THE DODGE REBELLION. Its sound is habits breaking; men demanding man-sized compacts, more new in their new cars.

DART HAS JUST ONE FEATURE THAT YAWNS. The trunk. We don't believe that a compact should limit your capacity for enjoyment. Dart's big tote-all trunk is your wide-open invitation to load up and go traveling. Why not accept?

4-ON-THE-FLOOR OR FIGHT. Going to rebel? Go all the way. Get Dart's hot 273 4-bbl. V8, 4-speed gearbox, Rallye Pack, the works!

DOWN WITH CREEPY COMPACTS. Dart shoots you ahead of other compacts with a pair of husky Sixes and two V8s (hot, and hotter).

FIRE UP THAT SNARL UNDER THE HOOD. Head out from the herd. If it weren't for the nimble handling, the way it nurses a gallon of gas, and the money you saved when you bought it, it'd be hard to find a resemblance to other compacts at all. So turn loose the rebel in you. If Dart's got what you want, the Dodge Rebellion wants you!

DO COMPACTS CRAMP YOUR STYLE? Not Dart '66. Take this elegant Dart GT interior; new aircraft-type bucket seats cradle you in foam-padded comfort. Rich carpeting stretches wall-to-wall. Best of all, Dart GT's luxury doesn't stretch your budget.

STAMP OUT CRAMPED COMPACTS. Stretch out in Dart '66. Think big. Get fired up with the new '66 Dodge Dart. If you're fed up with compacts that don't make it in size, styling and spunk, you've got it made with Dart. The Dodge-sized compact. Check the price. Take it on the road. You'll join the Dodge Rebellion!

LOOK AT IT FROM THIS ANGLE. Arms too close to the door, legs too close to the floor? In Dart '66, never! We think you think big. So we build Dart with more room at the top . . . on the sides . . . all 'round. Slip into something comfortable—Dart '66. You'll find you can demand size and still economize.

DART: SURE CURE FOR CLOGGED CORPUSCLES. Dart, be nimble. Dart, be quick. Dart with TorqueFlite or 4-speed stick. Don't drive a slow one, pick the go one. Dart. Two quick Sixes, two great Eights. Your choice. Match Dart's kind of action at Dart's price! Try. We dare you.

OTHER COMPACTS HOPE TO LOOK THIS GOOD WHEN THEY GROW UP. But why wait? Enjoy Dart '66 right now. Dart puts down the old idea that compacts need to be small and stubby . . . stodgy and staid. And Dart does it so beautifully. Don't sell yourself short. Demand all the size and style Dart gives you—at a compact price.

STAND UP FOR YOUR RIGHTS. Fed up with compacts that skimp on things that are standard on Dart '66? Like backup lights, a padded dash, and windshield washers, for openers. (The full list is on the back cover.) You don't pay any more; why accept less?

REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage.
