

WRX / WRX STI

2017

The best-handling, best-performing WRX and WRX STI ever.

Kelley Blue Book's KBB.com has named Subaru
the Best Performance Brand of 2016.¹

— Kelley Blue Book's KBB.com

Cornering

The WRX has all the hardware needed to corner with grace and speed. Starting with the suspension, the WRX has an enviable setup—a rigid unibody chassis with reinforced suspension mounting points, aluminum front lower control arms with pillow ball joint mounts, and a double-wishbone rear suspension with pillow ball bushings. Aided by its sticky Dunlop® Sport Maxx RT tires, the WRX achieves a remarkable 0.96g of lateral grip.² Add Subaru Symmetrical All-Wheel Drive, and you've got a recipe for world-class handling performance.

Responsiveness

Having excellent grip is only one half of the handling equation. The other half is the driver's sensation of control and precision, which the WRX delivers with a quick 14.4:1 steering ratio, and the cornering poise provided by Active Torque Vectoring. Add in available 18-inch wheels with inverted front struts for even less unsprung weight and more cornering response.

Power

It was voted "one of *Wards* 10 Best Engines of 2016" for good reason—its 268-hp 2.0-liter direct-injection twin-scroll turbocharged SUBARU BOXER® engine makes power smoothly, efficiently, and instantaneously. Matched to either with the traditional 6-speed manual transmission or the Sport Lineartronic™ transmission with SI-DRIVE and paddle shifters, the WRX engine is a modern engineering marvel.

Safety

The WRX backs up its potent performance features with appropriately robust safety measures. With a standard Rear-Vision Camera, and available Blind-Spot Detection and Rear Cross-Traffic Alert,³ the WRX received a 2016 IIHS Top Safety Pick+ rating when equipped with optional EyeSight® Driver Assist Technology.⁴ Performance and safety don't have to be mutually exclusive.

“It bites. It turns in. This is a Porsche 911 fighter for a third of the price. Oh, and one of the best cars you can buy today.”

— Jalopnik.com, April 2014

Cornering

The WRX STI is laser-focused on handling with a track-tuned suspension that features standard inverted front struts and aluminum front lower control arms for low unsprung weight, an attribute further enhanced by the available lightweight BBS® wheels. The standard Dunlop® Sport Maxx RT tires help the WRX STI achieve monstrous grip—0.97g to be exact.¹ And it's all underpinned by Subaru Symmetrical AWD with Driver Controlled Center Differential (DCCD), dual limited-slip differentials, and Active Torque Vectoring, so you can hit your apexes and nail your exits with control, precision and speed.

Responsiveness

The WRX STI driving experience is a synergy between driver and car that's all too rare. You'll feel an invigorating sense of control, thanks to the ultra-quick 13.3:1 steering ratio, rigid unibody chassis and powerful Brembo® high-performance braking system, which helps you stop with authority. For more stability at higher speeds, the WRX STI's signature rear wing adds downforce for added control.

Power

It's a potent, race-proven package—a 305-hp 2.5-liter turbocharged SUBARU BOXER® engine coupled with a precise and durable 6-speed, close ratio transmission and SI-DRIVE for on-the-fly performance adjustments. Invigorating horsepower and addictive torque are always on tap, rocketing the WRX STI to a 0-60 time of just 4.6 seconds.¹

¹ Based on *Motor Trend* testing of 2015 WRX STI. March 2014.

Heritage

For more than two decades, Subaru Tecnica International (STI) has applied lessons learned in motorsports to Subaru automobiles, enhancing performance through engineering that inspires confidence in drivers. Their holistic approach to performance results in vehicles that are more communicative, responsive, and easier to drive in more demanding situations.

WRX

Multifunction Display

WRX design accents

SUBARU STARLINK™ Multimedia Systems

A new level of refinement and comfort.

Every drop of blood, sweat, and tears that went into the WRX would all be in vain if drivers and passengers weren't well taken care of. As a standard feature, SUBARU STARLINK™ gives you easy access to Pandora®, iHeart® Radio, Stitcher™ and Aha,™ and connects via Bluetooth® or a USB port to both Android™ and Apple® smartphones.¹ It'll read and display incoming texts² and you can control it easily with voice commands, steering-wheel-mounted controls or the high-definition touchscreen, and it's also compatible with Siri® Eyes-Free for even more convenience. Dial up the entertainment even more with the available 440-watt equivalent premium audio system with 9 Harman Kardon® speakers.

WRX Limited with Carbon Black Leather and optional equipment.

STI

Comfort and control from entry to apex.

The racer's touch is apparent when you settle into the bolstered, WRX STI-exclusive Alcantara®-lined performance-design front seats and grip the leather-wrapped flat-bottom sport steering wheel, grab the shift knob and get ready to go. For such a serious performance car, you may be surprised to know the WRX STI has class-leading cargo space, as well as standard SUBARU STARLINK™ for easy access to Pandora®, iHeart® Radio, Stitcher™ and Aha,™ and connects via Bluetooth® or a USB port to both Android™ and Apple® smartphones.¹

WRX STI with Carbon Black Leather/Alcantara® and optional equipment.

Electroluminescent Gauges

SI-DRIVE

¹ Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. ² STARLINK can read incoming texts out loud when the vehicle is traveling at speeds over 5 miles per hour, and can display incoming texts on screen when the vehicle is traveling at speeds lower than 5 miles per hour. ⁷ system required.

Cargo-ready. Passenger-ready.

Track-ready.*

An everyday sports car.

Compromises are few, thanks to a 12 cubic-foot trunk, 60/40 split-folding rear seatbacks, expansive rear legroom, and widened door openings. It's a commuter, an errand-runner, and a track-day weapon, all wrapped into one. Leave your dedicated sports car in the garage. Park the truck. Put your trailer in storage. This one can do it all.

*We do not recommend racing your vehicle. Racing may void the vehicle warranty. See Warranty Maintenance Booklet for details. If you do race the vehicle, do it safely and lawfully on approved racing tracks. Drive responsibly at all times and obey all traffic laws.

“The Subaru WRX is the **longest-lasting turbocharged AWD** in its class.”¹

IHS Automotive

Kelley Blue Book’s KBB.com named the 2016 Subaru WRX **Best Resale Value** in its class².

2017 WRX & WRX STI | Trim Levels

WRX

WRX

- 268-hp twin scroll turbocharged 2.0-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission
- Sport-tuned suspension
- 17-inch aluminum-alloy wheels
- Low profile trunk spoiler
- Cloth upholstery
- Leather-wrapped flat-bottom steering wheel
- SUBARU STARLINK™ 6.2" Multimedia system with Pandora,® iHeart® Radio, Stitcher,™ and Aha™ smartphone app integration;⁵ high-resolution LCD touchscreen display, 6 speakers, AM/FM/CD player, HD Radio® with iTunes® tagging capability, USB port/iPod® control, SiriusXM® Satellite Radio,⁶ Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- Sport-design electroluminescent gauges with 3.5-inch color LCD display
- 4.3-inch color multifunction display
- Automatic climate control
- Rear-Vision Camera
- 7 airbags

WRX Premium

- Includes WRX key features and adds:**
- Optional Sport Lineartronic™ Transmission with paddle shifters, 6- and 8-speed manual modes and SI-DRIVE
 - 18-inch aluminum-alloy wheels
 - Fog lights
 - Power-tilt/sliding moonroof
 - All-Weather Package

WRX Limited

- Includes WRX Premium key features and adds:**
- L.E.D. low-beam headlights
 - Auto on/off wiper linked headlights
 - Leather-trimmed upholstery
 - 8-way power adjustable driver’s seat
 - Welcome lighting
 - SUBARU STARLINK™ 7.0" Multimedia Plus system with Pandora,® iHeart® Radio, Stitcher,™ and Aha™ smartphone app integration;⁵ high-resolution LCD touchscreen display, voice-activated controls, Siri® Eyes-Free, AM/FM/CD player, HD Radio® with iTunes® tagging capability, USB port/iPod® control, SiriusXM® Satellite Radio⁶ and Travel Link,⁸ Bluetooth® audio streaming and hands-free phone and text messaging connectivity, and 3.5-mm auxiliary jack
 - STARLINK™ Safety Plus enabled⁷

“While the automatic transmission civilizes the 2016 Subaru WRX a little, make no mistake: This car is still **focused on performance** like few others.”³

Kelley Blue Book’s KBB.com, 2016

WRX STI

- 305-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Driver Controlled Center Differential (DCCD) All-Wheel Drive
- Front and rear limited-slip differentials
- 6-speed close-ratio manual transmission
- Brembo® performance braking system
- High-performance STI sport-tuned suspension
- 18-inch aluminum-alloy wheels
- STI trunk spoiler
- L.E.D. low-beam headlights
- Fog lights
- Alcantara®/leather-trimmed upholstery with red bolster accents
- Leather-wrapped flat-bottom steering wheel
- SUBARU STARLINK™ 7.0" Multimedia Plus system with Pandora,® iHeart® Radio, Stitcher,™ and Aha™ smartphone app integration;⁵ high-resolution LCD touchscreen display, voice-activated controls, Siri® Eyes-Free, AM/FM/CD player, HD Radio® with iTunes® tagging capability, USB port/iPod® control, SiriusXM® Satellite Radio⁶ and Travel Link,⁸ Bluetooth® audio streaming and hands-free phone and text messaging connectivity, and 3.5-mm auxiliary jack
- STARLINK™ Safety Plus enabled⁷
- STI sport-design electroluminescent gauges with 3.5-inch color LCD display
- 4.3-inch color multifunction display
- Dual-zone automatic climate control
- Rear-Vision Camera
- All-Weather Package
- Auto on/off wiper linked headlights

WRX STI Limited

- Includes WRX STI key features and adds:**
- High-luster finish 18-inch BBS® aluminum-alloy wheels
 - STI or low profile trunk spoiler
 - Leather-trimmed upholstery
 - 8-way power adjustable driver’s seat
 - SUBARU STARLINK™ 7.0" Multimedia Navigation System: Voice-activated 7-inch multi-touch gesture high-resolution GPS navigation system with SiriusXM® Satellite Radio,⁶ Traffic⁹ and Travel Link,⁸ USB port/iPod® control, Siri® Eyes-Free, Bluetooth® audio streaming, hands-free phone and text messaging connectivity and voice-activated controls for navigation, phone and audio system, 3.5-mm auxiliary jack and Pandora,® iHeart® Radio, Stitcher™ and Aha™ smartphone app integration⁵
 - Keyless Access with Push-button Start and PIN-code vehicle access
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁹
 - Power-tilt/sliding moonroof
 - Welcome lighting

“The WRX STI has assisted the Subaru Rally Team USA to **9-Time Overall Rally America Championship** wins.”⁴

rally-america.com

¹ Based on IHS Automotive, Polk U.S. Total Registrations for all-wheel drive turbocharged cars in the Non-Luxury Traditional Compact Segment for CY2005-2014 and YTD September 2015. ² Vehicle’s projected resale value is specific to the 2016 model year. See retailer for details. ⁸ Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. ⁹ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

2017 WRX & WRX STI | Specifications

Engine and Drivetrain		WRX	WRX STI
Power Torque	2.0-liter DOHC direct-injected, intercooled, turbocharged, aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS). 268 hp @ 5,600 rpm 258 lb-ft @ 2,000-5,200 rpm	●	—
	2.5-liter DOHC intercooled, turbocharged, aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS). 305 hp @ 6,000 rpm 290 lb-ft @ 4,000 rpm	—	●
Intake System	Twin scroll turbocharger with intercooler. Maximum boost pressure: 15.9 psi.	●	—
	Turbocharger with intercooler. Maximum boost pressure: 14.7 psi.	—	●
SI-DRIVE performance management system	Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU) and by fine-tuning the electronically controlled throttle. For WRX models equipped with Sport Lineartronic™ Transmission, SI-DRIVE also adjusts transmission shift characteristics.	○	●
Transmission	Fully synchronized 6-speed manual with carbon first- and second-gear synchros, and Incline Start Assist	●	—
	Fully synchronized close-ratio 6-speed manual with Incline Start Assist	—	●
	Sport Lineartronic™ Transmission with 6- and 8-speed manual modes, paddle shifters and Incline Start Assist. WRX Premium and WRX Limited: Optional.	○	—
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
	Driver Controlled Center Differential (DCCD) All-Wheel Drive	—	●
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path. Includes standard, off and performance-oriented Traction mode.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC applying braking power to the inside front wheel resulting in sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system that, when sensing a loss of traction, reduces engine torque and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●
Fuel			
Fuel Economy	city/highway/combined ²	Manual: 20/27/23 mpg Automatic: 18/24/21 mpg	17/23/19 mpg
Fuel Requirement	Premium unleaded gasoline (91 octane) is required. 93 octane recommended for maximum performance. WRX only: Regular unleaded gasoline, 87 octane may be used.	●	●
Fuel Capacity	15.9 gallons	●	●

2017 WRX & WRX STI | Specifications

Chassis		WRX	WRX STI
Steering	Electric power-assisted quick ratio rack-and-pinion. Ratio: 14.3:1 (14.4:1 for models equipped with 18-inch wheels). Turns lock-to-lock: 2.8. Turning circle: 35.4 feet (36.0 feet for models with 18-inch wheels).	●	—
	Power-assisted quick ratio rack-and-pinion. Ratio: 13.3:1. Turns lock-to-lock: 2.5. Turning circle: 36.0 feet.	—	●
Suspension	Sport-tuned 4-wheel independent suspension. Front: Strut-type (WRX Premium and WRX Limited: Inverted-strut-type). Aluminum-alloy lower L-arm with pillow-ball joint mount. Stabilizer bar. Rear: Double wishbone with lateral link pillow-ball joint bushing. Stabilizer bar.	●	—

Auto-dimming Mirror with HomeLink® This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision, while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

10-inch Powered Subwoofer. Provides powerful, deep bass, and also assists in clean sound reproduction from all vehicle speakers. This is achieved by its integrated 100W amplifier and a passive crossover network. The self-contained unit mounts in the trunk. Manufactured for Subaru of America by Kicker®. Excludes models equipped with Harman Kardon® speaker system.

Body Side Moldings. Color-matched moldings help protect the vehicle's doors from parking lot dings while attractively blending with the lines of the car.

Vortex Generator. Add a stylish look of performance to the WRX or WRX STI with the Vortex Generator.

Side Sill Plates. Handsome, metallic-finished panels dress up the sill plate area of the WRX models. Set includes four pieces.

STI Performance Exhaust Systems. These exhaust systems feature smooth mandrel bend construction to help reduce exhaust flow restriction.

STI System shown. Also available on all WRX models.

STI Front Under Spoiler. STI Front Under Spoiler gives the WRX and WRX STI models a mean, ground-hugging attitude.

All-weather Floor Mats. Custom-fitted, heavy-gauge floor mats help protect the vehicle carpet from sand, dirt and moisture.

Not intended for use on top of Carpeted Floor Mats.

Rear Cargo Tray. Helps protect cargo area from dirt and spills. Can be easily removed and rinsed clean.

Upgraded Speakers. Enhance the sound clarity of your vehicle's audio system with these high-efficiency, two-way speakers manufactured for Subaru by Kicker®. They have quality-constructed injection-molded Poly cones with 20mm silk dome tweeters and a frequency response rated at 30hz to 22khz.

Door Edge Guards. Help protect your door edges from dings and dents with custom-fit, body-color-matched Door Edge Guards. They are easy to install and preserve the appearance of your Subaru while seamlessly blending into the door design.

STI Short-throw Shifter. Significantly reduces shift throw lengths for crisper shifts and sportier driving feel.

WRX STI Shifter shown. Also available on all WRX 6MT models.

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayak scuffs and snowboard scratches. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one will you get?

Durability

It's not disposable. It's family.

Life moves fast. Don't slow it down with a car you can't trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing, and with designs that are inherently tough and resilient. It's why our vehicles excel in the extreme rigors of rally racing. And why 96% of all vehicles sold in the last 10 years are still on the road today!⁴ It's also why Subaru owners are so likely to stay Subaru owners for years and years. What's more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we've done our job.

Warranties¹⁵

New Car Limited Warranty	3 years or 36,000 miles, whichever comes first.	
Powertrain Limited Warranty	5 years or 60,000 miles, whichever comes first.	
Wear Item Limited Warranty	3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:	<ul style="list-style-type: none"> • Brake Pads • Wiper Blades • Clutch Linings • Transmitter Batteries
Rust Perforation Limited Warranty	5 years, unlimited mileage.	
24-hour Roadside Assistance	3 years or 36,000 miles, whichever comes first.	

¹ Requires Sport Lineartronic™ Transmission. Not available on base WRX trim. ² 2017 EPA fuel economy estimates. Actual mileage may vary. ³ Available only with other features. See Optional Equipment listing. ⁴ Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. ⁵ Activation and monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. ⁶ Not available with Sport Lineartronic™ Transmission. ⁷ Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. ⁸ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Departure and Sway Warning and Lane Keep Assist operate only when lane markings are visible and system effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. Please remember to turn off EyeSight when going through a carwash. ⁹ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ¹⁰ The Reverse Automatic Braking (RAB) system is designed to assist the driver by detecting objects, to help avoid a possible collision, when the vehicle is moving in a low speed reverse direction. The system will provide automatic vehicle braking, if an obstacle is detected within its range. This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. ¹¹ Activation and required subscription sold separately. Includes one-year trial subscription. See retailer for details. ¹² The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. ¹³ Activation with subscription is required. See your retailer for details. ¹⁴ Based on IHS Automotive, Polk U.S. VIO Total Registrations MY2006–December 2015. ¹⁵ All Subaru vehicles sold by Subaru of America, Inc., are designed and built for normal driving conditions. The Subaru Limited Warranty, as well as the Added Security program, excludes damage or failure resulting from modifications or participation in competition or racing events. See the Subaru Warranty and Maintenance booklet for further details.

2017 WRX & WRX STI | Accessories

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com

Auto-dimming Mirror with HomeLink® This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision, while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

10-inch Powered Subwoofer. Provides powerful, deep bass, and also assists in clean sound reproduction from all vehicle speakers. This is achieved by its integrated 100W amplifier and a passive crossover network. The self-contained unit mounts in the trunk. Manufactured for Subaru of America by Kicker®. Excludes models equipped with Harman Kardon® speaker system.

Body Side Moldings. Color-matched moldings help protect the vehicle's doors from parking lot dings while attractively blending with the lines of the car.

Vortex Generator. Add a stylish look of performance to the WRX or WRX STI with the Vortex Generator.

Side Sill Plates. Handsome, metallic-finished panels dress up the sill plate area of the WRX models. Set includes four pieces.

STI Performance Exhaust Systems. These exhaust systems feature smooth mandrel bend construction to help reduce exhaust flow restriction.

STI System shown. Also available on all WRX models.

STI Front Under Spoiler. STI Front Under Spoiler gives the WRX and WRX STI models a mean, ground-hugging attitude.

All-weather Floor Mats. Custom-fitted, heavy-gauge floor mats help protect the vehicle carpet from sand, dirt and moisture.

Not intended for use on top of Carpeted Floor Mats.

Rear Cargo Tray. Helps protect cargo area from dirt and spills. Can be easily removed and rinsed clean.

Upgraded Speakers. Enhance the sound clarity of your vehicle's audio system with these high-efficiency, two-way speakers manufactured for Subaru by Kicker®. They have quality-constructed injection-molded Poly cones with 20mm silk dome tweeters and a frequency response rated at 30hz to 22khz.

Door Edge Guards. Help protect your door edges from dings and dents with custom-fit, body-color-matched Door Edge Guards. They are easy to install and preserve the appearance of your Subaru while seamlessly blending into the door design.

STI Short-throw Shifter. Significantly reduces shift throw lengths for crisper shifts and sportier driving feel.

WRX STI Shifter shown. Also available on all WRX 6MT models.

2017 WRX | Sport Package

STI Short-throw Shifter

STI Performance Exhaust System

STI 15-Spoke Black Alloy Wheels¹

Take your **WRX** to the next level.

Give your WRX an exclusive, custom look. The available WRX Sport Package includes four STI 15-spoke black-finish alloy wheels, an STI performance exhaust system, STI short-throw shifter, and an STI shift knob made of high-quality aluminum and leather.

WRX in Dark Gray Metallic with accessory Sport Package.

¹ 17-inch on WRX, 18-inch on WRX Premium and WRX Limited.
