

Imminent arrival. Instant departures.

Coming early 2008: The all-new Pontiac G8 performance sedan. Its standards could hardly be higher: rear-wheel drive, performance-tuned independent suspension, 256-hp aluminum V6 and a 5-speed automatic with Driver Shift Control (DSC). Still, G8 GT manages to raise the bar with a 6.0L V8 that produces 361-hp, a six-speed DSC automatic and 0-60 launch times in the low 5s. With Active Fuel Management™ on GT models, four cylinders shut down during highway cruising to enhance fuel economy.* G8 is the sedan that delivers performance.

G8 GT shown in Panther Black Metallic with available equipment; 19-inch wheels included in available Sport Package.

*Estimated MPG 17 city, 25 highway (G8) and 15 city, 24 highway (G8 GT) with automatic transmission. Fuel economy estimates based on GM testing. Official EPA estimates not yet available.

Emergency kit		Shift knob
Floor mats - premium carpet		Smoker's Package
Molded hood protector		

1 Fuel economy estimates based on GM testing. Official EPA estimates not yet available. 2 Cargo and load capacity limited by weight and distribution. 3 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Pontiac dealer for additional details. 4 Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information. 5 Includes larger front and rear rotors. 6 Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. 7 Tire Pressure Monitoring System does not apply to spare tire on G8 Sedan. 8 Requires Comfort and Sound Package. 9 Requires Premium Package. 10 Includes rear center armrest when Premium Package is ordered. 11 Requires Sport Package. 12 Some accessories may not be available on all models. See dealer for details.
