CHEVROLET

11CHETRACAT01

2011 Chevrolet Traverse 

For a 360-degree view, visit chevy.com/traverse.

A *Consumers Digest* "Best Buy."¹ The 2010 Traverse was named a "Best Buy" by *Consumers Digest* for the second year in a row.

24 MPG Highway. Traverse offers the best fuel economy of any eight-passenger crossover² (LTZ shown seats seven).

Traverse LTZ in Silver Ice Metallic seats seven. ¹ The Best Buy Seal is a registered trademark of Consumers Digest Communications, LLC, used under license. ² EPA est. MPG (FWD): 17 city, 24 hwy. ³ Cargo and load capacity limited by weight and distribution. ⁴ Whichever comes first. See dealer for details.

30% More Cargo Space Than Honda Pilot. Traverse offers both beauty and tremendous capability, with 116.4 cu. ft. of storage space³

100,000 mile/5-year⁴ Transferable Powertrain Limited Warranty to Guarantee the Quality. With 100,000 mile/5-year⁴ Roadside Assistance and Courtesy Transportation Programs, it's the best coverage in America.

“Tasteful design, high-quality materials and one of the most accommodating interiors in the class are the hallmarks of [Traverse].”

KELLEY BLUE BOOK'S KBB.COM¹

"The Traverse is remarkably spacious, with seating for up to eight passengers and a third row that's comfy even for grown-ups."

PARENTS MAGAZINE AND EDMUNDS.COM BEST FAMILY CARS OF 2010

 Watch a video to see the Smart Slide seat in action at chevy.com/traverse.

Roomy Interior

Passenger Comfort. We thought of small details – like a cup holder in the armrest – and big details – like large door handles that are easy to reach. And every Traverse comes with rear air vents so everyone can stay comfortable, no matter where they're sitting.

Smart Slide. A one-hand movement sends the Smart Slide second-row seat into motion, quickly sliding it out of the way and allowing passengers of all ages and sizes to easily exit or enter the third row.

Versatile Storage

Cargo Space. Traverse has more space than you'll find in many full-size SUVs. The available split-folding seats in the second¹ and third rows give you the flexibility to adapt the vehicle on the fly.

Cargo Convenience. Traverse provides more space behind the third row—more than any competitor, including Toyota Highlander. An available cargo net² helps keep bags and other items in place.

"The Traverse's greatest strength is a standard third-row seat...it also boasts an incredible amount of cargo space that no other SUV in its class can match."

U.S. NEWS & WORLD REPORT³

Watch a video to see how the third-row seat adapts on the fly at chevy.com/traverse. 

Comprehensive Safety

“Although you’ll never know it until you have to use it, [StabiliTrak] could very well save your life.”

KELLEY BLUE BOOK’S KBB.COM¹

See even more Traverse safety features at chevy.com/traverse.

1. StabiliTrak Electronic Stability Control System with Traction Control. This feature is designed to improve vehicle stability on most road surfaces, especially during emergency maneuvers.

2. Safety Cage Construction. Made of reinforced steel – including vertical pillars, side-door beams and the roof – the safety cage is designed to help preserve occupant space in a crash.

3. Four-Wheel Antilock Brakes. This important feature helps maintain steering control by reducing wheel lockup during hard braking on most slippery surfaces.

4. Rollover Sensors. Head-curtain side-impact air bags² deploy not only in moderate-to-severe side impacts but can also deploy if the vehicle senses an impending rollover.

5. Available Rearview Camera System. It's designed to help you see certain stationary objects while traveling in Reverse at low speeds. Available on select models.

6. Six Air Bags² Every Traverse comes standard with dual-stage frontal air bags, driver and passenger seat-mounted side-impact air bags, and head-curtain side-impact air bags that protect all three rows.

7. Protected and Connected with OnStar^{®3} Including Automatic Crash Response. In a collision, vehicle sensors can automatically alert an OnStar Advisor and relay critical crash details. The Advisor is immediately connected into your vehicle and can request that emergency help be sent to your exact GPS location, even if you can't respond. Standard for the first six months.

8. Available Blind Spot Mirrors. Designed to enhance visibility along the sides of the vehicle, this forward-thinking feature is just one more way Traverse helps surround you in safety.

9. Available All-Wheel Drive. Assists performance and adds traction when you need it.

“The Traverse really is impressive. It’s big, spacious and comfortable. The vehicle is just the thing for folks who haul around a bunch of people on a regular basis but who don’t want to burn a bunch of gasoline while doing it.”¹

ABOUTTHATCAR.COM

Power and Efficiency. The Direct Injection 3.6L V6 engine with standard six-speed automatic transmission provides quiet shifting and smooth acceleration while contributing to outstanding highway fuel economy – an EPA estimated 24 MPG.

Comparisons	2011 Chevrolet Traverse	2011 Honda Pilot	2010 Toyota Highlander V6

(((XM))) XM Radio. Tune in to XM Radio¹ with three trial months for digital-quality sound from coast to coast.

BOSE The Power of Bose. The Bose sound system delivers concert hall-like sound through ten speakers customized to the Traverse interior. Available on LT and LTZ.

Bluetooth Personal Connectivity Package. Includes Bluetooth[®] wireless technology² for select phones, a remote vehicle starter system with extended-range Remote Keyless Entry, and a three-channel Universal Home Remote transmitter with garage door opener. Standard on LTZ; available on LT.

USB Port? Connects your MP3 player or a music-loaded flash drive to the audio system. Standard on 2LT and LTZ.

Chevrolet Wi-Fi. With Autonet Mobile,⁴ passengers can connect to the Internet in and around Traverse – up to 50 feet.

Blind Spot Mirrors. Enhance visibility along the sides of the vehicle. Standard on LT and LTZ.

XM NavTraffic[®] with three trial months (available on select models) enhances the navigation system to show live traffic updates. ¹ Requires a subscription sold separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit gm.xmradio.com for details. ² Go to gm.com/bluetooth to find out which phones are compatible with the vehicle. ³ Not compatible with all devices. ⁴ Monthly rates apply. Visit autonetmobile.com for details and coverage map. ⁵ Requires a subscription sold separately by XM after trial period. Available only in select markets. For more information, see xmradio.com/navtraffic. ⁶ Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions.

Protected and Connected with OnStar.

Experience the safe, simple way to stay connected on the road. OnStar® is now standard on most models with the Directions & Connections® Plan for the first six months.

Automatic Crash Response.

Built-in sensors can automatically alert OnStar for help. Even if you can't respond, an Advisor can request that emergency help be sent to your exact GPS location.

Emergency Services.

One push of the red emergency button gives you a priority connection to an OnStar Advisor who can contact emergency services and direct them to your exact location.

Security Services.

Stolen Vehicle Assistance, Remote Door Unlock and Remote Horn and Lights are among these services.

Turn-by-Turn Navigation.

When you're not exactly sure how to get there, simply push the blue OnStar button and get voice-guided directions downloaded to your vehicle.

OnStar Savings.

We can help lower the cost of vehicle ownership with insurance discounts and other ways to save. To learn more, go to onstar.com/savings.

Vehicle Diagnostics.

Receive monthly emails on the operating status of your key vehicle systems.

Hands-Free Calling.

Make and receive voice-activated calls while keeping your eyes on the road and your hands on the wheel.

DVD Entertainment System.

Rear passengers will enjoy the auxiliary audio/video jacks and two sets of wireless headphones. Available on LT and LTZ.

Rearview Camera Display.

See stationary objects behind you more easily. The display is intuitively positioned in the rearview mirror (or nav screen, if equipped). Standard on 2LT and LTZ; available on 1LT.

Best Coverage in America

100,000 Mile/5-Year¹ Transferable Powertrain Limited Warranty. That's 40,000 more miles than Toyota or Honda offers. Add in our Roadside Assistance and Courtesy Transportation Programs, and you have the best coverage in America.

24-Hour Roadside Assistance. Chevrolet offers a 24-Hour Roadside Assistance Program for a period of 100,000 miles or 5 years, whichever comes first.

Courtesy Transportation. Provides alternate transportation and/or reimbursement of certain transportation expenses and warranty repairs for a period of 100,000 miles or 5 years.¹

- Heated and cooled front seats
- Eight-way power driver seat with memory function, and four-way power passenger seats with power recline, lumbar control and driver seat memory
- Remote vehicle starter system
- Universal Home Remote transmitter
- Bluetooth[®] wireless technology⁵ for select phones

Dimensions

A = 67.8" D = 205"
 B = 78.4" E = 70.4" without
 C = 118.9" luggage rack
 F = 67.4"

¹ Cargo and load capacity limited by weight and distribution. ² Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. ³ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ⁴ Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. ⁵ Go to gm.com/bluetooth to find out which phones are compatible with the vehicle. ⁶ Requires available Personal Connectivity Package. ⁷ Requires available rear-seat DVD entertainment system. ⁸ Requires available rearview camera system integrated into rearview mirror. ⁹ Map coverage excludes Puerto Rico, the Virgin Islands and portions of Canada. ¹⁰ Requires available leather-appointed seats. ¹¹ RDS functions only where stations broadcast RDS information. ¹² Not compatible with all devices. ¹³ Includes DVD capability and Bose 5.1 Surround Sound System when rear-seat entertainment system is ordered. ¹⁴ Requires a subscription sold separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit gm.xmradio.com for details. ¹⁵ Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details. ¹⁶ Some accessories may not be available on all models. See dealer for details.

Important information.

100,000 MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2011 Chevy passenger car, light-duty truck, SUV and crossover comes with a 100,000 mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5-years (whichever comes first) of the 24/7 Roadside Assistance Program and the Courtesy Transportation Program and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the U.S.A. are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first). See dealer for details.

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Statement, and details and system limitations.

A NOTE ABOUT CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid Utility Crossover segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS. Some standard content may be deleted with fleet orders. See dealer for details.

At Chevrolet, giving you a completely satisfying ownership experience is our top priority. That's why if you ever need assistance, feel free to contact us at these web sites or phone numbers.

CHEVY.COM. Offers shopping tools such as Build and Price, Find a Vehicle, Request Info, Email Sign-Up, Compare Vehicles, Financial Tools...and much more.

24-HOUR ROADSIDE ASSISTANCE PROGRAM (1-800-CHEV-USA). The Chevrolet Roadside Assistance Program provides you with the following services for 100,000 miles or 5 years (whichever comes first): Emergency Towing (to closest Chevy dealer from a legal roadway), Lockout Service (keys locked inside vehicle), Flat Tire Changes (spare installed), Fuel Delivery (\$5 worth of fuel delivered on the road) and Jump Starts (at home or on the road). For specific terms and conditions, please contact your Chevrolet Roadside Assistance advisor at 1-800-243-8872. Some services may incur costs.

COURTESY TRANSPORTATION PROGRAM. Ask your Chevrolet dealer for Courtesy Transportation if you leave your vehicle for extended repairs under the New Vehicle Limited Warranty or Powertrain Limited Warranty. Ask if you qualify for expense reimbursement and/or vehicle rental. Services vary by dealer.
