**Guaranteed
Satisfaction**

We want our customers to be totally satisfied with their decision to purchase a new Oldsmobile. That's why we give them up to 30 days or 1,500 miles, whichever comes first, to return their vehicle to the selling dealership and receive full credit toward the purchase of another new Oldsmobile.

Some warranties just cover some parts. Others charge a deductible. Our warranty covers every part of every new Oldsmobile except tires, which are already covered by their manufacturer. And, there is no deductible. That means Oldsmobile owners are completely covered for any defects in materials or workmanship for 3 years or 36,000 miles, whichever comes first.

**Bumper-To-Bumper
Warranty**

THE MOST COMPLETE COMMITMENT TO OWNER SATISFACTION IN THE INDUSTRY.

**Courtesy
Transportation**

The Oldsmobile Edge also takes care of our customers while we're taking care of their vehicles. Any time an Oldsmobile is undergoing a warranty-covered repair, we'll see that the driver has transportation to his destination. For same-day repairs, it's a shuttle ride up to the maximum limit of 10 miles. For overnight repairs, reimbursement for up to \$30 per day for rental car, cab fare or bus ticket.

There's not a place in the United States where we can't assist a new Oldsmobile driver in an emergency. During the warranty period, we'll be just a phone call away. Whether the owner needs towing, locks the keys inside the vehicle, runs out of gas, has a flat tire, whatever—a call to our toll-free number will send help quickly. Twenty-four hours a day, 365 days a year.

**24-Hour Roadside
Assistance**
