

76 Ford Mustang II

Our small, sporty personal car.

Our new 1976 Ford Mustang II.

It's easy to see why Mustang II is a winner. It's sporty. Compact. With rich interiors. Fine road car ride and handling. And MPG* economy. (Note the estimated EPA-ratings below.)

Mustang II MPG choices are: Hardtop, 3-Door 2+2, Ghia. Plus exciting Stallion and Cobra II style versions. There's also the spirited Mach 1. All come with Ford Motor Company Lifeguard Design Safety Features.

Well-built. Mustang II is built durably. Galvanized parts, zinc metal door panels and a 6-step paint process help fight rust. Further quality touches: good body fits and handsomely tailored interiors.

Good mileage. Mustang II MPG's 2.3 liter engine and manual transmission are EPA-rated at 34 mpg highway, 24 mpg city.** Even with automatic transmission, EPA-tests were 31 mpg highway, 22 mpg city.**

Ford means value. Competitive pricing and popularity have helped keep trade-in value high. You also get impressive standards. See the list on the back cover.

Mustang II MPG* 2+2.

Say good-bye to boredom.

Our 3-Door 4-passenger MPG 2+2, with rear liftgate, is sure to open the door to a whole new exciting world. The rear seat folds down for 22.8 cubic feet to carry skis, scuba gear, whatever. Bucket seats come in easy-care vinyl. A 2.3 liter 2V overhead cam engine mates economically with a 4-speed manual. Front disc brakes, rack and pinion steering are standard.

But the real news is this. You have two great new ways to order the 2+2.

First, consider the exciting new Stallion 2+2 below, in Bright Yellow (Code 6E), with dramatic Stallion touches like: Black grille • Black moldings and wiper arms • bright lower bodyside molding • Black-painted lower fenders, lower doors, lower front/rear bumpers, rocker panels • styled steel wheels. Four other color-and-Black combinations are available. See Stallion on page 3. If you prefer bright, shiny chrome

instead—plus a bold, bright grille . . . order the 2+2 as it comes.

Fun-drive MPG 2+2. Learn why the score for '76 is: Mustang II. Boredom O. (Trim rings, dual remote mirrors, bumper guards, and V-8 are optional.)

Standard interior (left) seats four comfortably on low-back bucket seats tailored in Medium Blue (Code AB) vinyl. Bright Red, Tan or Black also available.

Mustang II MPG 3-Door 2+2 (below), in Black (Code 1C), features bright moldings throughout, and a bold, bright grille.

Mustang II MPG 3-Door 2+2 with Stallion Option Group

On Cover: Inset—Ghia interior with Westminster cloth in Creme (Code DV). Black, Bright Red, Blue and Tan also available. Distinctive Mustang II Ghia in new Creme exterior (Code 6P), with half-vinyl roof in Creme. Options shown: console, dual remote mirrors, SelectShift, half-vinyl roof, wide-band WSW tires. Notes: See Notable Standard Features on back cover. Other items shown are optional. Option selection, measurements and color code reference also on back cover.

*MPG Models: Any Mustang II equipped with the 2.3 liter engine and standard 3.18 axle ratio.

**Mileage ratings are EPA estimates. The actual mileage you get may vary depending on how and where you drive, car condition and optional equipment.

Mustang II MPG Hardtops.

Sporty look. Great fun to drive. Modest price.

Mustang II MPG Hardtops, lowest-priced models in the line, traditionally have been America's best-selling sports luxury cars. There are good reasons why they should set the pace again. You can order sporty styling in the bright chrome, bright grille version. Or, you can get your Hardtop decked out in dramatic Stallion Blackout treatment.

Interior beauty says comfort. With deep-cushioned low-back bucket seats nicely tailored in vinyl. Thick cut-pile carpeting. Woodtone appliques. Tachometer, odometer, fuel, ammeter and temperature gauges. True class. Luxurious. And standard.

The sporty floor shift, 4-speed manual transmission puts you smoothly in touch with a thrifty 2.3 liter 2V engine.

For more exciting go, here and on the 2+2's, you can step away from MPG by ordering the 2.8 liter 2V V-6. A spirited 302 CID 2V V-8 is also available with

the responsive SelectShift or 4-speed manual transmission. All engines come with solid state ignition. So tune-ups are simpler, with no point/condenser replacement. Fewer scheduled maintenance stops help you save on service. The sporty, bright-chrome-styled Hardtop is shown below, in Vermilion (Code 2R). But driving, of course, is better than seeing. And your Ford Dealer will be pleased to arrange it. See him soon, and learn how one success leads to another.

Luxury Interior Group (below left) lets you add a lot of rich looks and comfort. You get Black super-soft vinyl (Code BA) shown, or a choice of Westminster cloth and vinyl trim • large armrests • deluxe door and rear seat quarter trim • courtesy lights • color-keyed deluxe belts • plush 18-oz. cut-pile carpeting • super sound package. Bright Red, Medium Blue, Tan, Creme and White super-soft vinyl also available. Westminster cloth also comes beautifully in Medium Blue, Black, Tan or Bright Red. Options shown: console, SelectShift, dual remote mirrors.

Mustang II MPG Stallion Hardtop (below) shows the exciting new look you get with a Polar White exterior (Code 9D) set off with Stallion Group items like: Black grille/bright surround molding, Black moldings/wiper arms, Black-painted lower fenders, lower doors, lower front/rear bumpers, rocker panels and all the other features listed for Stallion 2+2 on page 2. Other Stallion colors available in combination with Blackout areas and items are: Silver Metallic, Vermilion, Bright Yellow (see page 2), and Silver Blue Glow. Trim rings shown are optional.

Mustang II MPG Hardtop

Mustang II Mach 1 plus new MPG Cobra II and Tu-Tone options.

Be the talk of the town—or local rally. Drive up in any of three new dazzlers: Mach 1, MPG Cobra II, or MPG Stallion 2+2 with Tu-Tone.

Mach 1, shown below in Vermilion (2R) gives you Black lower bodysides, lower bumpers, deck lid, bright grille, bright window moldings, color-keyed dual remote mirrors. And sporty styled steel wheels with trim rings plus RWL radials. 2.8 liter 2V V-6 and 4-speed manual with floor shift are also standard. Options: 302 V-8, competition suspension, Rallye Package.

(A) MPG Cobra II. Cobra strikes again! Built for today, it's smaller, more economical than its famous predecessor. But all Cobra underneath. Standards include: racing stripes • front/rear spoilers • non-functional air scoop • Cobra emblem • dual remote mirrors • 2.3 liter 2V engine • 4-speed manual with floor shift • front disc brakes • styled steel wheels/trim rings • RWL radials. Inside: Black, Blue or White vinyl trim, brushed metal accents, Cobra II nameplates. Polar White (9D) shown with Blue stripes. Surprisingly, Cobra II is a very affordable car.

(B) Sterling Plaid Cloth Trim makes the Luxury Interior Group sportier. Bright Red (Code ED) shown. Plaid also comes in Blue, Tan or Creme. SelectShift, AM Radio are optional.

(C) Tu-Tone Option on MPG Stallion 2+2 in Silver Metallic and Black (Code 1G) includes Black hood and roof. Available, also, on 2+2 and Mach 1 models. Tu-Tone comes Black with Vermilion, Polar White, Bright Yellow or Silver Blue Glow. Dual mirrors, pivoting rear quarter windows, bumper guards, RWL radials, forged aluminum wheels are optional.

Mustang II Mach 1

Mustang II MPG* Ghia.

Top of the line in Hardtop luxury.

If you savor luxury with sporty flair in the Mustang II dimension, the MPG Ghia Hardtop measures up well. It comes with elegance you rarely expect in a small car, elegance that can evaporate boredom instantly. Ghia below, in Silver Blue Glow (Code 3M) with silver half-vinyl roof, has optional Ghia Luxury Group. Many of its distinctions are impressive.

Ghia Luxury Group includes: half-vinyl roof • full-length bodyside tape stripes. And on the inside: luxurious Media Velour cloth trim plus center console (see above, at right).

Ghia is luxurious as it comes, of course. Ghia standards include: full or half-vinyl roof • opera windows • dual accent paint stripes • color-keyed vinyl insert bodyside moldings • deluxe wheel covers • BSW steel-belted radial ply tires that help save on gas. Inside, you get: choice of Westminster cloth

and vinyl or all-vinyl trim • deluxe door trim • color-keyed deluxe belts • cut-pile carpeting • super soundproofing. Options shown here: Wide band WSW tires, cast aluminum spoke wheels, Deluxe Bumper Group, color-keyed dual remote control mirrors.

Top-of-the-line Ghia MPG. Drive it soon at your Ford Dealer's.

Ghia Luxury Group Interior (right), ultimate salon elegance available, is impeccably trimmed in Cranberry Media Velour cloth (Code CH). Medium Blue is other Velour choice. Center console, included, offers handy storage. Deluxe door trim has carpeted lower portion. Exterior items detailed at left. Other options: AM/FM Stereo Radio, digital clock, SelectShift, SelectAire, leather-wrapped steering wheel.

Digital Clock (above), an optional, contemporary timepiece, features quartz crystal controlled accuracy.

Mustang II MPG Ghia Hardtop with Ghia Luxury Group

Mustang II Options.

Make Mustang II more personally yours.
