R SPEC™ HIGH FRICTION BRAKE PADS<sup>1</sup>

REAR WIND DEFLECTOR

REAR SPOILER WITH INTEGRATED ANTENNA

<sup>1</sup> R Spec™ High friction brake pads are intended for high performance driving and for driving conditions requiring added braking demand. Depending on your driving habits, you may experience increased brake dust and noise as well as faster wear of the brake pads and rotors, resulting in more frequent replacement of these components. Replacement of these components is not covered by the vehicle limited warranty. At [InfinitiUSA.com](http://InfinitiUSA.com), you'll find virtual product demonstrations, a way to "build your own Infiniti," a retailer locator, and more information about key Infiniti support services. Always wear your seat belt, and please don't drink and drive. ©2010 INFINITI.
