

# EL CAMINO

**EL CAMINO.  
BEAUTY THAT WORKS.**

El Camino is proof you *can* have it all... utility and beauty in the same vehicle. There's a dual personality at work here, and we mean *work*. With 35.5 cu. ft. of cargo capacity and a 1,250-lb. payload\* El Camino can take on the tough jobs. Air-adjustable rear shocks are standard, while double-wall construction in crucial areas helps keep El Camino hauling tough and looking good.

And you know how important good looks are when quitting time comes round. Whether you're headed for the high country or planning a night on the town, you'll find El Camino's trim lines and sleek design fit right into your plans.

El Camino comes with a standard 4.3 Liter V6 engine, with Electronic Fuel Injection for superb response. For more brawn, choose the available high-compression 5.0 Liter V8 with electronic spark control. Remember that any powerplant you choose comes standard with automatic transmission, power steering and low-drag power front disc brakes.

But which El Camino suits you best? The standard El Camino with its understated elegance? The no-holds-barred El Camino SS Sport Decor? Or the El Camino Conquista with its touch of drama? Whichever you choose, you'll like El Camino's dual personality... a luxurious, uptown vehicle that loves to hunker down and work.

\*Includes passengers, cargo and equipment.

Shown on cover: El Camino Conquista in Dark Maroon Metallic and Silver Metallic. Tires supplied by various manufacturers.

El Camino SS Sport Decor in Black and Silver Metallic.

## **INSIDE EL CAMINO. ALL IT NEEDS IS A WELCOME MAT.**

Available 55/45 split seat shown above in Blue Custom Cloth with center folding armrest.

Available reclining bucket seats in Maroon cloth, shown at left.

Everything is where it should be, at a glance and within reach. Instrument panel trim and steering wheel are new for 1986. Shown are optional gage package with trip odometer, Comfortilt steering wheel and electronic speed control on standard multi-function switch.

Sitting in El Camino, you feel instantly at ease with your surroundings. That's one of the joys of El Camino. It's friendly right from the start.

In fact, there's a good chance El Camino's standard notchback bench seat is just as comfortable as your living room couch. Or, if you prefer individual seating, choose optional reclining buckets or a 55/45 split bench. All are complemented by El Camino's color-keyed interior fittings. For 1986, both standard and optional seats sport new seat trim.

El Camino's instrumentation is as easy to like as its seating. All driving controls are at your fingertips; every gage is easily read at a glance. There are storage spaces conveniently placed throughout El Camino's interior, like behind the driver's seat and in the dash. There's even a hidden storage space behind the driver's seat next to the spare.

There are other nice touches built into El Camino, too—like vinyl door-pull straps, lighted ashtray and glove box, and those comfort and convenience options you personally select.

# OPTIONS AND FACTS.

The no-holds-barred SS package is shown in White. Decorative hood treatment, nonfunctional shielded sport side pipe, wheels and pickup-box side rails are optional and available from an independent supplier. See your Chevy dealer for details. Tires supplied by various manufacturers.

**Commitment to Excellence**

Taking delivery of a new Chevrolet is always an exciting occasion. Now, Chevrolet enhances your ownership experience with its "Commitment to Excellence," a customer satisfaction program that brings you an extensive system of owner services and benefits.

The program includes:

- Vehicle identification cards to speed your service request at the dealership.
- Special rates and reservation service at participating hotels, motels and car rental agencies.
- Hotel/motel and car rental guides.
- Preregistered key return service.
- A "Let's Talk" booklet of service signals.
- A glove compartment organizer.
- An improved delivery procedure that includes an inspection checklist and orientation drive.

Chevrolet's "Commitment to Excellence" is your key to buyer satisfaction. It's another way Chevrolet takes care of you for as long as you own your truck.

**Let's get it together...buckle up.** Every new 1986 El Camino delivered by a Chevrolet dealer in the United States comes with a one-year, \$10,000 safety belt user insurance certificate from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM safety belt. Buckle up every time you drive.

**As part of the 1986 Chevrolet new-vehicle limited warranty,** your Chevy El Camino includes three-year perforation-from-corrosion coverage. Exhaust system components not included. See your Chevy dealer for details and other limitations.

**The GM Protection Plan.** An option that offers service protection in addition to that provided by GM's new-vehicle limited warranty. Available only in the U.S. and Canada for the 1986 model year. Ask your dealer about this option.

**A word about updated service information.** Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

**At your Chevy dealers, financing or leasing your new El Camino can be as easy as saying GMAC.**

**For information on any new Chevy truck.** See your Chevy dealer for a complete selection of 1986 truck catalogs. They cover ■ the Chevy S-10 Blazer ■ full-size 4WD Blazer ■ Chevy S-10 Pickup ■ full-size Chevy Pickup ■ Suburban ■ Sportvan ■ Chevy Van ■ Astro Passenger Van ■ Astro Cargo Van ■ all Medium-Duty Chevys and the ■ Chevy Recreation & Trailing Guide.

**A word about assembly, components and optional equipment in these Chevrolet products.** The Chevrolet El Caminos described in this catalog are assembled at facilities operated by General Motors, GM de México. These vehicles incorporate thousands of different components produced by car and truck groups and various component divisions of GM and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to factory-installed extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your vehicle is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your vehicle includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

These vehicles are also available under the GMC nameplate Caballero.

**A word about engines.** Chevrolet trucks are equipped with engines produced at facilities operated by GM car and truck groups, subsidiaries or affiliated companies worldwide.

**Important: A word about this catalog.** We have tried to make this catalog as comprehensive as possible and we hope you will find it helpful. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available as factory-installed options, dealer accessories and specialized equipment from various independent suppliers at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

**Shown on back cover: El Camino in Light Blue Metallic.**

NOTHING WORKS LIKE A CHEVY TRUCK
