

1982 PLYMOUTH

VOYAGER

AT CHRYSLER, QUALITY IS A SCIENCE.

Plymouth's construction begins with Unibody design. Body and frame are welded together in a single strong unit. In addition to a saving in weight, Unibody eliminates bolt holes and bolts which are prone to rust, corrosion and squeaks if they work loose. And this year Plymouth has added extra value with standard equipment items that were extra-cost last year.

- Power steering
- Cigar lighter
- In-cab hood release
- Dual electric horns
- Day/night rearview mirror
- Bright 5-inch by 7-inch exterior dual rearview mirrors

This handsome grille with integral headlight panels, and front bumper with optional rub strips and bumper guards contribute to Plymouth Voyager's modern look. Also available are dual vertically stacked quad rectangular headlamps and bright grille.

Heavy-Duty Trailer Towing Package (YC3) will top up to 7,000 pounds. Ask your dealer for the 1982 Trailer Towing Catalog with complete details.

Radial tires can add to ride and economy. Glass-belted radials are standard on PB150 and PB250 Plymouth Voyager models, and steel-belted radials are standard on Plymouth PB250 Maxiwagon models.

Big 22-gallon fuel tank is standard; if you want to extend your driving range per tank of fuel, order the optional 36-gallon tank.

Chassis. In normal use, the Voyager chassis requires lubrication just once every two years or 22,500 miles.

Power front disc brakes are designed for smooth stopping and to resist fade. Standard on all models.

Voyager's wide hood opening helps make engine servicing easier.

Energy-absorbing steering column. Lessens the chance of injury to the driver in a collision.

Sharp turning, agile maneuvering result from Voyager's short turning diameter.

Coolant reserve system, standard, designed to minimize coolant loss and provide for easy coolant level checking.

Independent front suspension features tuned front coil springs with large upper and lower control arm rubber bushings.

Standard 3.7-liter (225 CID) Slant Six (PB150 and PB250 — except PB250 Maxiwagon). A proven performer designed for efficiency and durability, with 30-degree tilt cylinder block, tin plated aluminum alloy pistons, cast iron crankshaft, hydraulic valve lifters and more.

Prefer V-8 power? Select the optional 5.2-liter (318 CID) V-8 (standard on PB250 Maxiwagon and all PB350 models) with quality features such as drop-forged steel connecting rods with aluminum bearings, and steel-strut pistons. For even more V-8 power, choose the optional 5.2-liter (318 CID) four-barrel V-8, or the 5.9-liter (360 CID) V-8 available only on PB350 models with the 8,510-Pound GVW Package.

1982 EPA estimates were unavailable at the time this catalog was printed. However, we believe Voyager, as in 1981, will achieve good mileage ratings. Ask your dealer about current information regarding mpg ratings.

The PB250 Maxiwagon and all PB350 models are offered with the three-speed TorqueFlite automatic transmission as standard.

Most of our automatic transmissions are equipped with a lockup clutch in the torque converter that automatically produces a direct mechanical drive through the transmission after the transmission upshifts from second to third gear. Normal slippage in the converter is eliminated, resulting in reduced engine speed and improved fuel economy* at cruising speeds.

5/50 PROTECTION PLANS. Chrysler offers you two choices of 5/50 Protection Plans: the 5/50 Power Train Plan and the 5/50 Custom Plan. These optional service contracts provide you with protection against tomorrow's rising service and parts costs for specified major repairs starting after your vehicle's "basic" limited warranty expires and lasting for five years or 50,000 miles (whichever occurs first) from your vehicle's original in-service date. The plans have a \$25 deductible, and provide an allowance for alternate transportation and towing. Ask your dealer for complete details.

• PREMIER PACKAGE

All PB150, PB250, PB350 models—Includes the items listed above on Sport plus the following:

Exterior: Bright nameplate • Bright upper side and rear moldings • Bright bumper guards with rub strips, front and rear • Body-side and rear woodtone tape applique with dual gold accent stripes

Interior: Vinyl door and side trim panels with wood-tone trim and front door pull straps • Color-keyed carpeted engine housing cover • Oil pressure gauge and trip odometer • Glove box lock and light • Deluxe two-speed windshield wipers with intermittent wipe • Ignition and headlight switch with time delay • Cigar lighter light • Courtesy step well lamp: front and side doors • Driver and front passenger color-keyed highback redining Command bucket seats, and a three-passenger bench seat with matching cloth-and-vinyl trim

EXTERIOR APPEARANCE PACKAGE

• Bright grille • Bright front and rear bumpers • Bright taillamp bezels • Bright windshield molding • Dual vertically stacked quad rectangular headlamps with halogen high beams • Bright side and rear window moldings (except driver and front passenger door windows)

• INSULATION PACKAGE — Heavy-Duty For Sport and Premier Wagons

• Interior lower fiberglass insulation panels (not on standard single rear door or optional sliding side door) • Insulation under floor covering

For Voyager Wagons

Includes the items listed above on Sport and Premier Wagons plus the following:

- Interior lower trim panels in passenger compartment (offered in Blue or Cashmere colors)
- Color-keyed garnish moldings over front door headers and around headliner and rear compartment window • Dash liner insulation
- Sliding side door track cover • White hardboard headliner in passenger compartment

• QUAD COMMAND SEATING PACKAGES

• FIVE OR EIGHT-PASSENGER CONVERT-A-BED SEATING PACKAGES

• EIGHT-PASSENGER TRAVEL SEATING PACKAGE

• EIGHT-PASSENGER SEATING PACKAGE

All PB250, PB350 Wagon and Maxiwagon models

- Includes one additional quick-release three-passenger bench seat with three seat belts • Not available on PB350 Maxiwagon models with 8,510-Pound GVW Package

• TWELVE-PASSENGER SEATING PACKAGE

All PB350 models (Requires window retention and rear door(s) with optional vented glass at extra cost.)

- Includes two additional bench seats: 2nd—three-passenger quick-release bench seat with three seat belts; 3rd—four-passenger bench seat with four seat belts • Spare tire carrier relocated under 3rd bench seat • Not available on PB350 Maxiwagon models with 8,510-Pound GVW Package

• FIFTEEN-PASSENGER SEATING PACKAGE

PB350—127.6-inch wheelbase Maxiwagons only (Requires, at extra cost, 8,510-Pound GVW Package, window retention and rear door(s) with optional vented glass.)

Includes three additional bench seats: 2nd—three-passenger quick-release bench seat with three seat belts; 3rd—three-passenger quick-release bench seat with three seat belts; 4th—four-passenger bench seat with four seat belts • Tire carrier relocated under 4th bench seat

• HEAVY-DUTY TRAILER TOWING PACKAGE

PB250 and PB350 models (Requires, at extra cost, automatic transmission, 318 CID four-barrel or 360 CID four-barrel V-8 engine, transmission auxiliary oil cooler and 36-gallon fuel tank.)

- Maximum cooling • 60-amp alternator • 430-amp (maintenance-free) battery • Seven-wire harness • Class IV tow bar hitch (load equalizing) • Heavy-duty variable load flasher • Heavy-duty front and rear shock absorbers

• CONVENIENCE PACKAGE

- Cigar lighter light • Glove box lock and light • Ignition and headlight switch with time delay (not available with tilt steering column) • Two-speed windshield wipers with intermittent wipe • Courtesy step well lamp for front and side doors (for use with Sport Package only)

SELECTED OPTIONAL EQUIPMENT:

Air Conditioning

• Integral front • Auxiliary—rear, with or without auxiliary heater

Alternators

• 60-amp • 114-amp

Batteries

• 375-amp • 430-amp (maintenance-free) • 500-amp Long-Life (maintenance-free)

Bumpers and Bumper Guards

• Bumpers, guards and rub strips—front and rear: bright • Bumpers—front and rear: bright

• Clock—electronic digital • Cooling—auxiliary, transmission oil-to-air • Cooling—engine: maximum • Defroster—rear window, electric: for single rear door

Doors

• Dual rear—with vented glass • Single rear—with vented glass • Sliding—passenger side

Fuel tank

• 36-gallon

Gauges

• Oil pressure and trip odometer

Glass

• Sun screen—privacy glass • Tinted—all windows

• Grille—bright: includes dual quad rectangular headlamps, vertically stacked, with halogen high beams

Heaters

• Auxiliary—rear • Deluxe—front • Engine block

• Mats—rubber, two color-keyed (accessory type) in driver's compartment

Mirrors

• Exterior dual—low-mount 6-inch by 9-inch: bright

Moldings

• Lower—includes side, rear and bright taillamp bezels • Upper—includes side, rear and bright taillamp bezels • Upper and lower—with bright taillamp bezels

• Monitor—electronic display warning indicator for engine oil level, transmission oil level, radiator coolant level and transmission oil temperature

Power Assists

• Door locks—electric, all doors • Windows—electric: front doors only

Radios

• AM/FM stereo • AM/FM stereo—with cassette tape player, electronic tuning and Dolby® noise reduction system • AM/FM stereo—with Search-Tune and electronic tuning • AM/FM stereo—with eight-track tape player • AM/FM stereo—with 40-channel CB transceiver • Dolby is a trademark of Dolby Laboratories.

• Shock absorbers—heavy-duty, front and rear • Speed control—automatic • Stabilizer bar—front • Steering column—tilt type • Steering wheel—luxury type

Wheel Covers

• Bright deluxe

• Wheels—Four, road type: 15-inch by 7.00-inch • Aluminum—radial ribbed (four) • Chrome disc—five-slot (four)

• Windshield wipers—deluxe two-speed with intermittent wipe

Optional Seating

Five-Passenger Seating Package (std.)

Quad Seating Package (opt.)

Eight-Passenger Seating Package (opt.)

Twelve-Passenger Seating Package (opt.)

Fifteen-Passenger Seating Package (opt.)

About this catalog. We have tried to make it as complete as possible. And we hope you find it useful. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

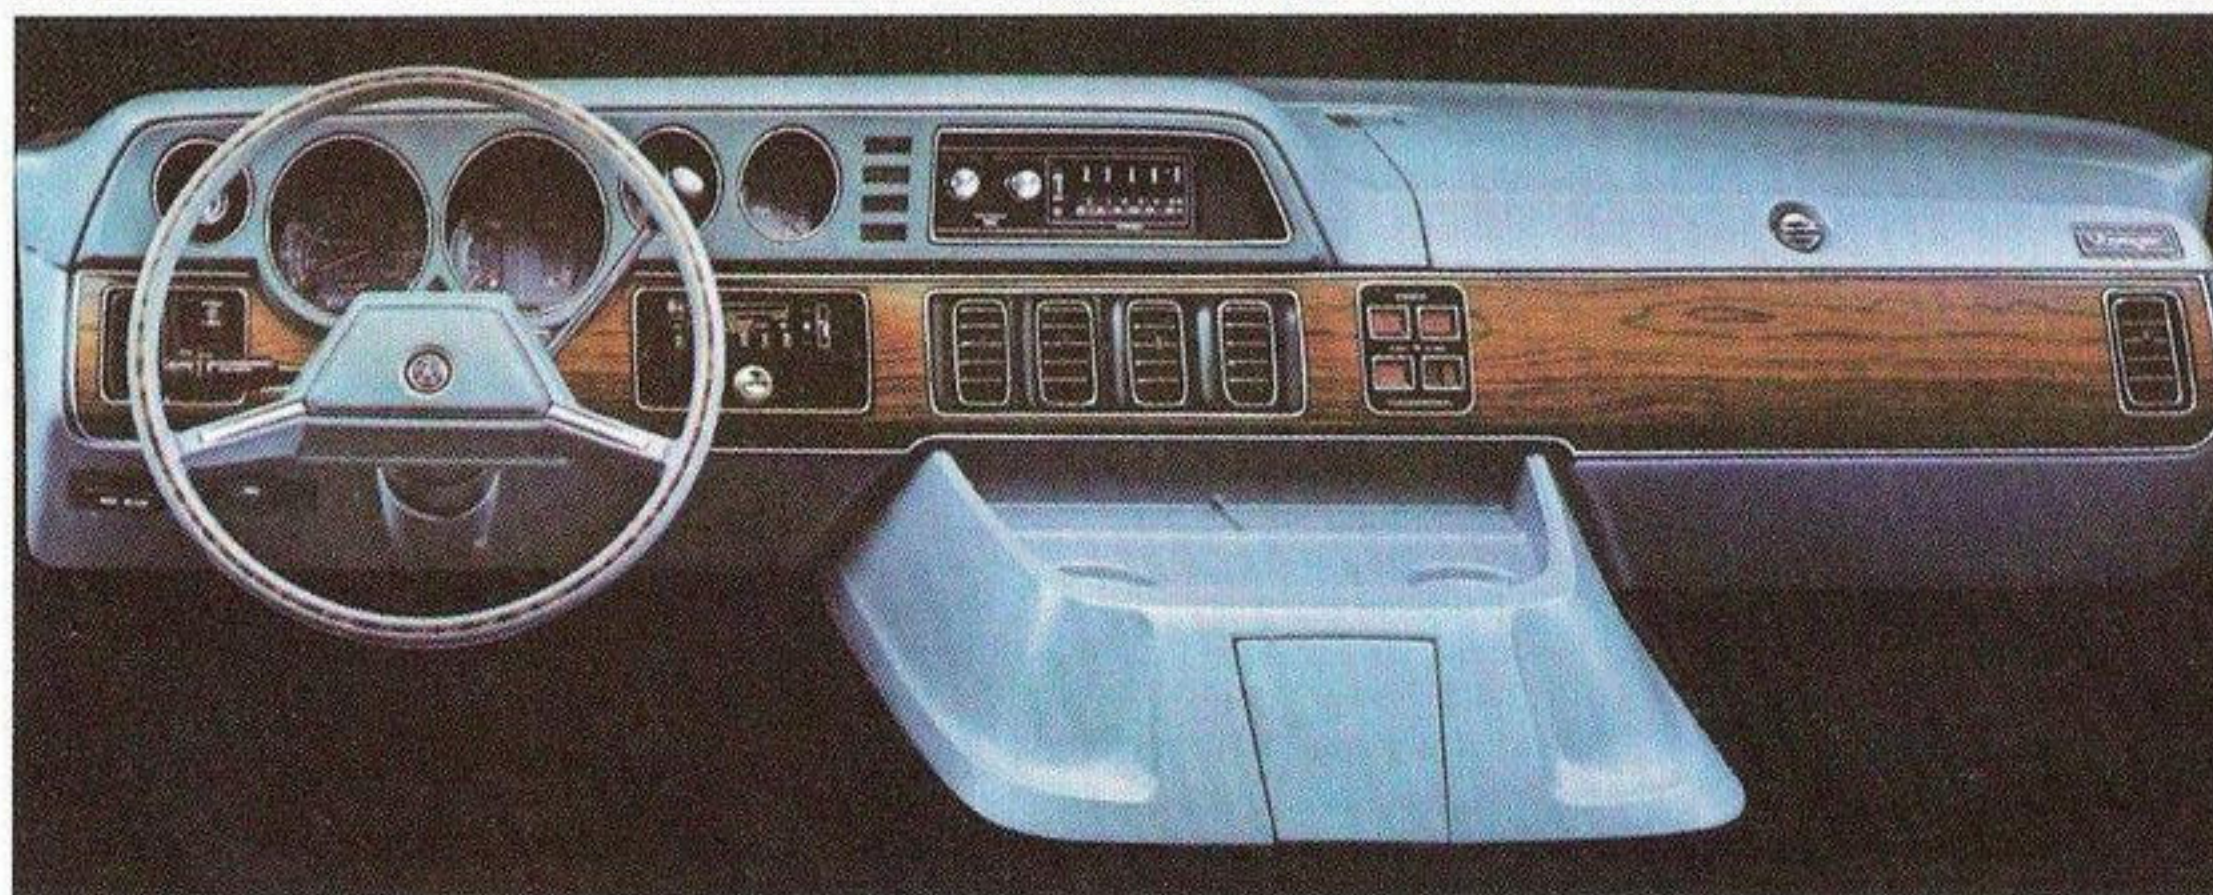

VOYAGER '82. A lot to like.

The most important person in a shuttle craft is the pilot. And so it is with Voyager. We take care of the driver's comfort with comfortable, contoured buckets and an instrument panel that is easy to read and convenient to use. And we haven't forgotten the "crew" either, as you can see by the optional Quad bucket seats shown here. This individual seating option offers personal comfort and control. Each of the four high-back Command bucket seats has a standard swivel base. Available with the Sport and Premier Packages, these cloth-and-vinyl seats come in Blue, Cashmere, Red or Silver.

The smartly styled Plymouth Voyager instrument panel features large, legible gauges and instruments that are within the driver's reach. The large glove box houses a handy fuse box located just beneath the glove box door. Standard instrumentation includes ammeter, temperature gauge, oil pressure indicator light, and speedometer/odometer calibrated in miles per hour (primary scale) and kilometers per hour (secondary scale). The Voyager Sport instrument panel is shown.

A full-width single rear door is standard with Voyager for 1982. A vented rear window option is also available.

A handy sliding side door is available as an option on Voyager. It can be opened easily even in cramped quarters, and provides a wide door opening for convenient access to rear seats.

Voyager Custom

The standard seats in the Voyager Custom are plaid vinyl low-back buckets in Blue or Cashmere. A three-passenger quick-release bench seat in matching trim is included.

Voyager Sport

Driver and front passenger low-back bucket seats with deluxe vinyl trim are standard in the Voyager Sport Package. In Blue, Cashmere or Red. A three-passenger quick-release bench seat in matching trim is included.

Voyager Sport Option

This Voyager Sport Package offers two optional high-back Command bucket seats in plaid cloth-and-vinyl trim. They include non-swivel bases, or optional swivel bases so that they can be rotated rearward. In Blue, Cashmere, Red or Silver. A three-passenger quick-release bench seat in matching trim is included.

Voyager Premier Package

High-back Command bucket seats, in deluxe cloth-and-vinyl trim. In addition to the standard reclining feature, they can be ordered with optional swivel bases so that they can be rotated rearward. In Blue, Cashmere, Red or Silver. A three-passenger quick-release bench seat in matching trim is included.

EXTERIOR COLORS

	
Cashmere	Spice Tan Metallic
	
Manila Cream	Dark Blue Metallic
	
Charcoal Grey Metallic	Daystar Blue Metallic
	
Impact Red	Pearl White
	
Medium Seaspray Green Metallic	Burnished Silver Metallic
	
Ginger	Black
	
Morocco Red	

NOTE: Due to occasional printing irregularities, the colors shown may vary slightly from actual hues. See your Plymouth dealer for accurate color chips.

STANDARD SAFETY FEATURES

- Backup lights
- Brake system warning light
- Directional signals—parking and taillamps, front and rear
- Dual braking system with separate brake fluid reservoirs in the master cylinder
- Electric windshield washers and wipers
- Energy-absorbing steering column
- Fade-resistant front disc brakes
- Glare-reduction measures for windshield wipers, instrument panel and steering wheel
- Ignition and steering column lock
- Inside and outside rearview mirrors
- Inside hood release
- Padded instrument panel and sun visors
- Recessed inside door release handles
- Resilient window crank knobs
- Safety-Rim 15-inch wheels
- Side marker lights and reflectors
- Traffic hazard warning flasher system
- Unibelt restraint system

BUY OR LEASE A PLYMOUTH VOYAGER. If you buy a new car every two years or so, or would like to, you're in an ideal situation to take advantage of leasing—for that's the typical length of a lease contract. If you use your car in business, leasing could cut down on your operating and administrative expenses as well as give you accurate records for tax purposes. The more you learn about leasing, the more likely you are to consider it seriously. Talk it over with us—your local member of the Chrysler Leasing System.

STANDARD FEATURES

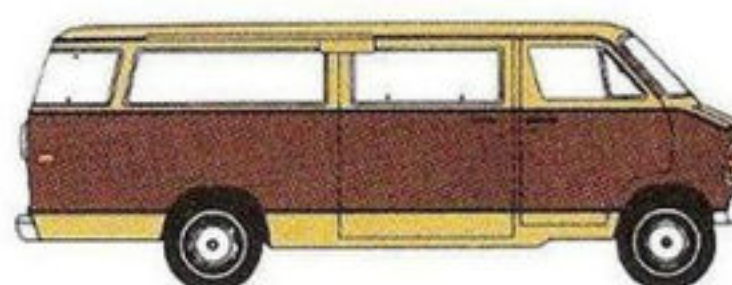

- Air Cleaner—Dry type
- Air Vent Doors—Left outlet in cowl side panel; right outlet in right side of instrument panel
- Alternator—12-volt, 53-amp
- Antifreeze—Protection to minus 20°F
- Armrests—Driver and front passenger
- Ashtray—Driver's compartment
- Battery—325-amp
- Brake Booster—Vacuum
 - 10.5-inch single diaphragm (PB150, PB250)
 - 11.5-inch single diaphragm (PB350)
- Brakes
 - Front—Disc
 - 11.75-inch by 1.25-inch (PB150, PB250)
 - 12.82-inch by 1.19-inch (PB350)
 - Rear—Drum
 - 10-inch by 2.5-inch (PB150, PB250)
 - 12-inch by 2.5-inch (PB350)
- Bumper—Painted: front and rear
- Cigar Lighter
- Cleaner Air System
- Clutch—10-inch diameter (PB150, PB250 non-Maxiwagon models)
- Doors—Passenger, hinged type; right-side double doors with vented glass; rear single door with fixed glass and inside door handle and lock button (all doors include easily removed metal check arm)
- Electronic Ignition System
- Floor Mat—Black, full width
- Fuel Tank—22-gallon
- Glove Box—With door
- Grille—Argent finish
- Headlamps—7-inch round
- Headliner—Color-keyed: driver's compartment
- Heater—Fresh air with defroster
- Hood Release—In-cab activated
- Horns—Dual, electric
- Hubcaps—Bright (four)
- Instrumentation—Speedometer, odometer, fuel gauge, temperature gauge, ammeter, oil pressure indicator light
- Jack—Bumper type (PB150, PB250); axle type (PB350)
- Lights—Backup with integral stop and taillamps; license plate; combined rear side marker lights and reflectors—red (two); combined front parking lamps, turn signals and side marker lamps—amber (two); dome, driver and passenger compartment with door-operated switches
- Locks—All doors
- Mirrors—Rear vision interior day/night type 10-inch; exterior 5-inch by 7-inch, left and right sides, bright
- Nameplate—On front doors
- Oil Filter—Throwaway type
- Power Steering—All models
- Radio—AM
- Seats—Driver and front passenger low-back vinyl bucket seats including Unibelt system; three-passenger quick-release vinyl rear bench seat including three seat belts
- Shock Absorbers—Front and rear (heavy-duty—PB250 Maxi wagons only)
- Steering Wheel—Color-keyed: 15-inch diameter
- Sun Visors—Padded, color-keyed (two)
- Tire Carrier—Spare, inside mounted
- Windshield Washers—Wiper-arm mounted, electric
- Windshield Wipers—Two-speed (non-intermittent) with washer
