

MONZA

Chevrolet

MMMMMMONZA

8 legs, 4 wheels,

Monza 2+2 Hatchback. Shown with available Spyder Appearance Package and 5.0-litre V8.

What do you do when you've got just about the sportiest car on the road? You make it sportier. You Spyder it up for all the world to see. So show the world your Monza Spyder 2+2 Hatchback. Because the only way it could be any sportier would be to have you behind the wheel.

Order the available Spyder Equipment Z01 and you get: • Steel-belted radial ply blackwall tires • Sport suspension • Sport steering wheel (see illustration) • Center console • Inside day/night rearview mirror • Spyder identification.

and flies.

There are also wheel opening moldings with Z01 if you don't also order the available Spyder Appearance Package Z02. But order Z02 and you then get:

- Black highlights on front, side and rear of body
- Black or gold rear accents
- Front air dam
- Rear spoiler
- Spyder emblems
- Body side stripes with Spyder lettering in red, white or gold depending on body color
- Rally II wheels
- Black sport mirrors
- Special hood decal (see illustration).

Available on any Monza are many Options and Custom Features. Some are illustrated or described in this catalog.

2+2 for

Monza 2+2 Hatchback. Shown with available tinted glass, 5.0-litre V8, white lettered tires and wheel opening moldings.

You can think the 55-mph speed limit lessens the pure joy of driving, or you can think Monza 2+2. Think Monza. Because sheer speed isn't what puts the joy in driving. It's precision, aerodynamics, romance, confidence. The Chevy Monza 2+2. For the road.

Some of the features that make 2+2 such a joy are: • Full-width hatchback rear door (illustrated at right); easy-to-open counterbalanced arms • Special two-spoke steering wheel with wood-grain vinyl insert, and with wheel, shroud and column color-keyed to interior • Instrument panel pad with added wood-grain vinyl • Quad rectangular headlights inset into a soft, resilient urethane front-end skin that looks like metal, resists minor dings • Wraparound rear lights set in bright trim • Front and rear hydraulic-type bumper system with integral

the road.

black rub strips and bumper guards • European-type finned wheel covers with GT-type center hub and bright wheel nuts (see illustration) • All-vinyl upholstery in black, buckskin, firethorn or white • Quiet Sound Group package featuring added hood insulation • Versatile power team selection: There's the available 5.0-litre V8 with Turbo Hydra-matic transmission (shown at left). Also, the standard Dura-Built 2.3-litre 4-cylinder engine is offered with the standard 4-Speed manual, available Turbo Hydra-matic or 5-Speed manual transmission. The 5-Speed's broad transmission range (including overdrive 5th gear) enables the driver to select just the right gear for impressive all-around performance. The 5-Speed's crisp, clean action makes it easy to use, fun to drive • Other features, common to all Monza models, can be found on pages 10 and 11.

It puts the driving

Monza Towne Coupe. Shown with available Sport Equipment, Sport Front End Appearance, 5.0-litre V8, white stripe tires and wheel

There are two kinds of driving: just plain getting-where-you're-going driving, and Monza Towne Coupe driving. You'll know the difference. A Monza Towne Coupe works with the road. It gives you a feeling of excitement that the getting-where-you're-going driving doesn't give you. It's got smart, sporty styling that says a lot about Monza's character, and yours.

Some features you'll like about the Towne Coupe are found on these pages. For instance, you can order the Sport Front End Appearance (available only if Sport Equipment is ordered). Like the 2+2, it has quad rectangular headlights inset into soft, resilient urethane to give a very sporty look. Shown at right are the standard front end and, also, the available Cabriolet vinyl roof cover with its distinctive appearance including opera style rear windows.

back in driving.

opening moldings.

More Monza Towne Coupe features include: • Herringbone cloth-and-vinyl upholstery in choice of black-and-red or black-and-buckskin • Molded full foam bucket seats in front, bench seat in rear • Bright chrome bumpers and bright headlight bezels • Large rear quarter windows • Bright wheel covers • Sound insulation to help make a quiet interior when driving • Other features, common to all Monzas, can be found on pages 10 and 11.

You might also want to consider Monza Sport Equipment available on the Towne Coupe. It includes: • Black pillar applique with argent edges • Black-finished body sill • Bright and black windshield and rear window moldings • Bright rear lower panels • Body-colored wheel covers • Hood sound insulation • Plus many interior and exterior trim features.

Special Custom Interior. Available for 2+2. Also for Towne Coupe with Sport Equipment.

2+2 interior. Also available for Towne Coupe with Sport Equipment.

2+2 available knit cloth. Also for Towne Coupe with Sport Equipment.

You get a lot to start with.

Monza instrument panel shown with available Four-Season air conditioning, AM/FM radio and electric clock.

When you judge a car for value, you have to consider what you get as standard equipment. For 1977, Monza offers a good long list.

- 2+2 Hatchback features (see pages 6-7).
- Towne Coupe features (see pages 8-9).

Features on all Monzas.

- Exterior colors: antique white, silver, black, light blue metallic, dark blue metallic, firethorn metallic, aqua metallic, medium green metallic, bright yellow, light buckskin, buckskin metallic, brown metallic, light red and orange metallic.
- Molded soft door trim panel with pleated map pockets and recessed door handles.
- Flow-through power ventilation system. It keeps outside air circulating inside (with the ignition on), even when the car is stopped and the windows are up.
- Cut-pile carpeting.
- Floor-mounted transmission lever.
- Cigarette lighter.

Money savers.

- High Energy Ignition provides a spark 85% hotter than with a conventional breaker-point system, which means quick starts and long-lasting plugs. Also, there are no ignition condenser or points to replace.
- Long intervals between recommended service can help reduce scheduled maintenance expenses.

Service intervals.

Engine oil	6 months or 7500 miles
Oil filter	First 7500 miles, then every 15,000 miles up to 22,500 miles
Spark plugs	6 months or 7500 miles
Chassis lubrication	Every 60,000 miles

Check complete details in the Owner's Manual.

POWER TEAMS.

- 50,000-mile air filter recommended service interval on 2.3-litre 4-cylinder engine.
- Coolant recovery system.
- Freedom battery. Needs no water refill.
- Electric fuel pump in gas tank.

Monza's 5-year, or up to 60,000-mile, limited Dura-Built 2.3-litre engine warranty.

This 5-year, or up to 60,000-mile, engine guarantee is an added value feature included in your 1977 Monza car.

Chevrolet Motor Division, General Motors Corporation, guarantees to the owner of the 1977 Monza equipped with a Chevrolet Dura-Built 2.3-litre 4-Cylinder Engine that any authorized Chevrolet dealer will make repairs without charge to the owner on those engine parts listed below made necessary because of defects in material or workmanship. Repairs will be made within a reasonable time after delivery of the Vehicle to a Chevrolet dealer at its place of business. This guarantee shall remain in effect until the Vehicle has accumulated 5 years or 60,000 miles of use, whichever first occurs, from the date of delivery to the first retail purchaser or date first placed in service as a demonstrator or company car, whichever is earlier.

This guarantee applies to the cylinder block, cylinder head, all internal engine parts, intake and exhaust manifolds and water pump.

This guarantee in no way limits the terms of the Chevrolet New Vehicle Warranty.

This guarantee does not cover: (1) Repairs required because of misuse, negligence, alteration, accident, lack of reasonable and proper maintenance or replacement of maintenance items (such as spark plugs, positive crankcase ventilation valves, filters) made in connection with normal maintenance services; (2) Loss of time, inconvenience, loss of use of the Vehicle or other matters not specifically included; (3) Any repairs if the Vehicle is registered and normally operated outside the United States or Canada or if the Vehicle's odometer is altered so that actual mileage cannot be determined.

Chevrolet does not authorize any person to create for it any other obligation or liability in connection with the Chevrolet 2.3-litre 4-Cylinder Engine parts covered by this guarantee. ANY IMPLIED WARRANTY APPLICABLE TO THESE ENGINE PARTS IS LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN GUARANTEE. CHEVROLET SHALL NOT BE LIABLE FOR CONSEQUENTIAL COMMERCIAL DAMAGES RESULTING FROM BREACH OF THIS GUARANTEE OR ANY IMPLIED WARRANTY.

Additional features.

- Full Coil suspension all around with springs computer-selected to car weight and equipment.
- Self-cleaning rocker panels permit air and water to travel through and drain at ends of panel. Help resist rust.
- Torque-arm rear suspension permits springs and shocks to help smooth out the ride.
- Large 9½" x 2" rear brakes.

- Vented rotor front disc brakes, fade-resistant, self-adjusting, with audible wear signal to tell you when to replace linings.
- Front stabilizer bar.
- Double-panel door, hood, roof and deck-lid construction.
- Protective inner fenders, front and rear.
- Magic-Mirror acrylic exterior finish.
- Rated fuel tank capacity: 18½ gallons.
