

1985 CHEVROLET

*Citation II*

## CITATION II. ONE CAR THAT DOES IT ALL.

Citation II packs a lot of versatility into a lot of car. It's always ready to carry you and your friends in impressive comfort. And when you need more cargo room, it converts in seconds to give you wagonlike carrying space.

When you sit behind the wheel, you'll like the way Citation II treats you. And the more you drive it, the more impressive features you'll discover.

Measure its great hatchback room. You get more cargo capacity for the money than in any other hatchback available.\*

Ease yourself into the interior comfort. You'll be impressed by the level of appointments Citation II gives you.

Test the performance of its responsive standard 2.5 Liter Electronic Fuel Injection engine. Or choose the available 2.8 Liter Multi-Port Fuel Injection V6 that gives Citation II the best performance ever.

Look for corrosion protection. Literally every square inch of exposed metal is treated.

Judge it for smooth ride and driving abilities. Engineering techniques developed in designing Chevrolet's other front-drive cars, and Corvette, have constantly refined Citation II.

Judge it for yourself. Drive Citation II and see why we believe it's one of the most versatile and enjoyable cars you can buy today.

\*Based on 1984 EPA Volume Index.

Citation II 4-Door Hatchback.

## CITATION II VERSATILITY HANDLES CARGO AS COMFORTABLY AS PEOPLE.

It's amazing. With the rear seat up, Citation II gives you 19.4 cubic feet of concealed cargo space, more than any other American hatchback.

Fold down the rear seat and the 4-Door Hatchback instantly opens up over 36 cubic feet of cargo space. A flat floor over five feet long. Enough room for bikes, tents, skis and lots more fun you just can't get in ordinary cars.

And as a refined five-passenger car, Citation II gets high marks, too. With more than six feet of combined front- and rear-seat leg room.

Hatchback or people-carrier, you just may find new uses for Citation II every weekend.

Citation II 4-Door Hatchback.

- The available 2.8 Liter Multi-Port Fuel Injection V6 engine gives Citation II its best performance ever. The air intakes are "tuned" to ram charges of air into each individual cylinder as six computer-controlled fuel injectors precisely deliver fuel.
- MacPherson-strut front suspension springs and insulators are retuned for smooth ride.
- Responsive rack-and-pinion steering.
- Front drive for impressive traction in rain, mud and snow.
- Front stabilizer bar, rear integral stabilizer bar.
- Front disc brakes with audible wear sensors.
- Bright halogen headlamps.
- Sealed side terminal Delco Freedom Plus II battery never needs refilling.
- All-season M + S-rated (Mud and Snow), steel-belted radial tires.
- Double-wall steel construction in doors, hood and hatch lid.
- Extensive corrosion protection on every square inch of exposed metal, with anti-chip vinyl-based Plastisol on lower door and fender panels.
- Acoustic sound deadeners on floor, roof, doors and cowl.
- Concealed luggage compartment.

## INSIDE CITATION II. GREAT INTERIOR APPOINTMENTS AND COMFORT.

Citation II is the product of years of careful engineering refinements that work to make you comfortable.

The full-foam front seat is covered in selected upholstery fabric. The available CL Custom Interior, shown here, features a front seat storage tray and pull-down center armrest. Sport bucket seats are optional for even more driving excitement.

Driving Citation II is even more of a pleasure. As you open the door and sit behind the wheel, you can feel the full-foam seat support your legs and back. Also keeping you comfortable is the powerful heater/ventilation system with new center air outlet. The instrument panel is designed to be clearly readable. The radio is standard.\* Electronically tuned AM/FM stereo radios are now available.

But perhaps the most impressive surprise comes when you turn the ignition key. The new hydraulic engine mounting system is so effective you may not even feel the engine idle.

*\*Radio may be deleted for credit.*

Citation II Sedan with CL Custom Interior.

X-11.  
NEW POWER. 2.8L MULTI-PORT FUEL-  
INJECTED V6.

It's the most exciting X-11 ever: an outstanding combination of power and quick agility.

Turn the key. X-11's crackling exhaust note tells you this engine means business.

Open the hood. The first thing you see is a gleaming aluminum air plenum. Six tuned intake runners stand ready to ram pulsed charges of air into individual intake ports. The Multi-Port Fuel Injection (MFI) system puts one electronic injector at each cylinder for precise fuel delivery.

Acceleration is quick at any road speed with the standard 4-speed manual transmission and 3.65:1 performance axle.

(Automatic transmission is also available.)

Power front disc brakes and rack-and-pinion steering add driving precision. And F41 Sport Suspension, with bigger stabilizer bars, and special 14" x 6.5" Rally Wheels help the wide P215/60R-14 steel-belted radial tires firmly grip the road. Aluminum wheels, as shown, are available.

GM Test Track results:  
Skidpad .85g, 0-60 9.6 seconds.

Body-hugging Sport bucket seats hold you firmly and comfortably in place.

X-11 cockpit includes Sport steering wheel. Full instrumentation, including tachometer, is available.

A special domed hood with MFI nameplates, X-11 identification on the doors, plus a rear spoiler, blackout trim and other touches, give X-11 the unmistakable look of performance.

And you also get great hatchback room for bikes, snow skis, water skis, scuba gear, spinnaker bags, camping gear and everything else that X-11 lets people take with them.

### Optional Equipment Appearance and Protection

- Bumper guards, front and rear
- Bumper rub strips, front and rear
- Color-keyed floor mats (front and/or rear)
- Custom Two-Tone paint (includes body pin striping)
- Dual horns
- Mirrors: Remote-control outside rearview, left-hand; Sport, left-hand remote and right-hand manual (included with Sport Decor Package). All mirrors black finish
- Moldings: Body side (included with Custom Two-Tone); Door edge guard; Side window reveal (NA X-11 or Sport Decor)
- Sport Decor Package (coupe only): Includes black-accented body highlights; Body-color bumpers with rub strips; Decals, lower body side striping and rear deck spoiler; Sport mirrors; also

Electronic speed control and wiper delay options.

Lower fender cross section shows layers of corrosion protection including galvanized Zincrometal<sup>®</sup>, zinc-rich primers and anti-chip Plastisol.

includes Rally Wheels and trim rings

□ Tinted glass.

Comfort and Convenience

- Air conditioning (requires power steering and brakes)
- Auxiliary lighting: Includes headlamps-on warning buzzer plus luggage compartment, underhood, glove box, ashtray and courtesy lights
- Comfortilt steering wheel
- Console (requires bucket seats)

- Electric rear window defogger
- Electronic speed control with resume and speed adjustment feature (requires power brakes)

- Gage Package
- Gage Package with tachometer (requires V6 engine with MFI)
- Intermittent windshield wiper system
- Power brakes (required with V6 engine, air conditioning)
- Power door lock system
- Power steering
- Power windows
- Quiet Sound/rear compartment decor.

### Performance

- F41 Sport Suspension
- Heavy-duty battery
- Heavy-duty cooling
- Heavy-duty front and rear suspension

□ X-11 Sport Equipment Package: Includes 2.8L V6 engine w/MFI, 4-speed manual transmission, power brakes, special domed hood with air intake, specific exhaust system, body-color bumpers with rub strips, decals, rear deck spoiler; Sport steering wheel and Sport cloth bucket seats; Black grille, headlamp bezels and all-black-accented body highlights; F41 Sport Suspension includes special 14" x 6.5" Rally Wheels and P215/60R14 Eagle GT steel-belted radial ply tires. (Note: Tire chains should not be used because they may cause damage to your X-11.)

Audio Equipment  
GM-Delco radio equipment (All radios include dual front speakers; all stereos include dual rear speakers)

- AM/FM radio
- AM/FM Electronically Tuned Receiver (ETR™) stereo radio
- AM/FM ETR stereo radio with clock
- AM/FM ETR stereo radio with clock, stereo cassette player, seek and scan

Electric rear window defogger option.

Optional ETRAM/FM stereo features seek and scan, electronic station locking, cassette player and digital clock.

□ Dual rear speakers (monaural radio).

### Tires and Wheels

- P185/80R-13 all-season steel-belted radial ply white-stripe
- P205/70R-13 all-season steel-belted radial ply white-lettered (requires F41 Sport Suspension)
- P215/60R-14 steel-belted radial ply Eagle GT white-lettered (with X-11 Sport Equipment Package only)
- 13" Rally Wheels (includes wheel trim rings)
- 14" aluminum wheels (X-11 only).

### GM Protection Plan

An option that offers service protection in addition to that provided by GM's new-vehicle limited warranty. Available only in the U.S. and Canada for the 1985 model year. Ask your dealer about this option.

Citation II features a standard Electronic Fuel Injection 2.5 Liter engine.

Comfortilt steering wheel is available.

Citation II Hatchback with Sport Decor Package.

### Look What Electronic Fuel Injection Gives You.

Citation II's Electronic Fuel Injection system is designed to give you the following advantages:

- Dependable operation that uses just three moving parts. Everything else is solid-state circuitry sealed from dirt, dust and moisture.
- Dependable cold starts without flooding delays from pumping the accelerator.
- Dependable hot starts without vapor lock delays.
- Self-adjusting idle to help prevent stalling when cold and fuel waste when warm.
- Optimized engine performance between recommended service intervals.
- Automatic idle increase when accessories are engaged to help maintain battery charge.
- Efficient combustion for clean-running engine and emissions control.
- Automatic adjustment to changing elevation minimizes power loss and fuel waste.
- Reduced maintenance (no choke, carburetor, accelerator pump or needle valve adjustment required).
- Available air conditioning switches off automatically under full throttle for better acceleration.
- Self-pressurizing system provides easy starts after refilling without "priming the carburetor" if you run out of gas.
- Positive fuel shutoff to help prevent "run-on" after ignition is switched off.

## FACTS

### Safety Features

#### Occupant Protection

- Manual lap/shoulder belts for driver and right front passenger (driver's side includes visual and audible warning system)
- Manual lap belts at each rear-seat position
- Energy-absorbing steering column
- Energy-absorbing instrument panel
- Energy-absorbing tops, front seats
- Laminated safety windshield glass and tempered safety side and rear window glass
- Safety interlocking door latches
- Passenger-guard inside door lock handles
- Inertia-locking, folding front seat-backs
- Safety armrests
- Safety-strength seat attachments
- Head restraints, driver and right front passenger (adjustable).

#### Accident Avoidance

- Side marker lights and reflectors
- Parking lamps that illuminate with headlamps
- Four-way hazard warning flasher
- Backup lights
- Directional signal control and lane-change feature
- Windshield defroster, washer and dual-speed wipers
- Inside rearview mirror with vinyl-bonded glass
- Outside left rearview mirror
- Brake system with dual master cylinder and warning light
- Starter safety switch
- Dual-action hood-latch system
- Low-glare finish on instrument panel top, inside windshield moldings, wiper arms blades, metallic steering wheel surfaces
- Illuminated heater and defroster controls
- Tires with built-in tread-wear indicators.

#### Anti-Theft

- Audible reminder for ignition key removal
- Anti-theft steering column lock
- Visible vehicle identification number.

### Let's Get It Together . . . Buckle Up.

Every new 1985 Citation II delivered by a Chevrolet dealer in the United States comes with a one-year, \$10,000 seat belt insurance certificate from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM seat belt. Buckle up every time you drive.

### Important: A Word About This Catalog.

We have tried to make this catalog as comprehensive as possible and we hope you find it helpful. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available as factory-installed options, dealer accessories and specialized equipment from various independent suppliers at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

### A Word About Updated Service Information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

### A Word About Assembly, Components and Optional Equipment in These Chevrolets.

The Chevrolets described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors and by various suppliers to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes optional equipment you ordered or, if there are changes, that they are acceptable to you.

### A Word About Engines.

Chevrolets are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide.
