

CIVIC HATCHBACK

2017

THE ALL-NEW 2017 CIVIC HATCHBACK:

REBELLIOUS BY NATURE

Say hello to the untamed Civic Hatchback, sporting all-new styling with piano black detailing, a body-colored rear roofline spoiler, and honeycomb panels in the front and rear. Along with a turbocharged engine and astonishing utility, it's the Civic that's unafraid to defy boundaries and obliterate expectations.

DUAL EXHAUST

The turbocharged power of Civic Hatchback is highlighted by a standard dual exhaust system, with Sport and Sport Touring models featuring a center-mounted exhaust.

18-INCH ALLOY WHEELS

Bigger is beautiful. Aggressive new styling turns heads in the form of stunning 18-inch alloy wheels (Sport, Sport Touring).

TAILLIGHT DESIGN

Distinct impressions are in the details. The disruptive design of the Civic Hatchback can be seen from front to back, including taillights accentuated by sleek LED light bars.

Civic Sport Touring (available early 2017) shown in Sonic Gray Pearl.

Civic Sport Touring (available early 2017) shown in Sonic Gray Pearl.

INTERIOR DESIGN:

DISTINCTLY INTUITIVE

The Civic Hatchback is made for those who love to drive, and appreciate an enhanced level of versatility and comfort along the way. Relax into premium features while innovative technology helps keep you connected through a 7-inch Display Audio touch-screen (EX and above).

DYNAMIC GAUGES

An available Driver Information Interface (DII) highlights all the info you need to drive with confidence and enjoy the journey.

Honda LANEWATCH™¹

Signal right and a small camera displays live video on your Display Audio screen, revealing nearly four times more than the passenger-side mirror alone (EX and above).

STEERING WHEEL-MOUNTED CONTROLS

Change the music or answer a call via Bluetooth® HandsFreeLink.® Your hands never leave the wheel, and your eyes never leave the road.*

ANDROID AUTO™³

Android smartphone users can access Google Maps,™ Google Now,™ messages, music and other popular apps with the available Android Auto feature.

PADDLE SHIFTERS

The Civic Hatchback puts a more thrilling ride at your fingertips thanks to this easily accessible offering (Sport with CVT, Sport Touring).

TEXTURED ALUMINUM PEDALS

Feel the rush from head to toe. Racing-inspired pedals are available to excite every drive (Sport, Sport Touring).

MANUAL SHIFTER

A 6-speed manual transmission helps you master the performance domain of the Civic Hatchback as you feel every bit of power from the turbocharged engine (LX, Sport).

*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

SAFETY/DRIVER-ASSISTIVE:

The Civic Hatchback is always trying to look out for you, thanks to a full suite of available safety and driver-assistive technologies that can help you avoid or mitigate a collision.

ROAD DEPARTURE MITIGATION SYSTEM (RDM)⁴

RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you stay in your lane or provide braking to keep from leaving the roadway entirely.

LANE KEEPING ASSIST SYSTEM (LKAS)⁵

With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Civic centered in a detected lane.

ADAPTIVE CRUISE CONTROL (ACC)⁶ WITH LOW-SPEED FOLLOW

ACC helps you maintain a set following interval for highway driving. After stopping, a tap on the throttle instructs the car to continue maintaining the desired interval.

COLLISION MITIGATION BRAKING SYSTEM™ (CMBS™)⁷

CMBS can help bring your Civic to a stop by automatically applying brake pressure when the system determines a frontal collision is unavoidable.

FORWARD COLLISION WARNING (FCW)⁸

The FCW system can sense the presence of vehicles in front of you, and if it calculates that you're at risk of colliding with a detected vehicle, it activates audible and visual alerts.

LANE DEPARTURE WARNING (LDW)⁹

A small camera searches for lane markings on the road. If it detects the driver making an unindicated lane departure, visual and audible alerts will signify the departure.

ADVANCED COMPATIBILITY ENGINEERING™ (ACE™) BODY STRUCTURE

The ACE body structure is a Honda-exclusive body design that enhances occupant protection and crash compatibility in frontal collisions.

SMARTVENT® AIRBAGS

Front side airbags feature SmartVent technology designed specifically to help protect the driver's or front passenger's upper torso in the event of a side-impact collision.*

MULTI-ANGLE REARVIEW CAMERA¹⁰

Backing up doesn't have to be a guessing game. See more of what's behind you with the multi-angle rearview camera with guidelines – a standard feature on every Civic.

VEHICLE STABILITY ASSIST™ (VSA®)

VSA helps you stay on course in the event of an understeer or oversteer condition by braking individual wheels and/or reducing engine power to help restore your intended course.¹¹

*Honda reminds you and your passengers to always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat. ¹¹VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

Honda Sensing trims available early 2017.

Civic Sport Touring (available early 2017) shown in Sonic Gray Pearl.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care[®] is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

All 2017 Honda vehicles - and any Honda Genuine Accessories installed at the time of vehicle purchase - are covered by a 3-year/36,000-mile limited warranty.¹ Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty, too!¹ For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

For more information and complete specifications, go to civichatchback.honda.com

¹Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. ²The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. ³Android, Android Auto and other marks are trademarks of Google Inc. ⁴Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁵LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁶Adaptive Cruise Control (ACC) with low-speed follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁷CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁸Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁹Lane Departure Warning (LDW) only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁰Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. ¹¹3-Year/36,000-Mile Limited Warranty. 5-Year/60,000-Mile Limited Powertrain Warranty. Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. ¹²174 hp @ 6000 rpm (SAE net). ¹³The USB Audio Interface is used for direct connection to and control of some current digital audio players and other USB devices that contain MP3, WMA or AAC music files. Some USB devices with security software and digital rights protection files may not work. Please see your Honda dealer for details. ¹⁴180 hp @ 6000 rpm (SAE net). ¹⁵Check the HondaLink® website for smartphone compatibility. ¹⁶Apple CarPlay is a registered trademark of Apple Inc. ¹⁷SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at www.siriusxm.com. Fees and programming subject to change. SPECIFICATIONS

EXTERIOR

INTERIOR LX / SPORT / EX

INTERIOR EX-L NAVI / SPORT TOURING

LX

- 174-hp,¹² 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- 6-speed manual or available continuously variable transmission (CVT)
- Electric parking brake with automatic brake hold
- Hill start assist
- 16-inch alloy wheels
- Multi-angle rearview camera¹⁰ with guidelines
- LED Daytime Running Lights (DRL)
- One-touch turn indicators
- Projector-beam halogen headlights with auto-on/off
- Rear window wiper/washer with heated wiper zone
- Body-colored rear roofline spoiler
- Fin-type roof-mounted antenna
- Automatic climate control system
- Power windows with auto-up/down driver's and front passenger's windows
- Illuminated steering wheel-mounted controls
- Tilt and telescopic steering column
- Capless fuel filler
- 5-inch color LCD screen
- Bluetooth^{®2} HandsFreeLink[®] and streaming audio
- USB Audio Interface¹³ (front)
- Available Honda Sensing[™] suite of safety and driver-assistive features (CVT model only)

SPORT adds to or replaces LX features

- 180-hp,¹⁴ 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- Dual-mode paddle shifters (CVT model)
- 18-inch alloy wheels
- Underbody spoiler kit
- Center outlet dual exhaust system
- Fog lights
- Textured aluminum pedals
- Leather-wrapped steering wheel and shift knob (Honda Sensing suite not available on Sport)

EX adds to or replaces LX features

- Remote engine start
- Standard continuously variable transmission (CVT)
- 17-inch alloy wheels
- Multi-angle rearview camera¹⁰ with dynamic guidelines
- Honda LaneWatch^{™1}
- Heated front seats and side mirrors
- Fog lights
- One-touch power moonroof with tilt feature
- Smart Entry with push button start
- Dual-zone automatic climate control system
- USB Audio Interface¹³ (front and center console)
- 7-inch Display Audio with electrostatic touch-screen
- HondaLink^{®15}
- Apple CarPlay^{™16}
- Android Auto^{™3}
- SiriusXM[®] Radio¹⁷
- HD Radio^{™18}

EX-L Navi adds to or replaces EX features

- Automatic-dimming rearview mirror
- Driver's seat with 8-way power adjustment
- Leather-trimmed seats
- Leather-wrapped steering wheel
- Leather-wrapped shift knob
- Honda Satellite-Linked Navigation System^{™19} with voice recognition and Honda HD Digital Traffic

SPORT TOURING (Available early 2017) adds to or replaces EX-L Navi features

- 180-hp,¹⁴ 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- Dual-mode paddle shifters
- 18-inch alloy wheels
- Side mirrors with integrated LED turn indicators
- Underbody spoiler kit
- Center outlet dual exhaust system
- Rain-sensing windshield wipers
- LED headlights (low & high beam) with auto-on/off
- Textured aluminum pedals
- Heated outboard rear seats
- Front passenger's seat with 4-way power adjustment
- 540-watt premium audio system with 12 speakers, including subwoofer
- Standard Honda Sensing suite of safety and driver-assistive features
