

FUN TO DRIVE. SWEET STANDARD FEATURES. UNEXPECTED VALUE.

Sure, the G3's small. Small and unbelievably stacked, that is. With standards like one year of OnStar; an AM/FM stereo with a CD player, six speakers and an MP3 input jack; fog lamps; and a rear spoiler; you can finally have your fun and keep the value. But that's not all. Its surprisingly ample interior space and tiny turning diameter of 34.6 feet wall-to-wall let you enjoy all your toys in a car that's bigger inside than out.
