

2007 PONTIAC VIBE

Life isn't one-dimensional. So why are most cars that way? Last time we checked, there was a giant world out there. Too big for categories. Too fast for anything that can't keep up. When you seize every one of life's moments that make it change with every turn, you've got the Vibe. It's a Vibe that's big and small. A Vibe that's fun and serious. A Vibe that's flexible and wired. A Vibe that's never the same as yesterday. Just like life. Ready for anything it sends your way. The 2007 Pontiac Vibe. Designed for action.

Vibe shown in Platinum with optional equipment.

1 Cargo and load capacity limited by weight and distribution. 2 This rating based on vehicle being equipped with automatic transmission and ball hitch. Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Pontiac dealer for additional details. 3 Not available with XM Satellite Radio. 4 Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the vehicle Owner's Manual and child safety seat instructions for more information. 5 Head-curtain side air bags are designed to help reduce the risk of head injuries to front and outboard rear-seat occupants during certain side-impact collisions. 6 Included and available only with four-wheel antilock brakes or Security Package. 7 Requires Preferred Package. 8 Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. 9 Requires Sun and Sound Package. 10 Requires four-speed automatic transmission, four-wheel antilock brakes and Preferred Package. Not available with 17-inch cast-aluminum wheels. 11 Power door locks are not programmable when five-speed manual transmission is ordered. 12 RDS functions only where stations broadcast RDS information. 13 XM is available only in the 48 contiguous United States. Service fees apply. Visit gm.xmradio.com for more details. 14 Requires Monsoon premium speaker system and AM/FM stereo with CD player. 15 Requires four-wheel antilock brakes.
