MALIBU ECO

commands attention wherever it appears.

With 37 MPG on the highway,¹

premium appointments and

a confident stance, this all-new sport sedan

**TAKES MIDSIZE
TO THE NEXT LEVEL.**

Ready for A ROAD TRIP? **MALIBU ECO GOES** *up to* *580 highway miles¹ on one tank.*

In your search for more MPG, don't compromise. Malibu Eco with eAssist technology offers an estimated 37 MPG¹ and a 580-mile driving range on the highway. Plus the agile performance, the protective safety features and the striking style of a premium sedan.

At the heart of this rewarding driving experience: a 2.4L 4-cylinder engine with performance-enhancing direct injection and that ingenious **eASSIST TECHNOLOGY**.

Here's how eAssist works. Using power stored in the state-of-the-art 115V lithium-ion battery, along with a 15kW electric motor generator, eAssist delivers a seamless electrical boost in various driving scenarios. In conjunction with the direct-injected, 2.4L 4-cylinder engine and **6-SPEED AUTOMATIC TRANSMISSION**, eAssist provides fuel cutoff at idle and uses the car's momentum to recharge the battery. The battery powers amenities such as climate control and infotainment systems while the engine is off, so you don't use fuel when you don't need it.

In Malibu Eco, you will find excellence all around you, with the added bonus of an estimated **25 MPG CITY/37 HIGHWAY**¹. That's the beauty of intelligent engineering.

eASSIST AT A GLANCE

- 2.4L 4-cylinder engine with 182 horsepower and 172 lb.-ft. of torque
- Auto-Engine Shutoff feature when vehicle stops or decelerates to save fuel
- 115V lithium-ion battery to power climate control and electronics during engine shutoff
- Electric power assist at launch, under heavy acceleration and climbing grades
- 15kW electric motor generator
- Regenerative braking to charge battery
- Immediate and seamless engine start-up from stop

A SINGULAR SHAPE A SECURE SPACE

Malibu Eco will move you and your precious cargo with solid confidence. The assertive style is influenced by Camaro and Corvette, the exacting fit-and-finish sets a premium tone, and intelligent safety technology surrounds you.

The **COMPREHENSIVE SAFETY PACKAGE** includes **EIGHT STANDARD AIR BAGS**,¹ and ultra-high-strength steel is used throughout for a structure designed to be strong and rigid. In the event of a collision, this high-strength steel with integral crush zones helps channel energy away from the passenger compartment.

For added security, OnStar with **AUTOMATIC CRASH RESPONSE**² is standard for six months.

Enhanced safety, discerning style plus the efficiency of up to 37 MPG on the highway³—consider it a welcome challenge to conventional thinking.

¹ Always use safety belts and proper child restraints. Children are safer when properly secured in a rear seat. See the Owner's Manual for more information. ² Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. ³ EPA estimated.

If you value the solid, connected-to-the-road feel of a premium sedan, prepare to be impressed by Malibu Eco. The **ALL-NEW INDEPENDENT SUSPENSION** has been tuned and tested on freeways, rural roads and test tracks around the world. An **ELECTRIC RACK-AND-PINION, VARIABLE-EFFORT STEERING** system delivers crisp, responsive handling plus a tight turning circle that makes city driving a breeze.

To add to this refined driving experience, Malibu Eco is designed with **ACOUSTIC LAMINATED GLASS**, liquid-applied sound deadeners, **TRIPLE DOOR SEALS** and noise-reducing tires, mirrors, exhaust and induction system. Details such as **AERO GRILLE SHUTTERS**, a raised rear deck and flush underbody panels smooth airflow around the car.

STREET SMART

Intuitive technology **WITH UPSCALE APPOINTMENTS** *is a beautiful thing.*

Malibu Eco is designed to make driving more entertaining and safer with the latest in mobile technology and infotainment. **CHEVROLET MYLINK**¹ aggregates content from your compatible smartphone onto the new seven-inch diagonal **COLOR TOUCH-SCREEN**. On Malibu Eco, voice commands or touch-screen controls allow instant access to music from **SIRIUSXM SATELLITE RADIO**² (with three months standard) or content from online sources

like Pandora® or Stitcher SmartRadio™³ while keeping your hands on the wheel and your eyes on the road. You'll also enjoy seamless integration with Gracenote® on Malibu Eco, which organizes your music library by [chevy.com/malibu-eco FOR MORE INFORMATION] populating song information and album art. Also standard for six months: **ONSTAR WITH DIRECTIONS & CONNECTIONS**.⁴

1. REAR VISION CAMERA This available rear vision camera, integrated into the Chevrolet MyLink Touch Radio with seven-inch diagonal color touch-screen, helps you see stationary objects behind your Malibu Eco when traveling in reverse at low speeds.

2. BEHIND-SCREEN STORAGE AREA Convenient storage bins, including this behind-screen area, are all around you.

3. USB PORT⁵ Plug your iPhone,[®] iPod^{®6} MP3 player or a flash drive loaded with music into the standard USB port and enjoy your favorite songs.

4. ECO GAUGE The Eco gauge continuously responds to driving behavior, encouraging fuel efficiency. Staying in the green helps maximize your MPG.⁷

5. DRIVER INFORMATION CENTER The full-color display offers trip/fuel information, average speed and directions via OnStar⁴ Turn-by-Turn Navigation, standard for six months. It even displays a powerflow diagram that shows the status of your eAssist system, giving you instant feedback.

1 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark and Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. 2 Requires a subscription sold separately by SiriusXM after three-month trial. Available only in the 48 contiguous United States and Washington, D.C. Visit siriusxm.com for details. 3 Data plan rates apply. 4 Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. 5 Not compatible with all devices. 6 iPhone and iPod are registered trademarks of Apple Inc., registered in the U.S. and other countries. 7 EPA estimated 25 MPG city/37 highway.

IMPORTANT INFORMATION

100,000-MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2013 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 100,000-mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the U.S.A. are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first) and an 100,000-mile/8-year (whichever comes first) limited warranty on certain eAssist components. See dealer for details.

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Sedan segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS. Some standard content may be deleted on fleet orders. See dealer for details.

OWNER SERVICES. Chevrolet is committed to enhancing the ownership experience through a wide array of programs. For more information about 24-hour roadside assistance, courtesy transportation, customer assistance, Chevrolet safety, GM mobility, the Chevrolet Owner Center, marketing and incentives, plus services for GM cardmembers, visit chevy.com.

SPARE TIRE INFORMATION. There is no standard jack or spare tire in the 2013 Chevrolet Malibu Eco. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.
