one.*

If you equate economy with austerity, the '74 Torino will surprise you. Good looks and sound construction make it a car you'll be proud to drive. It

offers the ride, responsiveness and six-people room you find in all Torinos.

There's a choice of 2-Door Hardtop or 4-Door Pillared Hardtop, on wheelbases of 114" and 118" respectively. A full-width grille, bright hub caps, belt and drip moldings accent clean, crisp Torino styling. Inside, deep-cushioned all-vinyl bench seats are available in three colors, Black, Tan, and Blue . . . each matched to the body paint.

An economical 302 CID V-8 with 3-speed full sync manual transmission performs beautifully on regular gas. So, for big savings in a mid-size beauty, try Torino.

# FORD GRAN TORINO & TORINO WAGONS

*We worked harder to make them  
work harder for you.*

Ford Wagonmasters haven't forgotten that people buy wagons to live a lot easier. That's why Torino offers three fine mid-size examples of the Wagon art . . . each designed with utility, six-passenger comfort (eight-passenger with available third rear facing seat in Gran Torino and Squire Wagons), loadspace and convenience. All mid-size Torino Wagons are on a 118-in. wheelbase, a dimension that permits nearly 85 cubic feet of cargo space (including the ability to carry 4 x 8 wall panels with tailgate down). There's plenty of engine heft, too . . . the 302 CID 2V V-8 being standard. It mates smoothly with SelectShift Cruise-O-Matic transmission, also standard. Just about every option is also available, including the luxury of the Squire Brougham option. For greater detail about Torino Wagons, we've prepared the '74 Ford Station Wagon Yearbook which you'll want to study carefully. Ask for your copy at your Ford Dealer's.

**1974 Torino Wagon Highlights.** Years of wagon design leadership give you the most. Examples: choice of engines up to optional 460 4V V-8; power front disc brakes (standard); four vinyl trims (including the incomparable super-soft vinyl split bench seats on Squire Brougham models), and 3-Way Magic Doorgate, standard. Plus all Ford Motor Company Lifeguard Design Safety Features described on page 22.

GRAN TORINO SQUIRE, with Squire Brougham option includes deluxe wheel covers, hood ornament, front split bench seats trimmed in super-soft vinyl, cut-pile carpeting, electric clock and carpeted load floor. Color shown is Saddle Bronze Metallic (Code 5T).

TORINO WAGON. Low initial cost but no skimping on functional features. Roof rack available. Shown in Dark Olive Gold Metallic (Code 6M).

GRAN TORINO WAGON. Solid. Quiet road manners. 85 cubic feet capacity. Smartly finished in Gold Glow (Code 6F), one of sixteen colors.

Options Shown: Deluxe Bumper Group, White Sidewall Tires, Wheel Covers, Roof Rack, Glamour Paint, Convenience Group.

## Choose from a wide range of Ford "Better Idea" Options.

Whatever your choice of the Torino models shown in this catalog, you're sure to enjoy the satisfaction of owning something of value. On the following pages, you can learn how to make your Torino experience even more satisfying... with Ford's "Better

Idea" optional features, and equipment groups, specifically designed for every need. For convenience, for appearance, for performance. Your dealer, or salesman, will be glad to help you match your Torino exactly to your driving requirements.

### A tougher tire for Torino

The steel-belted radial ply tire has become increasingly popular. Tests show average driver can expect 40,000 miles of tread life in normal driving. Standard on Gran Torino Brougham, Squire and Sport models. It's one of a selection which includes radial ply design, belted bias ply and non-radial black and white sidewall tires.

**Full Wheel Cover.** Bright stainless steel with ribbed center design. Standard on Gran Torino Squire.

**New Deluxe Wheel Cover.** Features slotted design. Standard on Brougham models. (N.A. on Gran Torino Sport.)

**New Luxury Wheel Cover.** Rich, jewel-like web effect creates mood of motion.

**Magnum 500 Wheel/Trim Ring.** Tough, strong, corrosion resistant.

**Exterior Decor Group.** Simply and effectively glamorous at a very small price. Order this group and you get dual fender paint stripes, deluxe wheel covers (shown at left), and vinyl roof matched to your favorite body color.

**Metallic Glow Paint.** Available on all models are four rich colors: Green Glow, Gold Glow, Tan Glow, and Ginger Glow. Deep, lustrous "show car" finish adds extra attractiveness to Torino's clean lines.

**Engine Options.** There's a wide choice available: 351 CID 2V V-8; 351 CID 4V V-8 (available on 2-Door models only); 400 CID 2V V-8; and the magnificent 460 4V V-8 (both with solid state ignition).

**Tinted Glass.** Less eye strain on bright days. Available all windows, it is recommended with air conditioned models.

**Convenience Group.** You'll find it lives up to its name, too. Includes: both left- and right-hand bright remote control mirrors, interval wipers, visor vanity mirror and spare tire extractor (for wagons only). All at minimum cost.

**Deluxe Bumper Group.** Bumper guards with rubber inserts, front and rear, plus full-width rub strips on front and rear bumpers. Front and rear bumper guards also available. Rear bumper guards standard on wagons.

**Accent Group.** Great dress-up. Includes dual accent paint stripe and full wheel lip moldings. On Torino Sedans and Hardtops only.

**Trailer Towing Packages for 1974.** Torino is prepared to meet the needs of rapidly growing numbers of trailer tourists with specifically designed factory-installed towing packages. Trailers with loaded weights up to 3,500 pounds (and tongue load up to 500 lb.) require the Class II package. It includes: heavy-duty/handling suspension, higher ratio axle, extra cooling package, wiring harness and rear window towing plaque. For Class III (up to 6,000 pounds loaded and tongue load up to 700 lb.), you'll need all the above plus: heavy-duty alternator, heavy-duty frame (except wagons), coolant recovery system and external transmission oil cooler. Be sure to talk to your dealer about optional engines, tires and transmissions, and other equipment designed to make your trailer-travel a happier, more memorable experience. See Station Wagon Yearbook for details.

**Sunroof.** The modern "convertible" design. Touch a button and presto! Fresh air and sunshine.

**Vinyl Roof.** Choose from seven colors so you're sure of a nicely matched combination for your body color. Colors are: White, Black, Blue, Green, Brown, and two new colors—Tan and Gold. They're all standard on Gran Torino Brougham.

**Electric Rear Window Defroster.** An investment in frigid climates. Melts ice, snow. No more scraping. Tinted glass included.

**Opera Windows.** Highly styled. Highly visible. Standard on Gran Torino Brougham 2-Door Hardtop. Optional on 2-Door Gran Torino and Sport models. Requires vinyl roof.

**Protection Group.** For the careful owner. Includes: front color-keyed floor mats, door edge guards, spare tire lock, locking gas cap and bright license plate frames.

**Vinyl Insert Bodyside Moldings.** A mighty useful addition if you're a frequent shopper. Avoids paint chipping due to careless door openers in parking lots. Black on all 2- & 4-Door models. Brown on Squire Wagon.

**Fender Skirts.** Accentuate clean, crisp side styling. Available on Gran Torino, Gran Torino Brougham 2-Door and 4-Door Pillared Hardtop, and Gran Torino Sport.

**Electric Power Door Locks.** Provide added security. Master control buttons unlock, or lock, both front and rear doors and the doorgate on wagons. Keep kids in, outsiders out.

**Left-Hand Remote Control Mirror.** Available individually as well as part of Convenience Group. Easily adjustable for all driving members of your family. Right-hand remote mirror is also available.

**Power Front Disc Brakes.** Provide easier stopping power. Standard on wagons, required on models equipped with 351 CID 2V V-8 or larger engines. More than worth the cost.

**Other Options Available.** Deluxe Luggage Rack, Dual Color-Keyed Mirrors, Dual Fender Paint Stripes, Lower Bodyside Paint/Tape Stripes, Optional Axle Ratio, Traction-Lok Differential, Heavy-Duty Battery.

Most Torino options available on Elite. Unique Elite options: Interior Decor Group (see pages 6-7, 20-21) • Manual Passenger Recliner • Lighted Visor Vanity Mirror • Heavy-Duty Electrical System • Handling Suspension (BSW Wide-Oval Radial Tires) • Exterior Colors Dark Red (Code 2M), Silver Metallic (Code 1C) • Wheel Covers shown at right.

## Unique Gran Torino *Elite* Options

**Luxury Wheel Covers.** Thunderbird-inspired, add a nice dress-up touch.

**Wire Wheel Covers.** Classic styling in the Thunderbird tradition.

**Deep Dish Forged Aluminum Wheels.** Exposed bright chrome lips, hub with Red crest insert.

**Unique Wheel Covers.** Offered only with Gran Torino Elite at no extra cost.

(Turn page for more options.)

# Outstanding interior options for those who value greater driving comfort and convenience.

**SelectAire Conditioner.** Welcome relief from heat and humidity. Controls permit easy, accurate setting for your personal comfort.

**Automatic Temperature Control Air Conditioning.** Works in conjunction with SelectAire to heat as well as cool. As easy as a home thermostat for comfortable, uniform temperatures.

**Fingertip Speed Control System.** Permits automatic road speed control between 30 and 80 mph. Convenient steering wheel controls for fingertip operation. Includes rim-blow deluxe 2-spoke steering wheel.

**Tilt Steering Wheel.** Available with Cruise-O-Matic automatic transmission, design permits every driver in family to adjust steering wheel to correct height and angle. Swings up and away for easier entrance and exit to driver's seat. A true comfort feature.

**Other Options Available.** Color-keyed deluxe seat belts (Gran Torino and Torino), automatic seat back release, carpeted wagon cargo area, electric clock, console, power tailgate window, rear facing third seat.

**Leather Wrapped Steering Wheel.** Favored by those who prefer a sporty feel. Particularly valuable in glove-wearing weather.

**SelectShift Cruise-O-Matic Transmission.** Recognized as one of the smoothest and quietest automatics in the business. A wonderful assist in all driving conditions. Automatic or manual downshifts particularly welcome in mountain driving. Standard on wagons; required with 351 2V, 351 4V, 400 2V and 460 4V V-8's.

**Pleated Vinyl Bench Seat** (Gran Torino sedans and hardtops). Soft yet durable. Choose from Black, Tan, Blue, Green, Saddle, or White. Shown here is Light Tan (Code CU).

**Super-Soft Vinyl Trim.** Soft, luxurious, durable in five colors—Black, Tan, Blue, Green and Saddle. Available on Gran Torino Brougham.

**AM, AM/FM Radios.** 1974 selection is highlighted by new **AM/FM stereo radio with tape player.** Like the AM/FM set also offered, this new radio provides ultimate fidelity and clarity thanks to two front door-mounted speakers and dual rear seat speakers. Tape player ideal for those who prefer to select music of their choice. Popular **AM radio** offers great push-button sound.
