

1982 PONTIAC GRAND PRIX

Grand Prix Brougham. Our top-of-the-line, now with the stylish new available Landau Package (shown behind). Other available features also shown.

You are in for a treat.

GRAND PRIX BROUGHAM. Our 1982 Grand Prix Brougham is the Beau Brummel of Pontiacs. Elegant. Sophisticated. And quite possibly one of the most comfortable

automobiles you will ever own.

Soft, 60/40 loose-pillow seats are standard on Brougham. There's thick, cut-pile carpeting. And a handsome instrument panel to keep you in touch with the stand-

ard V-6 during travel.* For the best Brougham efficiency, a V-8 diesel is available.**

For even more distinction, the '82 Brougham can be dressed up with the stylish new available Landau Package.

IMPORTANT: A WORD ABOUT THIS CATALOG.

We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information you

will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date.

The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Pontiac dealer for complete information.

*See enclosed model engine sheet for mileage ratings.

**Requires air conditioning.

GRAND PRIX BROUGHAM ELEGANCE. This new available Landau Package interior is our interpretation of "the lap of luxury." The standard 60/40 loose-pillow seats in Prima cloth, and luxury level acoustics will help you relax even after your roughest day. Other available features also shown.

GRAND PRIX LJ. You might call this our Grand Prix d'Amérique. Because it's for people who love to drive, and who feel the "long way" is the only way to go.

It's slim. And sleek. And just slightly sensational. With luxury notchback seats and fold-down center armrest. Power steering and brakes. Automatic transmission.

Added acoustical insulation. And dual sport mirrors, all standard. And all designed to make every trip you make an exciting LJ experience.

GRAND PRIX. Exciting. Comfortable. And affordable. That's Pontiac Grand Prix for 1982. With a choice of efficient engines that help make it right for today. And exten-

sive anti-corrosion protection and 30,000 miles between recommended spark plug changes, under most operating conditions, that help make it an exceptional value.

Grand Prix, Grand Prix LJ, Grand Prix Brougham. Pontiac excitement for 1982. The kind you can see, feel and experience right now at your Pontiac dealer.

Grand Prix LJ. Sleek, slippery, and so very exciting. Bucket seats, removable hatch roof and landau top are among the available features shown.

GRAND PRIX LJ EXCITEMENT.

You'll feel it once you slip inside and grasp the standard luxury cushion steering wheel. For even more excitement, rally instrumentation with trip meter & tach, floor-mounted gearshift and console are among the available features you can order. Other available features also shown.

This very stylish padded landau top with formal rear window is included on Grand Prix Brougham with the available Landau Package. Rear window defogger also available.

Sporty hatch roof with removable glass panels is available.

Handy dome reading lights are available on all Grand Prix's.

Tune up your Grand Prix with optional Delco-GM AM/FM stereo cassette.

Convenient 6-way power seat is available.

Available tilt steering wheel for added convenience and comfort.

Glass or steel power sunroofs are available on all Grand Prix's.

Hinged door handles are standard on Grand Prix Brougham & LJ.

Power windows and door locks are available on all Grand Prix's.

Cruise control with resume-speed feature is available.

Smart looking Rally IV wheels with trim rings are available.

A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THESE PONTIAC PRODUCTS.

The Pontiacs described in this brochure are assembled at facilities of General Motors Corporation operated by Pontiac, GM Assembly Division or GM of Canada. These vehicles incorporate thousands of different components produced by various divisions of General Motors and by various suppliers

to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Pontiac products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Pontiac products and will provide the quality performance associated with the Pontiac name.

With respect to extra cost optional equipment,

make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer.

Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes the optional equipment you ordered or if there are changes, that they are acceptable to you.

STANDARD FEATURES ON 1982 GRAND PRIXS

- Speedometer graduated in kilometers per hour as well as miles per hour (odometer registers miles)

A WORD ABOUT ENGINES:

Some Pontiacs are equipped with engines produced by other GM divisions, subsidiaries or affiliated companies worldwide. See model/engine sheet or your dealer for details.

THE GM CONTINUOUS PROTECTION PLAN.

The GM Continuous Protection Plan is now available to anyone purchasing a new Pontiac. It is one of the most extensive programs of its kind, providing added repair protection (over and above the usual Pontiac limited warranties) against the cost of UNEXPECTED REPAIRS plus an allowance for towing expenses during and after the GM New Vehicle Limited Warranty period. And it's transferable.

The Plan covers up to ten major assemblies (inc. engine, front-wheel drive, factory air conditioning, even the electrical system) plus most seals and gaskets.

The Plan offers an allowance toward the cost of a RENTAL VEHICLE should your car be inoperable and kept overnight for repairs (for any failure covered by the GM New Vehicle Limited Warranty or this plan).

The Plan also provides an allowance for TOWING or EMERGENCY ROAD SERVICE in the event any part covered by the Plan should fail—and during the New Vehicle Limited Warranty period if your car is disabled for any reason at all.

The GM Continuous Protection Plan lets you cancel within 60 days and receive a full REFUND, providing you have filed no claims under the Plan. Best of all, the GM Continuous Protection Plan is honored at participating Pontiac and other GM dealers across the country.

See your Pontiac dealer today about the length of coverage you need with this exciting GM Protection Plan. (Available in United States and Canada only.)

GRAND PRIX FACTS & FIGURES

Now that you've decided on a Pontiac, you're ready for the next step: selecting the combination of "extras" that will make it uniquely yours. Take your time and study Pontiac's long list of standard and available features. Then see your dealer.
