# 1984 PLYMOUTH GRAN FURY

# SIX-PASSENGER ROOM AND COMFORT. PROVEN ENGINEERING. ENDURING VALUE.

Plymouth Gran Fury remains true to its original concept of offering you generous six-passenger room and comfort, with proven Chrysler engineering and enduring value, all at an affordable price.

Inspection discloses Plymouth Gran Fury does not change merely for the sake of change. Its enduring value is present throughout. Standard features include halogen headlamps, protective front bumper guards, deluxe wheel covers, and steel-belted radial wide white sidewall tires with all-season tread design.

Four big doors offer easy entry and exit. And Gran Fury has over fifteen cubic feet of enclosed luggage capacity to easily accommodate family-sized loads.

Enter Gran Fury and enjoy the spaciousness and comfort of Plymouth's roomiest sedan. The well-appointed interior includes a comfortable standard cloth-and-vinyl front bench seat with a convenient folding center armrest. The instrument panel features rich Sherwood woodtone applique. The new standard electronically tuned digital readout AM radio also includes an integral digital clock. And, despite Gran Fury's surprisingly affordable price, an impressive number of additional convenience features such as tinted glass, power steering, power brakes, a luxury two-spoke steering wheel and a three-speed TorqueFlite automatic transmission are also standard.

Plymouth Gran Fury has the "engineered-in" value a driver can depend on. An exclusive combination transverse torsion bar front and leaf spring rear suspension system delivers a smooth, "big-car" ride. The standard 430-ampere maintenance-free battery and electronic ignition system help to ensure dependable, reliable starts. The standard 5.2-liter (318 CID) two-barrel V-8 engine delivers responsive performance. Galvanized steel, one of the best known protections against corrosion, is used extensively in critical areas of the body to help protect your investment.

Few other American automobiles can offer its amazing combination of six-passenger room and comfort, proven Chrysler engineering and enduring value, and surprisingly affordable price.

### Five-Year/50,000-Mile Limited Warranty

Chrysler Corporation feels so confident about the quality of Plymouth Gran Fury that upon expiration of the normal 12-month/12,000-mile limited warranty, limited warranty coverage is now extended on power train components, including engine, transmission and axle—plus outer panel rust-through protection—to five years or 50,000 miles, whichever comes first.\* A deductible applies. See your dealer for complete details.

\*Does not apply to fleet and lease vehicles.

About this catalog: We have tried to make this catalog as complete as possible. And we hope you find it useful. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

# 1984 GRAN FURY OPTIONS

## PICTURED OPTIONS

### 1. Electronically Tuned AM-FM Stereo Radio With Cassette Player

Fade-free, drift-free, precise solid state tuning is now possible with a built-in memory for storing up to ten AM and ten FM stations at a time, along with a fluorescent digital readout display and an integral digital clock.

Available with or without cassette tape player. "Dolby" noise reduction system available on model with cassette player only. Also available with optional Premium Speaker Package, which includes a power amplifier and coaxial rear speakers.

\*Dolby is a trademark of Dolby Laboratories.

### 2. Semi-Automatic Temperature Control Air Conditioning With Bi-Level Ventilation

Enjoy increased driving comfort with bi-level ventilation that improves the flow of cool, clean air throughout the entire passenger compartment. (There may be special cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See dealer for details.)

### 3. Illuminated Visor Vanity Mirror

Increase your passenger's personal comfort and convenience with this popular option.

### 4. Available Wheel Covers

Personalize your Gran Fury with your choice of sporty turbine (shown at left) or sophisticated classic wire wheel covers.

### 5. Automatic Speed Control

Conveniently incorporated into the standard steering column multifunction lever, optional automatic speed control makes highway driving a breeze.

### 6. Electric Rear Window Defroster

Reduce driving hazards and improve rear vision with this popular, practical option.

## OPTIONAL 5/50 SERVICE CONTRACT COVERAGE

Chrysler Corporation offers a 5/50 "Added Coverage" (in Florida "Added Value Plan") Service Contract which provides protection against rising service and parts costs for specified major repairs not included in the 5/50 Limited Warranty. Coverage starts on the specified components in the plan after your vehicle's "basic" 12-month/12,000-mile warranty expires on these components and continues for five years or 50,000 miles (whichever occurs first) from the vehicle's original warranty start date. A deductible applies. The plan provides an allowance for alternate transportation and towing. Ask your dealer for details.

## CORROSION PROTECTION

Chrysler Corporation's corrosion protection is among the best in the industry. It includes the extensive use of galvanized sheet metal panels, one of the best known methods of corrosion protection, and pre-coated steel in critical areas.

MOPAR parts are engineered by Chrysler Corporation for use in your new Plymouth Gran Fury. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

## CONSIDER LEASING FROM THE LEASING PROFESSIONALS

In these days of tight money and high interest rates more consumers are considering leasing as an alternative to buying. Leasing a new Plymouth Gran Fury usually eliminates large down payments and often results in lower monthly payments because you're paying only for that portion of the vehicle life under the leasing agreement.

Leasing could be right for you, and the more you learn about it the more likely you are to consider it seriously. If leasing sounds like a sensible solution to your transportation needs, talk it over with us - your leasing professionals.
