

2016 DODGE GRAND CARAVAN

This is the brand our grandparents drove. It's the brand that started with humble beginnings and now holds a multitude of best-in-class awards. It's the brand that boasts both style and power, and never makes you choose between the two. With more than 100 years under their belt, each of the seven vehicles in the 2016 Dodge lineup pays homage to its iconic bloodline with award-winning

features and superior craftsmanship. The powerful engines and bold exteriors of each vehicle beg to be taken out on the open road. The Dodge name continues to live on with the same determination that the Dodge brothers had when first creating the brand. It's time to put the pedal to the metal and live fast.

*HERE'S TO THE NEXT 100 YEARS OF INNOVATION.*

## 2016 DODGE GRAND CARAVAN

MORE THAN THREE DECADES AGO, DODGE HAD THE VISION TO SEE SOMETHING THAT THE WORLD DIDN'T KNOW WAS MISSING. NO ONE ASKED DODGE TO BUILD THE MINIVAN. DRIVERS DIDN'T EVEN KNOW THEY NEEDED ONE. BUT ONCE BUILT, FAMILIES FLOCKED. WEEKEND WARRIORS ARRIVED. SMALL BUSINESS OWNERS LINED UP. TODAY, GRAND CARAVAN POWERS FORWARD BY OFFERING DRIVERS UNLIMITED VERSATILITY, THE LATEST TECHNOLOGY AND PREMIUM FEATURES. IT HOLDS TITLES INCLUDING BEST-SELLING<sup>[8]</sup>\* MINIVAN AND MOST-AWARDED<sup>[9]</sup> MINIVAN EVER. IT ALSO OFFERS MORE THAN 55 STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES. BUT MOST IMPORTANTLY, IT HOLDS THE CONFIDENCE OF FAMILIES, THEIR HOBBIES AND THEIR LIVELIHOODS. IN OUR OPINION, NOTHING TOPS THIS ORIGINAL.

\*A note about this brochure: all disclaimers and disclosures can be found on the back cover.

DO MORE  
*EVERY DAY*

Regardless of where your travels take you, Grand Caravan gets you there with ease. Available dual power sliding side doors and an available power liftgate let you load your most precious cargo easily. Once inside, even a commute that used to feel more like a Himalayan trek becomes enjoyable thanks to plush surroundings and a bevy of standard and available entertainment features.

//// Grand Caravan SXT Blacktop shown in Billet Silver Metallic.

**GRAND CARAVAN:**  
 BECAUSE MOST-VERSATILE-MINIVAN-ON-THE-PLANET WAS TOO LONG.

# CLASS-EXCLUSIVE<sup>[10]</sup>

## STOW 'N GO®: GRAND CARAVAN

No one doubted there would be plenty of flexible seating and storage options behind Grand Caravan's available dual power sliding doors. But the comfort, luxury and superior craftsmanship are a guaranteed double take.

- 1 // Available power liftgate
- 2 // Available second-row Captain's Chairs
- 3 // Observation mirror
- 4 // Available class-exclusive<sup>[10]</sup> Super Console
- 5 // Grand Caravan SXT shown in Sandstorm cloth interior
- 6 // Available USB port in glove box
- 7 // Third-row Stow 'n Go in-floor storage
- 8 // Second-row Super Stow 'n Go in-floor storage

Properly secure all cargo.

Properly secure all cargo.

## 81 DIFFERENT SEATING CONFIGURATIONS

//// This is the most versatile vehicle in its class!<sup>[10]</sup> Flip, fold and tumble your way to the perfect interior without physically removing any seats. They're simply stowed in-floor. Go configure!

# 81

Where you go, what you do and who's with you today won't be the same tomorrow. That's why this interior has been designed to move, fold, tumble and stow. **Grand Caravan is the only vehicle in its class<sup>[10]</sup> to offer second-row Super Stow 'n Go® seats that fold into the floor to give you flexibility, easy access and a flat load floor for optimum cargo capacity.** In fact, there are 81 different seating configurations available on Grand Caravan.

Want to know what else we have that the competition doesn't? A best-in-class<sup>[10]</sup> storage system that includes second-row in-floor storage bins. When Super Stow 'n Go seats are upright, travel essentials can be tucked away for uncluttered access to the third-row seats — making life easier, especially for those helping little ones into child restraint seats. The 60/40 split-folding Stow 'n Go third-row seats also fold into the floor bin with a few easy pulls on the conveniently numbered straps. When in Park, the seat can flip completely rearward for tailgate seating. It's no wonder Grand Caravan is the best-selling<sup>[8]</sup> and most-awarded<sup>[9]</sup> minivan ever.

**STOW 'N GO®**

*FOR DADS WHO CAN HANDLE  
COFFEE WITHOUT THE SLEEVE*

//// Grand Caravan SXT Plus shown with optional equipment.

## GOT IT HANDLED

The back is where all the fun is for the littlest passengers, but the front is for adults only. There are soft-touch surfaces and must-have features at every turn, including different levels of available Uconnect® touchscreen systems. Uconnect features easy-to-navigate icons for radio and SiriusXM® Satellite Radio<sup>[5]\*</sup> controls, personal devices like an iPod® or smartphone, climate controls and available navigation. Visit [driveuconnect.com](http://driveuconnect.com) for a list of available options.

The instrument panel houses gauges surrounded by upscale touches of chrome. Opt for the available full-circumference heated steering wheel for comfort in chilly climates. An available fully integrated Super Console contains four cup holders, two power outlets and covered storage to conceal your technology. This is the kind of smart, well-designed interior that outshines the competition.

\*First year of service is included.

## *EPICALLY AWESOME*

# MULTIMEDIA-VAN

Grand Caravan is the multiplex of minivans. It has all the technology that kids crave and adults aren't overwhelmed by. Opt for the available Blu-ray™ player and watch the latest movies in high quality. The system plays both Blu-ray and DVD formats and can be viewed on both second- and third-row VGA screens.

With two available DVD players, HDMI inputs, and second- and third-row screens, passengers have the ultimate choice in how they pass the time. They can watch the same movie on both screens, a separate movie on each screen or even opt to connect their gaming system.

Rear-seat passengers can tap into the entertainment system via conveniently located ports, or charge their personal electronics.

////// Grand Caravan R/T shown with Torino leather-trimmed seats in Black with Red accent stitching.

//// Grand Caravan SXT Blacktop shown in Granite Crystal Metallic.  
Properly secure all cargo.

## A BIG DOSE OF **BOLD ATTITUDE**

**AWARD-WINNING 3.6-LITER DOHC PENTASTAR® VARIABLE VALVE TIMING (VVT) V6.** Grand Caravan's confident swagger isn't just rooted in its safety and security. It's in its ability to tow up to a best-in-class<sup>[10]</sup> 3,600 lb. It's also found in the acceleration of the 283-horsepower 3.6-liter V6 engine. Advanced engine technology allows for a generous 25 mpg highway\*, which translates to an estimated 500 highway miles on a single tank of gas.

Grand Caravan's 3.6-liter V6 is also Flex Fuel-capable, offering consumers the choice of using either gasoline or ethanol (E85) fuel. The suspension tuning, an efficient and easy-to-operate gated shifter, and a fuel-economizer feature that alters shift patterns work together to boost overall ride quality and help improve real-world fuel efficiency. For a tighter-tuned ride, choose Grand Caravan R/T. The R/T's standard performance suspension offers increased damper force and higher spring rates for an exceptionally smooth ride and optimal cornering.

\*EPA estimated 17 mpg city/25 mpg highway. Actual mileage may vary.

**283 HP // TRAVEL 500 HIGHWAY MILES PER TANK**

## SAFETY & SECURITY FEATURES

PARKSENSE® REAR PARK ASSIST<sup>(11)</sup> //// This system detects objects within 6.5 feet of the backup pathway and provides both an audible chime and visual warning. Available.

---

BLIND SPOT MONITORING (BSM)<sup>(12)</sup> WITH REAR CROSS-PATH DETECTION<sup>(11)</sup> //// Radar continually monitors rear vehicle blind zones and will visually and audibly alert the driver when a vehicle is sensed in the zones. When in Reverse, rear sensors warn through a chime if cross-traffic approaches the vehicle. Available.

---

PARK VIEW® REAR BACK-UP CAMERA<sup>(11)</sup> //// This system displays an accurate visual reference of what is behind the vehicle when it's in Reverse. Available.

---

ELECTRONIC STABILITY CONTROL (ESC)<sup>(7)</sup> //// This system is designed to assist drivers in maintaining control of their vehicle during extreme steering maneuvers. ESC<sup>(7)</sup> senses when a vehicle is starting to spin (oversteer) or plow (understeer), and attempts to correct the vehicle's course by automatically controlling the throttle and applying the brakes at individual wheels. Standard.

---

ANTILOCK BRAKE SYSTEM (ABS) //// Standard four-wheel antilock disc brakes sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions. Standard.

---

# IT'S ALL ABOUT YOU CONNECTING

**HERE'S WHAT YOU CAN DO.** REMAIN FOCUSED ON THE ROAD WITH YOUR HANDS ON THE WHEEL, WHILE YOU COMMUNICATE, NAVIGATE AND STAY ENTERTAINED.

- LISTEN TO MUSIC, TALK SHOWS AND SPORTS. ACCESS ALL GENRES, FAVORITE ARTISTS, WINNING TEAMS – ALL THE TIME WITH SIRIUSXM® SATELLITE RADIO<sup>[15]</sup>

DODGE IS A REGISTERED TRADEMARK OF FCA US LLC.

[1] Data is calculated using the latest available year-over-year (YOY) retail vehicle registrations. [2] Based on the latest competitive information and *Ward's* Standard Specialty segment based on *Car & Driver* ¼-mile time. [3] Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. [4] Uconnect Access is available only on equipped vehicles purchased within the 50 United States. Services can only be used where cellular coverage is available, see coverage map for details. For a complete list of Uconnect Access services, please visit [http://www.driveuconnect.com/features/uconnect\\_access/packages/](http://www.driveuconnect.com/features/uconnect_access/packages/). Vehicle must be registered for Uconnect Access and fulfill minimum subscription requirement. [5] The 9-1-1 Call button will connect you directly with Emergency Assistance. If you accidentally press the button, you have 10 seconds to cancel the call by either pressing the 9-1-1 button on the rearview mirror or the Cancel button on the Uconnect touchscreen. [6] Provides direct-dial access to Roadside Assistance Service. Vehicle must be within the United States, have network coverage and be registered with Uconnect Access with an active subscription that includes the applicable feature. Additional roadside assistance charges may apply. Check warranty for details. [7] If you have this feature and have reported your vehicle as stolen to an appropriate law enforcement agency, Uconnect will try to locate your vehicle after receiving proper documents and once law enforcement contacts Uconnect Customer Care. Uconnect may refuse to locate your vehicle if you do not provide the requested information or documents. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. [8] Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must also be properly equipped and in an active and usable cellular range. Theft Alarm Notification is only available on factory-installed alarms. [9] Based on the latest available competitive information and *Ward's* Middle Specialty Vehicle segment. [10] No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. [11] Excludes non-mass-production vehicles based on horsepower, top speed and NHRA-certified ¼-mile testing. [12] Based on the latest available competitive information and 2015 *Ward's* Large Regular Car Vehicle segment. Excludes other FCA US LLC vehicles. [13] Based on the latest available competitive information and 2015 *Ward's* Small Upper Sedan Vehicle segmentation costing under \$25,000. [14] Always check visually for vehicles prior to changing lanes. [15] SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and get more information at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. [16] WiFi subscription required. Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for WiFi usage. WiFi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of WiFi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using WiFi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. [17] Based on the latest competitive information available. [18] Always look before proceeding, electronic drive aid is not a substitute for conscientious driving; always be aware of your surroundings. [19] LDW is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. [20] ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [21] FCW system is solely an alert system for the front of the vehicle which does not take any actions to change the vehicle dynamics to avoid a collision and is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [22] Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Visit UconnectPhone.com for system and device compatibility. [23] Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. [24] The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. [25] Transferable. See dealer for complete details and a copy of the 5-Year/60,000-Mile Powertrain Limited Warranty.
