 Today's new Style Classic . . . the Beautiful Chrysler for 1950 . . . is perfectly designed for those discriminating car buyers who prefer the distinction and striking effect of two-tone color combinations on the exterior of their car.

Chrysler has now made available, at slight extra cost, five charming, exquisite two-tone paint combinations on the Club Coupes and Six Passenger Sedans of the Royal, Windsor, Saratoga, and New Yorker Models. These beautiful combinations are illustrated on the following pages, and may be had on special order.
