

The urban authority.

Ideally, a crossover vehicle is the best of both worlds, combining SUV capability and road presence with excellent ride and handling. In reaching that ideal, Torrent adds a third value. Urban sophistication. Standard V6 power, five-speed automatic transmission, Sport-Tuned suspension, a choice of front- or all-wheel drive and an interior executed more like a premium sport sedan than a utility vehicle. The only higher authority? Torrent GXP.

Torrent GXP AWD shown in Sonoma Red Metallic.
