

1967 Accessories by Pontiac

1967 Pontiac Accessories Index

Tempest / Tempest Custom / Le Mans / Tempest Safari / GTO / Catalina / Executive / Bonneville / Grand Prix

Even though you have a choice of 43 different Pontiac models for 1967, you'll want to equip *your* Pontiac so it reflects you and your individuality. On the following pages you'll find the accessories and options that make owning and driving a Pontiac even more enjoyable than you ever imagined.

GROUPS. These are a combination of the more popular Pontiac accessories. Each group is factory-installed to save you time and installation cost.

An accessory that can be installed by your dealer has a (D) following its description. (F) indicates that the item is a factory-installed accessory. (F,D) indicates the accessory can be installed either at the factory or by your dealer.

Note: "P" column lists pages for Pontiac Catalina, Executive, Bonneville and Grand Prix. "T" column lists pages for Pontiac Tempest, Tempest Custom, Le Mans, Tempest Safari and GTO.

Accessories by Pontiac

*Silly girl!
What are you doing
sitting on that car
parked in the middle of nowhere?
Wipe that smirk off your face—
no one's looking at you.*

*That '67 Pontiac Grand Prix
has you upstaged by a mile.*

Look at it!

What a wild thing!

You can't tame it, silly girl.

*Get down from there.
A beauty like that
has to be loved and cherished
to make it respond—gently, firmly.*

*It has to be dressed in
aluminum wheels,
tinted glass, vinyl top,
and the one or two other things
it might not have
as standard equipment.*

*Then you can call it your own—
and you'll be proud.*

BASIC GROUP (Code 061)

Pushbutton Radio with Manual Antenna

Custom Foam Front Cushion (standard on Brougham and cars with bucket seats)

Wagon** exterior decor trim
features bright metal
front and rear door window
frame and rear-quarter
window frame moldings. (F)

A. Soft-Ray Glass ▲

B. Custom Air Conditioner ▲

D. Rear Window Defogger ▲

E. Ventshades ▲

C. Automatic Temperature Control Air Conditioning ▼

CATALINA • EXECUTIVE

BONNEVILLE • GRAND PRIX

A. SOFT-RAY GLASS (Code 531)

Reduce glare and enjoy more comfortable driving with fully tinted windows. The upper area of the windshield is shaded for added glare reduction. Recommended with air conditioning. Also available on windshield only. (Code 532) (F)

B. CUSTOM AIR CONDITIONER (Code 582)

It's combined with Circ-L-Aire heater to give full range comfort control. It heats or cools air, controls humidity, limits window fogging and removes pollen from the air. Lets you ride in cool or warm, clean, noise-free comfort. (F,D)

C. AUTOMATIC TEMPERATURE CONTROL AIR CONDITIONING (Code 581)

All you have to do is set the temperature comfort level. The automatic control will keep it there until you change it. No matter what the temperature or humidity is outside, you ride along cool and refreshed. No matter where you drive in the heat of summer, you'll arrive looking neat and well-groomed. And on vacation trips, what could be better than carrying your air conditioning with you? (F)

D. REAR WINDOW DEFOGGER (Code 374)

A blower under the rear package shelf channels air through a grille to the rear window. Result—it helps give you a clear view all the time. Not available on Station Wagons or Convertibles. (F,D)

E. VENTSHADES

Help protect occupants from sun and rain when windows are slightly open. The ventshades fit snugly over the top of side windows. Not available for Convertibles or Hardtops. (D)

CATALINA • EXECUTIVE

BONNEVILLE • GRAND PRIX

A. POWER 6-WAY BENCH SEAT (Code 561)

Raises, lowers, tilts forward or backward, and moves forward or backward—all at the touch of a button. Gives you greater, more relaxing driving comfort, lessens fatigue on trips. With full-width seat only. (F)

B. POWER DOOR LOCK SYSTEM (Code 541)

Master control lever located on the door panel on the driver's side and on passenger's side. Locks or unlocks all doors simultaneously. A fine security accessory. (F)

C. POWER BUCKET SEAT (Code 564)

Moves seat forward and backward; raises and lowers seat to any position for driving comfort. (F)

D. POWER BRAKES (Code 502)

Just a light touch of the toe gives adequate braking pressure. Includes bright metal trim plate on brake pedal when factory installed. (F,D)

E. CRUISE CONTROL SYSTEM (Code 441)

Maintain a preselected car speed automatically by depressing a button located at the end of the turn signal lever. Cruise Control System releases and returns to accelerator control with slightest brake pressure. Great for turnpike driving. Available only with Turbo Hydra-Matic. (F,D)

F. POWER STEERING (Code 501)

One or two pounds of effort is all you need for the easiest steering you'll ever experience. Makes driving, turning, and parking a breeze. (F,D)

G. REAR DECK LID RELEASE (Code 492)

Here's real convenience. You can unlock the trunk by depressing the button control located inside the glove box. The trunk also may be unlocked with a key. All models except Station Wagons. (F,D)

H. POWER WINDOW LIFTS (Code 551)

Gives the driver finger-tip control of all vertical side windows from a single control panel at his side. Each window has its own control button, too. Not operable when ignition key is off. (F)

I. POWER-OPERATED VENT WINDOWS (Code 552)

Automatically operates vent windows. Available only with Power Window Lifts (Code 551) and on all models except Grand Prix Hardtop. Not operable when ignition key is off. (F)

J. TILT STEERING WHEEL (Code 504)

Adjusts to seven different positions for individual driving comfort. Permits easier entry and exit, better visibility for shorter people. Available with Power Steering only. Not available with 3-speed column shift. (F)

BONNEVILLE • GRAND PRIX

A. REAR SPEAKER (Code 351)

Fader switch lets you vary front to rear speaker volume for brilliant tone and depth control. Not available with Stereo-Multiplex Radio (Code 348) or Delco Stereo Tape Player (Code 354). (F,D)

B. VERBRA-PHONIC REAR SPEAKER SYSTEM (Code 352)

Brilliant tone simulates acoustics in an auditorium when both speakers are playing. 3-step switch lets you play through front, rear or both speakers. Available on all models except Station Wagons. Not available with Stereo-Multiplex Radio [Code 348] or with Delco Stereo Tape Player. [Code 354] (F,D)

C. ELECTRIC POWER ANTENNA (Code 341)

Available with all radios. Raises and lowers antenna by a switch on the instrument panel. Antenna is mounted on right rear fender on all models including Station Wagons. (F,D)

D. PUSHBUTTON RADIO AND MANUAL ANTENNA (Code 342)

Completely transistorized. Superior tone and fidelity. Wide dial provides space for precise tuning. Antenna has oval shaped cross section for minimum wind resistance. (F,D)

E. DELCO STEREO TAPE PLAYER (Code 354)

Mounted under the instrument panel or on the automatic transmission console, the Stereo Tape Player comes with two special stereo rear speakers, (one rear speaker only in Convertibles and Station Wagons) plus the standard front radio speaker. It's available only with any of the several radio options. It has its own built-in amplifiers and plays the new 8-track tape cartridges. It has a "Balance" control that lets you vary the volume between front and rear speakers and it comes with a track selection control and tone and volume controls. Not available with manual transmission housed in floor console. (F,D)

F. PUSHBUTTON AM-FM RADIO AND MANUAL ANTENNA (Code 344)

Enjoy dual listening pleasure with either AM or FM frequencies by rotation of the frequency dial. Completely transistorized. Pushbuttons can be set to either AM or FM stations, or both. Unusually fine quality and fidelity. (F,D)

G. PUSHBUTTON AM-FM STEREO-MULTIPLEX RADIO AND MANUAL ANTENNA (Code 348)

Here's the most complete radio system ever offered in an automobile. You can listen to AM or FM frequencies and enjoy true stereophonic sound when the FM station is broadcasting in stereo. Includes two rear speakers and one front speaker with a special "Balance" control to vary front and rear speaker volume. Special stereo speakers are used. (Only one rear speaker in Convertibles and Station Wagons.) (F,D)

NOTE: Due to technical limitations of all stereophonic broadcasting and reception, it should be pointed out that owners may occasionally experience limited range stereo reception and/or stereo distortion and flutter in certain localities.

A. SIDE ROOF RAIL COURTESY AND READING LAMPS (Code 404)

One lamp on each side, mounted on interior side roof rails. Provides more light for map reading, etc. Reading lamp on each side has individual switch. Not available on Convertibles. (F)

B. SPOT LAMP

Easily controlled from inside of car. Completely chromed for long-wearing durability. Great for reading road signs and house numbers at night. Can be installed on left or right side. (D)

C. SAFEGUARD SPEEDOMETER AND LOW FUEL WARNING LAMP (Code 442)

Preselect your speed limit and a buzzer signals if you exceed the speed. Warning light alerts driver to low fuel. Also available without Safeguard Speedometer. (F)

D. CORNERING LAMPS (Code 401)

Extra light for added road visibility when the headlights are on and the turn signal is activated. They're mounted on each side of the front fender forward of the wheelhouse opening. (F)

E. UNDERHOOD UTILITY LAMP (Code 421)

Ideal for emergency repairs or tire changes after dark. It has about 17 feet of self-storing extension cord. Available on all models. (F,D)

A. CUSTOM FRONT AND REAR SEAT BELTS WITH RETRACTORS (Code 431)

On 4-Door models, Custom Seat Belts with retractors in both front and rear seats. On 2-Door models, Custom Seat Belts with retractors in front seat; Custom Seat Belts less retractors in rear seat. On 3-seat Station Wagons, Custom Seat Belts with retractors in front and second seat; Custom Seat Belts less retractors in third seat. Push button on buckle releases belt. In front seat, belt retracts into a housing on the floor next to the seat. In rear seat, belt retracts snugly against the seat. Seat belt colors harmonize with interiors. (F)

B. HEADRESTS (Code 571) FOR BUCKET SEATS; (Code 572) FOR BENCH SEATS

Available with any type front seating for passenger and driver. Matches seat trim. Gives additional comfort. (F)

C. SEAT BELT RETRACTORS FOR STANDARD REAR SEAT BELTS

The seat belts retract snugly against the seat when not in use. Not recommended for buckle half of belt. (D)

D. CENTER REAR SEAT BELTS (Code 432)

Now you can add a third seat belt to your rear seat for the passenger who rides in the center. You can choose Custom or Standard Belts. (F)

E. REMOTE CONTROL OUTSIDE MIRROR (Code 394)

Mounts on left-hand door. Control is convenient. Mirror adjusts easily from inside the car. (F,D)

F. RECLINING STRATO-BUCKET SEAT, PASSENGER SIDE (Code 578)

Reclines at a 45° angle. Excellent for long trips, allows front seat passenger to stretch out and relax. Includes headrest. (F) Reclining bench seat, passenger side (Code 574) similar to above available for Strato-bench Seat only. (F) Includes headrest for both passenger and driver.

G. FRONT SEAT SHOULDER STRAPS (Code 434)

Give extra security by keeping the torso erect in case of sudden stops. Available for driver and front seat passenger with all seat belts. One end is anchored to the floor, the other end is anchored to the roof rail on all models except Convertibles where it is anchored to the rear inner quarter panel. The shoulder strap is worn diagonally across the torso in conjunction with your seat belt. It has a pushbutton buckle release. (F,D)

H. VISOR VANITY MIRROR (Code 391)

Mounts on back of visor. Out of sight when not in use. Ideal for checking makeup, combing hair, etc. (F,D)

A. Custom Front and Rear Seat Belts with Retractors ◀

B. Headrests ▼

C. Seat Belt Retractors for Standard Rear Seat Belts ▲

CATALINA • EXECUTIVE

BONNEVILLE • GRAND PRIX

A. TACHOMETER

Hood-mounted for easy visibility. Shows engine RPM's on 250° dial. Enables you to maintain optimum driving performance and efficiency. (D)

B. CHROME TISSUE DISPENSER

Holds a regular-size box of tissues. Swings back under the center of the control panel when not in use. Locks in place. Not available on cars equipped with air conditioning. (D)

C. LITTER BASKET

Clings to transmission tunnel. Weighted to prevent tipping, and empties easily. Available in red, blue, black or beige. (D)

D. SPARE TIRE LOCK

Protects against theft of spare tire and wheel in trunk. (D)

E. FENDER SKIRTS (Code 424)

Optional on Catalina and Executive. Standard on Bonneville and Grand Prix. Gives smooth continuous lines to body side sculpturing. Not available on Station Wagons or with standard hub caps. (F,D)

F. ELECTRIC CLOCK (Code 474)

It has a sweep second hand and a built-in automatic self-regulator. The dial is illuminated for easy night reading. Standard on Executive, Bonneville, and Grand Prix. (F,D)

G. ANTI-THEFT BARRIER

A heavy-gauge, steel, wire mesh screen that fits between the rear seat and trunk compartment. Gives extra protection, it's bolted from the trunk side, cannot be dismantled from the passenger side. Available on Convertibles only. (D)

NOTE: Spare tire wheel cover is available only through your dealer while supply lasts.

H. REAR DOOR LOCK GUARDS (4-Door Models Only)

Prevents children from unlocking and opening rear doors. When buttons are down and lock guards are pushed in, rear doors can't be opened without inserting key into lock button. 1—Unlocked position. 2—Regular locked position. 3—Guard Lock position. Any of your regular car keys may be used to release the Lock Guards. (D)

I. ROOF OR DECK LID SKI AND LUGGAGE CARRIER

Can be installed or removed in minutes. Available on all models. Carries up to six pairs of skis or 100 lbs. of luggage. Has a key lock. Made of bright chrome and stainless steel. (D)

BONNEVILLE

STATION WAGONS

A. LUGGAGE CARRIER COVER

Water- and dust-resistant fabric protects luggage. Side opening can be locked. Cover folds flat for off-car storage. Removable types for either Station Wagon luggage rack or Sedans and Coupes. (D)

B. STATION WAGON LUGGAGE COMPARTMENT LOCK

Valuables in rear load compartment are extra safe when protected by the sturdy lock. 2-seat Station Wagon only. (D)

C. SEPARA-PHONIC REAR SPEAKER FOR STATION WAGON (Code 351)

Brilliant tone and depth control. Fader switch lets you vary front to rear speaker volume (Not available with AM-FM Stereo-Multiplex Radio [Code 348] or with Delco Stereo Tape Player. [Code 354]) (F,D)

D. CHROME LUGGAGE CARRIER (Code 512)

Handsome, sturdy. Carries plenty of luggage, allowing extra passenger space inside. Handy side rails provide easy tie-down. Made of bright chrome and stainless steel. Permanently installed on Station Wagons. (F,D)

E. REMOVABLE SKI CARRIER ADAPTER

Attaches to Station Wagon permanent luggage carrier in minutes. Carries up to six pairs of skis. Has key lock for protection against ski theft. (D)

F. UTILITY PAD

Doubles as rear load area pad whenever needed. Constructed of durable, resilient coated fabric. Available in two-tone combinations of gray and blue, brown and green, or black and red. (D)

G. POWER TAILGATE WINDOW (Code 542)

Conveniently located switch raises or lowers tailgate window with touch of finger. Makes it easier to open tailgate. Standard on 3-seat Station Wagons. (F)

H. TAILGATE WINDOW SCREEN

Lets you keep the tailgate window open when camping. Made of fine, reinforced mesh. Held in place by raising window part way. (D)

I. REAR DOOR WINDOW SCREENS

Great for campers. Attaches permanently to inner door window frames. Windows may be raised or lowered without removing screens. (D)

J. GAS CAP LOCK

Prevents fuel theft. Separate key. Available on all models. (D)

K. STATION WAGON REAR WINDOW DEFLECTOR (Code 378)

Horizontal metal vane directs air stream down onto rear window; helps keep it free of dust. Also promotes quieter ventilation of interior when cowl vents are open, side windows closed and rear window open. (F,D)

L. CAR COMPASS

Dependable with special compensator for in-car use. Illuminated dial for all models. (D)

CARPET AND SKID STRIPS FOR CARGO AREA (Code 364)

Add luxury to your Station Wagon cargo area with plush, interior-matching carpeting. Skid strips over carpeting keep cargo from sliding. Available on Catalina and Executive Station Wagons. Standard on Bonneville. (F) (Not illustrated)

BONNEVILLE • GRAND PRIX

A. CONSOLE FOR 3-SPEED AND 4-SPEED MANUAL TRANSMISSIONS ON CATALINA (Code 472)

Available on Catalina Hardtop Coupe and Convertible equipped with optional bucket seats, and on 2+2 with standard bucket seats. Has a wood grain appearance trimmed in bright metal. The standard knob on both the 3-speed and 4-speed transmission features shifting diagram. (F)

B. CONSOLE FOR TURBO HYDRA-MATIC TRANSMISSION ON CATALINA SERIES (Code 472)

Available on Catalina Hardtop Coupe and Convertible equipped with optional bucket seats. Also available on 2+2 with standard bucket seats. Features walnut wood grain appearance, trimmed in bright metal. Front area extends up into the instrument panel. (F)

C. CONSOLE FOR 3-SPEED OR 4-SPEED MANUAL TRANSMISSION ON BONNEVILLE AND GRAND PRIX (Code 472)

Available on Bonneville with bucket seats. Standard on Grand Prix with bucket seats. Features a luxurious Elm burl grain surface which matches the instrument panel. The standard shift knob shows the shifting diagram. (F)

D. CONSOLE FOR TURBO HYDRA-MATIC TRANSMISSION ON BONNEVILLE AND GRAND PRIX (Code 472)

Standard on Grand Prix series with bucket seats. Available on Bonneville series equipped with optional bucket seats. The console is finished in Elm burl grain appliqué matching the instrument panel. (F)

E. DELUXE WHEEL DISCS (Code 461)

Chrome-flashed stainless steel. Deep center section. Standard on 2+2, Executive, Bonneville and Grand Prix; part of decor group on Catalina and Ventura. (F,D)

F. CUSTOM WHEEL DISCS (Code 558)

Gives your Pontiac that well-dressed look. Made of chrome-flashed stainless steel with 3-pronged, die-cast spinner. Not available with Disc Brakes or wide oval (H:70) tires. (F,D)

G. DISC BRAKE WHEEL COVER (Code 521)

Chrome-flashed stainless steel. Deep center section. The words "Disc Brakes" appear on the cover insert. (F,D)

H. ALUMINUM WHEEL HUB AND DRUM (Code 454)

Still a Pontiac exclusive. Distinctive one-piece aluminum wheel hub and brake drum bonded to cast iron braking surface. High resistance to brake fade. Not available with Disc Brakes or wide oval (H:70) tires. (F)

I. RALLY II WHEELS (Code 453)

All-new 14-inch steel wheels with chrome-flashed steel wheel nuts, a stainless steel trim ring and newly designed, pointed hub emblem. Available on Catalina, Executive, Bonneville and Grand Prix. Not available with Disc Brakes or wide oval (H:70) tires. Not available on Station Wagons. (F)

J. WIRE WHEEL DISCS (Code 452)

For that special flair and sports look. Gleaming wire spokes handsomely styled and structurally strong. Not available with Disc Brakes or wide oval (H:70) tires. (F,D)

K. 15-INCH WHEELS (Code 452)

This heavy-duty wheel is available on all Catalina, Executive, Bonneville and Grand Prix models. It's required with front wheel Disc Brakes (Code 521), or wide oval tires, or heavy-duty brakes—Aluminum front drums (Code 651). (F)

BONNEVILLE • GRAND PRIX

A. SAFE-T-TRACK DIFFERENTIAL (Code 731)

Minimizes the hazard of getting stuck. Power is directed from one driving wheel to the other—always the one with the best grip on the road surface. Sure handling through rutted roads, on sand or gravel, over bumps or chuck holes, through heavy snow, on wet or icy roads. (F)

B. DUAL STAGE, HEAVY-DUTY AIR CLEANER (Code 361)

Dual filter design consists of wetted paper inner filter surrounded by a special polyglycol wetted polyurethane foam outer filter. These two filters give finer filtration, extended service. Not available on standard 2+2 engine and HO engine. (F,D)

C. CAPACITOR DISCHARGE IGNITION SYSTEM (Code 671)

The finest of ignition systems. Gives ignition without condensor or mechanical contacts. Combines increased high speed output with greater ignition stability. Lengthens spark plug life, is rugged and waterproof. Available as option for premium fuel engines only. Not available on cars with Stereo or AM-FM radio. Does not include Transistorized Regulator unless ordered with Air Conditioning. (F)

D. ENGINE BLOCK WATER HEATER

Electric pre-heater for engine coolant provides fast, effortless starts, quick heater action during severe cold. Single unit raises engine coolant overnight from 0° F to 50° F, dual unit to about 90° F. Operates from standard house electrical outlet. (D)

E. DUAL EXHAUSTS (Code 481)

Cuts down back pressure in exhaust system, adds to engine efficiency. Standard on Grand Prix, 2+2 and models with 428 HO engine option. (F)

F. SUPERLIFT SHOCK ABSORBERS (Code 634)

Help maintain a level ride when trunk or trailer-tongue loads are extra heavy. Adjustable air spring is built into rear shock absorber. Equipped with tire-type air filler valve for simple air fill at filling stations. (F,D)

G. AUTOMATIC LEVEL CONTROL

Available only with Superlift Shock Absorbers. A vacuum operated air compressor mounted in the engine compartment automatically keeps the rear of the car at a constant height when fully loaded. (D)

H. FRONT WHEEL DISC BRAKES (Code 521)

Available on all models, this option includes Power Brakes and heavy-duty 15-inch wheels. (F)

I. FULL TRANSISTOR VOLTAGE REGULATOR (Code 664)

Increases battery life, provides long trouble-free service and helps assure quick starts. It is especially valuable in cold-weather areas and on cars requiring heavy electrical loads. (F)

J. HIGHWAY EMERGENCY KIT

Includes antenna emergency flag, fire extinguisher, tire inflator, warning flares and extra fuses. (D)

K. HEAVY-DUTY BATTERY (Code 678)

This 70 amp. hr. battery provides longer life, greater power and increased cranking ability. It's "thru the partition" cell connection structure adds wattage. Keeps power accessories operating efficiently. (F,D)

L. FIRE EXTINGUISHER

A 5-lb., dry chemical fire extinguisher for all types of fires, including grease, oil, gasoline and electrical. It's rechargeable through your Pontiac Dealer. (D)

A. CUSHION TOPPER

Added front seat comfort. Sleek rayon with foam backing available in five colors to match interiors. (D)

B. INSTRUMENT PANEL UPPER COVER (Code 381)

Resilient, smartly designed and finished in beautiful, durable vinyl. Harmonizes with interior colors. Standard on Bonneville and Grand Prix. (F,D)

C. DOOR EDGE GUARDS (Code 382)

These bright, stainless steel strips help prevent nicks and scratches on door edges. (F,D)

D. VENTILATED CUSHIONS

Make summer driving more comfortable. Special coil spring construction allows air to circulate between passenger and seat. (D)

E. FLOOR MATS, FRONT (Code 631) REAR (Code 632)

Keeps car looking new. Easily removed for washing. Available in six Pontiac colors to harmonize with interiors. (F,D)

F. FULL-WIDTH FLOOR MAT (Front only)

Long-lasting, easily removed for cleaning. Extends over center tunnel, protects whole floor. Available in six Pontiac colors. (D)

G. TONNEAU COVER

Protect your Convertible interior from hot sun or rain when the top is down. Made of sturdy vinyl, it snaps on and off in a jiffy. Can be left on when driver is alone in the car. (D)

H. TRUNK AUXILIARY FLOOR MAT (Code 362)

A heavy-duty, rugged, solid vinyl floor mat gives extra protection for trunk compartment as well as for cargo. Not available on Station Wagons. (F,D)

I. CUSTOM SPORTS STEERING WHEEL (Code 471)

Handsome "just like wood" appearance. Has three, equally spaced, brushed stainless steel spokes. Horn button in center. (F)

J. DELUXE STEERING WHEEL (Code 462)

3-spoke design with horn buttons recessed into each of the two horizontal wheel spokes. Standard on 2+2, Executive, Bonneville and Grand Prix; available on Catalina (part of Decor Group). (F,D)

K. CUSTOM GAUGE CLUSTER (Code 444)

Has oil temperature and oil pressure gauges for more complete information. On Catalina, electric clock is included with this option. Not available with Automatic Temperature Control Air Conditioning. (F)

L. CUSTOM FOAM CUSHION—FRONT SEAT (Code 371)

For front bench seats only. Custom 2¼" foam pad reduces road shocks, gives a more relaxing ride. Standard on Brougham and cars with Strato-bucket Seats. (F)

Kids!

Ten of 'em!

*Mary, Jody, Billy, Jay, Pete, Bobby,
Ann, Sean, Eddy and Joe.*

Count 'em!

*Did they all fit in this
Tempest Wagon?*

They could have, but they didn't.

*We split the load because we had
to bring along another Pontiac
Wagon to help carry the lumber,
ladders, tools, and camera.*

*It's parked over on the right—
a really wild Tempest Safari, but
it's out of camera range.*

So concentrate on this one.

*It's the perfect, practical, family
car. It has utility, comfort, styling—
and lots of accessories.*

*Besides the Deluxe Wheel Covers,
which you can see, this Tempest
Wagon has Power Steering and
Power Brakes, Automatic
Transmission, a big 250-hp. V-8
regular fuel engine, Tilt Steering
Wheel, Rear Seat Belt Retractors,
and an extra Rear Seat Center Belt.
These, and many more are
available on all Tempest models.*

*Flip the pages and pick the
accessories YOU want.*

E. Ventilated Cushion ▼

TEMPEST • TEMPEST CUSTOM

LE MANS • TEMPEST SAFARI • GTO

A. VENTSHADES

Help protect occupants from sun and rain when windows are slightly open. The ventshades fit snugly over the top of side windows. Not available for Convertibles or Hardtops. (D)

B. CUSTOM AIR CONDITIONER (Code 582)

It's combined with Circ-L-Aire heater to give full range comfort control. It heats and cools air, controls humidity, limits window fogging and filters the air. Lets you ride in cool or warm, clean, noise-free comfort. (F,D)

C. SOFT-RAY GLASS (Code 531)

Reduce glare and enjoy more comfortable driving with fully tinted windows. The upper area of the windshield is shaded for added glare reduction. Recommended with air conditioning. Also available on windshield only. (Code 532). (F)

D. REAR WINDOW DEFOGGER (Code 374)

A blower under the rear package shelf channels air through a grille to the rear window. Result—helps give you a clear view all the time. Not available on Station Wagons or Convertibles. (F,D)

E. ROOF OR DECK LID SKI AND LUGGAGE CARRIER

Can be installed or removed in minutes. Available on all models. Carries up to six pairs of skis or 100 lbs. of luggage. Has a key lock. Made of bright chrome and stainless steel. (D)

F. REMOVABLE LUGGAGE CARRIER—KARPAK

Lightweight, easily removed, quickly installed on roof or deck lid. All models except Station Wagons with luggage carrier. (D)

G. VENTILATED CUSHION

Make summer driving more comfortable. Special coil spring construction allows air to circulate between passenger and seat. (D)

A. Power Steering ▲

C. Rear Deck Lid Release ▲

F. Power Bucket Seat ▼

G. Power Convertible Top ▲

H. Tilt Steering Wheel ▼

I. Power Windows ▼

TEMPEST • TEMPEST CUSTOM

LE MANS • TEMPEST SAFARI • GTO

A. POWER STEERING (Code 501)

One or two pounds of effort is all you need for the easiest steering you'll ever experience. Makes driving, turning and parking a breeze. (F,D)

B. POWER BRAKES (Code 502)

Just a light touch of the toe gives adequate braking pressure. Includes bright metal trim plate on brake pedal when factory-installed. (F,D)

C. REAR DECK LID RELEASE (Code 492)

Here's real convenience. You can release the trunk lock electrically from the driver's seat. The pushbutton control is located inside the glove box. The trunk also may be unlocked with a key. All models except Station Wagons. (F,D)

D. CRUISE CONTROL (Code 441)

Maintain a preselected speed automatically by depressing a button located at the end of your turn signal indicator lever. Cruise control releases to accelerator control with slightest brake pressure. Great for turnpike driving. Available only with Turbo Hydramatic or automatic transmissions, V-8 engines. (F,D)

E. POWER 4-WAY BENCH SEAT (Code 566)

Variable seat positions for greater comfort and less fatigue on trips. Change position easily. With full-width seat only. (F)

F. POWER BUCKET SEAT (L.H. only) (Code 564)

Moves seat forward and backward; raises and lowers seat to many positions for driving comfort. (F)

G. POWER CONVERTIBLE TOP (Code 544)

Take top down or put it up without leaving the driver's seat. The control is on the instrument panel. Available on Tempest Custom Convertible, Standard on Le Mans and GTO Convertibles. (F)

H. TILT STEERING WHEEL (Code 504)

Adjusts to seven different positions for individual driving comfort. Permits easier entry and exit, better visibility for shorter people. Available with Power Steering only. Not with 3-speed column shift. (F)

I. POWER WINDOWS (Code 551)

Gives the driver fingertip control of all vertical side windows from a single control panel at his side. Each window has its own control button, too. Inoperable when ignition is off. (F)

A. Delco Stereo Tape Player ▲

B. Pushbutton AM-FM Radio ▼

C. Pushbutton Radio ▼

D. Manual Control Radio ▲

E. Rear Speaker ▲

F. Verbra-Phonic Rear Speaker ▲

G. Electric Power Antenna ▼

TEMPEST • TEMPEST CUSTOM

LE MANS • TEMPEST SAFARI • GTO

A. DELCO STEREO TAPE PLAYER (Code 354)

Mounted under the instrument panel with or without console. The Delco Stereo Tape Player comes with one rear speaker, plus the standard front speaker. It's available only with any of the several radio options. It has its own built-in amplifiers and plays the new 8-track Stereo Tape Cartridges. It has a "Balance" control that lets you vary the volume between the front and rear speakers. It also has a track selector and tone and volume controls. Not available with heatless cars. (F,D)

B. PUSHBUTTON AM-FM RADIO WITH MANUAL ANTENNA (Code 344)

Offers dual listening enjoyment on either AM or FM frequencies. Completely transistorized. Pushbuttons can be set to either AM or FM or combinations of both. Unusually fine quality and fidelity. (F,D)

C. PUSHBUTTON RADIO AND MANUAL ANTENNA (Code 342)

Superior tone and fidelity. Completely transistorized. Wide dial provides space for precise turning. (F,D)

D. MANUAL CONTROL RADIO AND MANUAL ANTENNA (Code 348)

Completely transistorized. Excellent tone quality and fidelity. Wide dial for precise tuning. (F,D)

E. REAR SPEAKER (Code 351)

Brilliant tone and depth control. 3-step switch lets you play front, rear or both speakers. Not available with Delco Stereo Tape Player. (F,D)

F. VERBRA-PHONIC REAR SPEAKER (Code 352)

Brilliant tone simulates acoustics in an auditorium when both speakers are playing. 3-step switch lets you play through front, rear or both speakers. All models except Station Wagons and cars with Delco Stereo Tape Player. (F,D)

G. ELECTRIC POWER ANTENNA (Code 341)

Available with all radios. Raises and lowers the antenna by a switch on the instrument panel. Antenna is mounted on right rear fender on all models. Not available on Station Wagons. (F,D)

A. Luggage Lamp ▲

B. Side Roof Rail and Reading Lamps ▲

TEMPEST • TEMPEST CUSTOM

LE MANS • TEMPEST SAFARI • GTO

A. LUGGAGE LAMP (Code 401)

Lights automatically when trunk lid is lifted. Permits free use of both hands for loading and unloading luggage at night. Not available on Station Wagons. (F,D)

B. SIDE ROOF RAIL AND READING LAMPS (Code 404)

Mounted on interior side of roof rails. One lamp on each side. They light up when the door is opened, each lamp has an individual switch. Not available on Convertibles. (F)

C. GLOVE COMPARTMENT LAMP (Code 402)

Lights automatically when glove compartment door is opened. (F,D)

D. ASHTRAY AND LIGHTER LAMPS (Code 412)

They glow automatically when parking lamps or head lamps go on. Plainly seen when ashtray is pulled out or when lighter is removed. (F,D)

E. UNDERHOOD LAMP (Code 421)

Unit similar to Luggage Lamp, but located under engine hood. Available on all models (F,D) (not illustrated)

F. ANTI-THEFT BARRIER

A heavy-gauge, steel wire mesh screen fits between the rear seat and the trunk compartment. Gives extra protection; it's bolted from the trunk side; cannot be dismantled from the passenger side. Available on Convertibles only. Note: Spare tire wheel cover is available only through your dealer while supply lasts. (D)

G. RED FENDER LINERS (Code 522)

Red heavy-duty plastic liners for the front fender skirts and rear wheelhouse areas give every Tempest added dash and flair. Not available on Station Wagons. (F,D)

H. VACUUM GAUGE

Available with console only. Vacuum gauge measures manifold vacuum—lets you know when you're driving in the most economical fuel range. (D)

I. IGNITION AND STARTER SWITCH LAMP (Code 422)

Turn on your parking lights and a special light makes the ignition switch immediately visible. No more fumbling to find the keyhole. (F)

J. SAFEGUARD SPEEDOMETER (Code 442)

Warns of excess speed. Control knob lets you select desired speed limit. Buzzer signals when car exceeds this speed. Not available with Rally Cluster. (F)

K. INSTRUMENT PANEL COURTESY LAMP (Code 411)

Lights when front door is opened. Also manually operated with panel switch located under the instrument panel. Standard on Convertibles. (F,D)

L. HIGHWAY EMERGENCY KIT

Includes antenna emergency flag, fire extinguisher, tire inflator and warning flares and extra fuses. (D)

A. Remote-Control Outside Mirror ▲

J. Tachometer ▼

TEMPEST • TEMPEST CUSTOM

LE MANS • TEMPEST SAFARI • GTO

A. REMOTE-CONTROL OUTSIDE MIRROR
(Code 394)

Mounts on left-hand door. Convenient and easy to adjust from inside car. (F,D)

B. FRONT SEAT SHOULDER STRAPS (Code 434)

Give extra security by keeping the torso erect in case of sudden stops. Available with all seat belts for driver and front seat passenger. One end is anchored to the floor, the other end is anchored at the roof rail above the driver or passenger on all models except Convertibles where it anchors at the rear inner quarter panel. The shoulder strap is worn diagonally across the torso in conjunction with your seat belt. It has a pushbutton buckle release. (F,D)

C. SEAT BELT RETRACTORS FOR STANDARD REAR SEAT BELTS

Not recommended for buckle half of the seat belt. The retractors hold belts snugly against the rear seat when they're not in use. (D)

D. CUSTOM FRONT AND REAR SEAT BELTS WITH RETRACTORS (Code 701)

On 4-door models Custom Seat Belts with retractors in both front and rear seats. On 2-door models Custom Seat Belts with retractors in front seat; Custom Seat Belts less retractors in rear seat. On Station Wagons, Custom Seat Belts with retractors in both front and rear seats. Pushbutton on buckle releases belt which then retracts when not in use. Seat belt colors harmonize with interiors. (F)

E. CENTER REAR SEAT BELTS (Code 432)

Add a third seat belt to your rear seat for the passenger who rides in the center. Select Custom or Standard Belts.

F. CUSTOM SPORTS STEERING WHEEL (Code 471)

Handsome "just like wood" appearance. Has three equally spaced, brushed stainless steel spokes. Horn button in center. (F)

G. HOOD RETAINERS

Enthusiasts will recognize them immediately. Double locking protection at all times with dual stainless steel posts to keep the hood secured. Chrome finished. (D)

H. RALLY STRIPE PACKAGE

Get the Sports Car appearance. Rally stripe goes from the front of the hood, over the top to the rear edge of the deck. Available in Red, Black, White and Blue. (D)

I. DUAL STAGE, HEAVY-DUTY AIR CLEANER
(Code 361)

Dual filter design consists of wetted paper inner filter surrounded by a special polyglycol wetted polyurethane foam outer filter. These two filters give finer filtration, extended service. Not available on the 4 barrel OHC 6 cylinder engine or GTO with 4 barrel engine. (F,D)

J. TACHOMETER

New hood-mounted design, installed outside the car in front of the windshield, in line with the driver. Offers easy, instant reading—minimum of distraction. (D)

A. Litter Basket ▲

C. Custom Foam Cushion—Front Seat ▲

B. Tonneau Cover ▲

D. Visor Vanity Mirror ▼

F. Engine Block Water Heater ▲

G. Spare Tire Lock ▼

TEMPEST • TEMPEST CUSTOM

LE MANS • TEMPEST SAFARI • GTO

A. LITTER BASKET

Clings to transmission tunnel. Weighted to prevent tipping, empties easily. Available in red, blue, black, beige. (D)

B. TONNEAU COVER

Protect your Convertible interior from hot sun when the top is down. Made of sturdy vinyl, it snaps on and off in a jiffy. Can be left on when driver is alone in the car. (D)

**C. CUSTOM FOAM CUSHION—FRONT SEAT
(Code 371)**

For front bench seat only. Custom 2¼" foam pad reduces shocks, gives a more relaxing ride. Available only on Tempest and Tempest Custom models. Standard with Strato-bucket seats. (F)

D. VISOR VANITY MIRROR (Code 391)

Mounts on back of visor. Out of sight when not in use. Ideal for checking makeup, combing hair, etc. (F,D)

E. CHROME TISSUE DISPENSER

Holds a regular-size box of tissues. Swings back under the center of the control panel when not in use. Locks in place. Not available on cars equipped with air conditioning. (D)

F. ENGINE BLOCK WATER HEATER

Electric pre-heater for engine coolant provides fast, effortless starts, quick heater action during severe cold. Single unit raises engine coolant overnight from 0° F to 50° F, dual unit to about 90° F. Operates from standard house electrical outlet. (D)

G. SPARE TIRE LOCK

Prevents theft of spare tire and wheel in trunk. (D)

A. Safe-T-Track Differential ▲

B. Exhaust Tailpipe Extensions ▲

C. Rally Gauge Cluster and Tachometer ▲

F. Transistorized Voltage Regulator ▼

TEMPEST • TEMPEST CUSTOM

LE MANS • TEMPEST SAFARI • GTO

A. SAFE-T-TRACK DIFFERENTIAL (Code 731)

Minimizes the hazard of getting stuck. Power is directed from one driving wheel to the other, always the one with the best grip on the road surface. Sure handling through rutted roads, on sand or gravel, over bumps or chuck holes, through heavy snow, on wet or icy roads. (F)

B. EXHAUST TAILPIPE EXTENSIONS (Code 482)

Two gleaming extension pipes for dual exhaust systems; one extension for OHC L-6 4-bbl engine. (F,D)

C. FRONT WHEEL DISC BRAKES (Code 521)

Includes Power Brakes. Available on Tempest, Tempest Custom, Tempest Safari, Le Mans and GTO. (F,D)

D. RALLY CLOCK (Code 474)

Features sweep second hand and special built-in automatic self regulator. Illuminated dial for easy night reading. Not available with Rally Cluster Option (code 444). (F,D)

E. RALLY GAUGE. CLUSTER, AND TACHOMETER (Code 444)

Includes 250° sweep tachometer, speedometer, oil pressure and water temperature gauges—plus fuel indicator and battery tell-tale light. (F).

F. TRANSISTORIZED VOLTAGE REGULATOR (Code 664)

Increases battery life, provides voltage regulation. No moving parts or breaker points. Especially valuable in cold-weather areas and on cars requiring heavy electrical loads. (F)

G. SUPERLIFT SHOCK ABSORBERS, REAR (Code 634)

Help maintain a level ride when trunk or trailer-tongue loads are extra heavy. Adjustable air spring is built into rear shock absorber. Equipped with tire-type air filler valve for simple air fill at filling stations. (F,D)

H. CAPACITOR DISCHARGE IGNITION SYSTEM (Code 671)

The finest of ignition systems. Gives ignition without condenser or mechanical contacts. Combines increased high-speed output with greater ignition stability. Lengthens spark plug life, is rugged and waterproof. Available as option for premium fuel engines only. Not available on cars with AM-FM radio. (F)

I. DUAL EXHAUSTS (Code 481)

Cuts down back pressure in exhaust system, adds to engine efficiency. Available on 326 V-8 regular fuel engine only. Standard on GTO models and 326 HO V-8 engines. (F)

A. Cushion Topper ▲

TEMPEST • TEMPEST CUSTOM

LE MANS • TEMPEST SAFARI • GTO

A. CUSHION TOPPER

Added front seat comfort. Sleek rayon with foam backing available in five colors to match interiors. (D)

B. CAR COMPASS

Dependable with special compensator for in-car use. Illuminated dial. (D)

C. FIRE EXTINGUISHER

A 5-lb., dry chemical fire extinguisher for all types of fires, including grease, oil, gasoline and electrical. It's rechargeable. (D)

D. DOOR EDGE GUARDS (Code 382)

These bright, stainless steel strips help prevent nicks and scratches on door edges. (F,D)

E. HEAVY-DUTY BATTERY (Code 678)

This 61 amp. hr. battery provides longer life, greater power and increased cranking ability. Its "thru the partition" cell connection structure adds wattage. Keeps your power accessories operating efficiently. (F,D)

F. TRUNK AUXILIARY FLOOR MAT (Code 362)

A heavy-duty, rugged, solid vinyl floor mat gives extra protection for trunk compartment as well as for cargo. Not available on Station Wagons. (F,D)

G. FULL-WIDTH FLOOR MAT (Front only)

Long-lasting, easily removed for cleaning. Extends over center tunnel, protects whole floor. Available in six Pontiac colors. (D)

H. DUAL HORNS (Code 494)

Emit a loud, commanding sound. Available on Tempest, standard on all others. (F,D)

I. REAR DOOR LOCK GUARDS (4-Door Models Only)

Prevents children from unlocking and opening rear doors. When buttons are down and lock guards are pushed in, rear doors can't be opened without inserting key into lock button. 1.—Unlocked position. 2.—Regular locked position. 3.—Guard Lock position. Any one of your car keys may be used to unlock the Lock Guards. (D)

J. FLOOR MATS, FRONT (Code 631)

REAR (Code 632)

Keep car looking new. Easily removed for washing. Available in six Pontiac colors to harmonize with interiors. (F,D)

K. DELUXE STEERING WHEEL (Code 462)

Horn activator bars recessed into each of the two wheel spokes. Available on Tempest (part of Decor Group). Standard on all other series. (F)

TEMPEST SAFARI

STATION WAGONS

A. REMOVABLE SKI CARRIER ADAPTER

Attaches to Station Wagon permanent luggage carrier in minutes. Carries up to six pairs of skis. Has key lock for added protection against ski theft. (D)

B. UTILITY PAD

Doubles as rear load area pad whenever needed. Constructed of durable, resilient coated fabric. Available in two-tone combinations of gray and blue, brown and green or black and red. (D)

C. STATION WAGON REAR WINDOW DEFLECTOR (Code 378)

Horizontal metal vane directs air stream down onto rear window, helps keep it free of dust. Also promotes quieter ventilation of interior when cowl vents are open, side windows closed and rear window open. (F,D)

D. POWER TAILGATE WINDOW (Code 542)

Conveniently located switch raises or lowers tailgate window with touch of finger. Makes it easier to open tailgate. (F)

E. TAILGATE WINDOW SCREEN

Lets you keep the tailgate window open when camping. Screens out bugs. Made of fine, reinforced mesh. Held in place by raising window part way. (D)

F. GAS CAP LOCK

Prevents fuel theft. Separate Key. Non-vented. (D)

G. CHROME LUGGAGE CARRIER (Code 512)

Handsome, sturdy. Carries plenty of luggage, allowing extra passenger space inside. Handy side rails provide easy tie-down. Permanently installed on Station Wagons. (F,D)

H. LUGGAGE CARRIER COVER—RAKPAK

Water- and dust-resistant fabric protects luggage. Side opening can be locked. Cover folds flat for off car storage. For Station Wagon Luggage Rack. (D)

I. REAR DOOR WINDOW SCREENS

Great for campers, children, pets. Attaches permanently to inner rear door window frames. Windows may be raised or lowered without removing screens. (D)

A. CUSTOM WHEEL DISCS (Code 452)

Made of chrome-flashed stainless steel with gray matte finish; black matte panels are surrounded with gleaming chrome. A three-pronged spinner adds a look of ruggedness. The center of the spinner is black plastic insert with red "PMD" letters framed in chrome. (F,D)

B. WIRE WHEEL DISCS (Code 452)

For that special flair and sports-car look. Gleaming wire spokes handsomely styled and structurally strong. (F,D)

C. RALLY I WHEELS (Code 454)

Functional and sporty. Large openings provide maximum cooling for brakes. Includes stainless steel cap, chrome-plated wheel nuts and stainless steel full trim ring. (F)

D. RALLY II WHEELS (Code 453)

These are specially styled, 14-inch steel wheels with a new center emblem. They have a stainless steel trim ring and chrome wheel nuts. Available with Front Wheel Disc Brakes. Available on all Tempest Series. (F)

E. DELUXE WHEEL DISCS (Code 461)

Made of chrome-flashed stainless steel with polished ribs and alternating cutouts and gray matte panels. A black plastic insert forms the center hub ornament with red "PMD" letters framed in chrome. (F,D)

F. CONSOLE WITH 3-SPEED OR 4-SPEED MANUAL TRANSMISSION (Code 472)

Available on Le Mans with bucket seats (except 4-Door Hardtop) and GTO series. Finished with wood grain appearance. On both 3- and 4-speed transmission, the standard shift knob features a shifting diagram. (F)

G. CONSOLE WITH AUTOMATIC TRANSMISSION (Code 472)

Available only on Le Mans with bucket seats (except 4-Door Hardtop). Finished with wood grain appearance. (F)

H. CONSOLE FOR TURBO HYDRA-MATIC TRANSMISSION (Code 472)

Available on GTO only. Finished with wood grain appearance. (F)

I. CUSTOM GEARSHIFT KNOB (Code 524)

Walnut-appearing Gearshift Knob for 3- and 4-speed manual floor shift. Has ebony-appearing Pontiac Crest with shift position designations. Available on all models. (F,D)

J. HEADREST (Code 572)

Provides extra protection and comfort. Bolster is covered in handsome, long wearing Morrokide in colors complementary to the interiors. Available with bench seat (code 572) or bucket seats (code 571). (F)

K. RECLINING BUCKET SEAT—PASSENGER SIDE ONLY (Code 578)

Reclines at 45° angle, allows passenger to stretch out and relax. Headrests (code 571) are included for both passenger and driver with Reclining Bucket Seat. (F)

L. CUSTOM CARPET (Code 511)

Loop pile, nylon blend carpet. Handsome and long-wearing. Optional at extra cost on Tempest. Standard on all other Tempest series. (F,D) (Not illustrated)
