

06 **mazda** MPV

BODY OF A MINIVAN.

SPORTS

OF A SPORTS CAR.

THE MINIVAN A

DRIVING

ENTHUSIAST CAN LOVE.

BREAKTHROUGH DESIGNS ARE A MAZDA TRADITION, A FACT DEMONSTRATED

CONVINCINGLY BY THE 2006 MAZDA MPV®. EMERGING FROM THE SAME POTENT

ZOOM-ZOOM GENE POOL AS THE RX-8, MX-5 MIATA AND MAZDA3, THE MPV IS, QUITE

SIMPLY, A BLAST TO DRIVE. AS AGILE AND RESPONSIVE AS IT IS VERSATILE, THE MPV

TAKES ALL THE TRADITIONAL MINIVAN VIRTUES AND ADDS TO THEM A HEALTHY

PORTION OF DRIVING EXHILARATION. IT'S WHAT MAKES THE MPV SO SATISFYING WHEN

EXPERIENCED FROM BEHIND THE WHEEL. BUT THEN, NO OTHER MINIVAN OFFERS WHAT

THE MAZDA MPV DOES: THE BODY OF A MINIVAN. THE SOUL OF A SPORTS CAR.

ZOOM-ZOOM

A. The Mazda MPV boasts an advanced 3.0L DOHC 24-valve V6. With 200 hp and 200 lb-ft of torque on tap, you've got plenty of power to haul passengers, cargo or even a small trailer. **B.** For braking performance you can count on, power-assisted, ventilated 4-wheel disc brakes are standard—as is an Anti-lock Brake System (ABS) with Electronic Brakeforce Distribution (EBD).

IT MOVES PEOPLE.

CARGO. AND EMOTIONS.

To those who think a minivan automatically consigns its driver to a life of motoring monotony, we offer a spirited rebuttal: the 2006 Mazda MPV. Within its lean, athletic lines lives the spirit of "Zoom-Zoom," expressed through a powertrain so responsive, it's downright exhilarating. Plus handling that's been hailed by the automotive press as "more nimble" and "more fun." The MPV driving experience starts with the performance of a spirited, 200-hp V6 engine and electronically controlled 5-speed automatic, and continues with confidence-inspiring handling provided by gas-filled struts and shocks, front and rear stabilizer bars and precise, power-assisted rack-and-pinion steering. In fact, given its fun-to-drive credentials, this is one minivan even a sports sedan can respect.

FUNCTION HAS SELDOM TAKEN SUCH

STYLISH FORM.

IT ALSO CARRIES A

FIVE-STAR SAFETY RATING.

A. You can easily create a cavernous 127 cu ft of cargo space simply by folding away MPV's 3rd-row seat and removing its 2nd-row seats. **B.** Both of the MPV's sliding doors include power up-and-down windows. **C.** MPV's available Rear-Seat Entertainment System plays both DVDs and MP3 audio CDs, and includes a flip-down 7-inch color monitor, two sets of wireless headphones plus a remote control.

Every Mazda MPV comes equipped with an abundant portion of driving fun. But behind-the-wheel enjoyment comes much easier when it's accompanied by peace of mind. That's one reason why the MPV comes with the safety of 4-wheel disc brakes, an Anti-lock Brake System (ABS), and front and rear crumple zones. Not to mention a Five-Star crash safety rating, the highest possible, in U.S. government tests for driver and passenger protection in frontal and side impacts.* What's more, MPV offers an available trailer hitch with wiring harness and a 4-Seasons & Towing Prep Package (available on LX and ES models only), that lets you tow up to 3,000 pounds. So go ahead—bring that favorite motorcycle or watercraft along for the ride without worry. Because we've definitely got your back.

*Driver and passenger front and side crash tests. For complete test results, visit: www.nhtsa.dot.gov. Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA) New Car Assessment Program (NCAP). Please remember to properly secure all cargo.

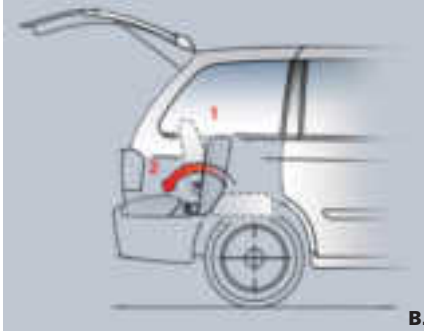

EVERY PASSENGER TRAVELS

FIRST-CLASS.

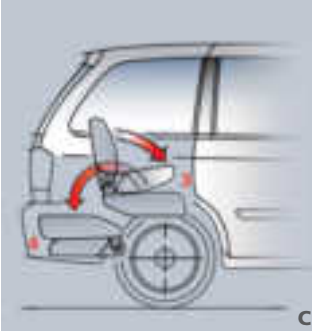

The nimble MPV has few equals when it comes to delivering fun behind the wheel. But this is a minivan of many talents. Whether it's a weekend road trip, a zoo day with the kids, or just a visit to the local warehouse store, the MPV never fails to delight. It's filled with thoughtful features like dual remote-control power sliding doors (standard on the ES, available on the LX, not available on LX-SV). Ingeniously engineered multifunction 2nd- and 3rd-row seats. A deep cargo well behind the rear seat for your groceries and gear. Not to mention a clever array of storage compartments, map and courtesy lights, and even a dozen beverage holders. Obviously, with amenities like these, there's not a bad seat in the house.

A.

B.

C.

A. The MPV's 2nd-row bench seat features a Side by Slide® design that separates into two reclining captain's chairs, complete with fold-down armrests.* **B.** You can easily flip the MPV's Tumble-Under® rear bench seat backwards to create convenient "tailgate" seating that's ideal for outdoor activities.* **C.** Creating lots of extra cargo space couldn't be easier. The MPV's spring-assisted Tumble-Under® rear bench seat quickly and easily folds flat into the floor with the pull of a strap.

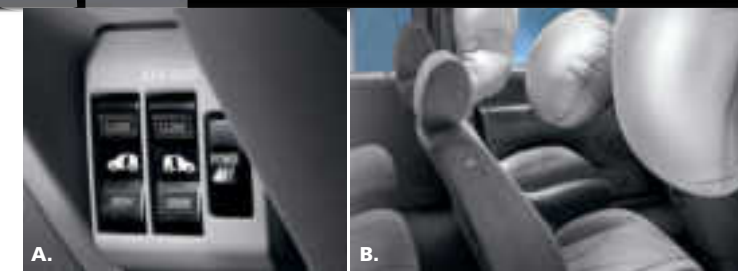

*Be sure your MPV is in park with the engine off.

YOURS ALONE!

MANY PLACES THIS NICE REQUIRE A RESERVATION.

Virtually everywhere the eye falls inside the MPV, there's something to impress. It might be the high quality of materials used throughout the cabin. The exemplary fit and finish. The meticulous craftsmanship, or perhaps the obvious attention to thoughtful details. Take the MPV's steering wheel, for example. It not only tilts for extra comfort, but also includes built-in audio and cruise control functions. The ergonomically contoured driver's seat offers a lumbar adjustment for added support. Instrument gauges are large and easy to read. Controls are intuitively placed, to minimize driver distraction. And of course, power windows, mirrors and door locks are standard. As is air conditioning with front and rear zone controls on the ES (available on the LX and the LX-SV). Who knew one minivan could hold so much pleasure?

A. Power sliding doors (standard on the ES and available on the LX, not available on LX-SV) open or close at the touch of a button on the dash, door pillars or keyless entry system. A "power off" dashboard switch prevents accidental operation. B. An advanced, dual front air bag* supplemental restraint system (SRS) with crash-zone, passenger-weight and driver's seat-position sensors is standard. Dual front side-impact air bags.* (SAB) are standard on ES and optional on LX (not available on LX-SV).

*Always wear your safety belt and secure children in the rear seat.
