

## Vibe versatility: More with less.

---

Over its athletic, ground-hugging stance, Vibe is cunningly generous with five-passenger seating and 54 cubic feet of maximum cargo room,\* more than Mazda3 five-door and Dodge Caliber.† And it's just fun to drive with an energetic 126-hp VVT-i engine and five-speed manual transmission or available four-speed automatic. Combining the best of a sedan, small SUV and sports car, it offers better highway fuel economy than the Dodge Caliber, Scion xB and even the Ford Escape Hybrid\*\* — making Vibe anything but square.

\* With second-row seats folded down. Cargo and load capacity limited by weight and distribution.

† All competitive comparisons based on the latest information available at time of printing.

\*\* EPA estimated 33 MPG hwy. Scion xB 28 MPG hwy. Ford Escape Hybrid 30 MPG hwy. 2007 Dodge Caliber 29 MPG hwy. (Some 2008 competitor EPA figures not yet available.)

Vibe shown in Platinum with available accessories.
