

# SUNBIRD

PONTIAC 1986

## PONTIAC SUNBIRD GT

*For 1986, another Pontiac favourite goes GT, and with it, fun takes on a whole new dimension.*

*Introducing Sunbird GT. The look is aggressive. The lines, distinctive. The excitement...pure Pontiac!*

*The Sunbird that sets the pace for '86 just has to be GT! It boasts partially hidden headlamps and a rear deck lid spoiler, black wheel opening flares (except sedan) and black body side mouldings.*

*Powering Sunbird GT is a 1.8 litre turbocharged 4-cylinder engine with multi-port fuel injection, matched to a 4-speed gearbox.*

## PONTIAC SUNBIRD

*Standard on Sunbird and Sunbird SE are a 4-speed gearbox and a 2.0 litre engine with electronic fuel injection. Or, opt for either the available fuel-injected 1.8 litre engine (standard on the convertible) or the turbocharged engine (standard on GT, not available on wagon). And for a touch of luxury, order the LE package (available on sedan and wagon only).*

*Inside Sunbird, the focus is on function, with everything in a clear line of sight. Distinctive new backlit graphics are standard. A turbo performance package that offers a special boost gauge, tachometer and trip odometer is available. Plus, there's a new available 4-spoke leather steering wheel, newly designed seats, and an available 4-way seat adjuster (not offered on sedan or wagon).*

*While Sunbird Wagon may appear to be your most practical choice, its main purpose is fun! Fold down the rear seat for beach gear or lots of luggage. Standard side window defoggers, plush cut-pile carpeting, and available dual front and rear speakers make Sunbird Wagon even more fun.*

# 1986 PONTIAC SUNBIRD FACTS & FIGURES

Select the combination of "extras" that make your Pontiac uniquely yours from the long list of standard and available features, some of which are given below. Ask your dealer about group packages and the many other features not indicated below. Your dealer will also advise you of the availability of the various items on the model of your choice.

## A word about engines

These Pontiacs are equipped with GM-built engines produced by various divisions and affiliates of General Motors Corporation and GM of Canada.

Order Code	Displacement	Carb. bbl.	Cyl.	V.I.N.	*Source	Transmission
LQ5	2.0 litre (122 CID)	EFI	4	P	(1)	4-speed Manual O.D. Automatic
LH8	1.8 litre (112 CID)	EFI	4	0	(2)	5-speed Manual O.D. Automatic
LA5	1.8 litre (112 CID)	MFI Turbo	4	J	(2)	4-speed Manual O.D. Automatic

\*Produced by GM (1) Chevrolet Division USA (2) GM Brazil

†The V.I.N. (Vehicle Identification Number) Engine Code is the eighth entry (letter or numeral) from the left on the vehicle serial number plate. The vehicle serial number plate is located on the top portion of the driver's side of the instrument panel and can be viewed from the exterior of the car by looking through the windshield.

## STANDARD FEATURES ON ALL PONTIACS

### SAFETY FEATURES

OCCUPANT PROTECTION • Manual lap/shoulder belts for driver and right front passenger (driver side includes visual and audible warning system). • Manual lap belts at each rear seat position, (and centre front, when applicable) • Energy absorbing steering column • Energy absorbing instrument panel • Energy absorbing front seat back tops • Laminated safety windshield glass and tempered safety side and rear window glass, (except plastic rear window, Sunbird convertible) • Safety interlocking door latches • Passenger-guard inside door lock handles • Inertia-locking, folding front seat backs, (manual release, Firefly) • Safety armrests • Head restraints, driver and right front pass. (adjustable/integral) • Dual sun visors • Smooth contoured door and window regulator handles • Pressure lock radiator cap.
