

GMC

YUKON

2015

WE ARE PROFESSIONAL GRADE

2015 GMC YUKON. Designing, engineering and crafting the all-new 2015 Yukon meant bringing together numerous innovations to create an SUV that soars above all others. The result is a Yukon driven by new, powerfully efficient EcoTec3 engines featuring the industry's latest achievements in both class-leading power¹ with the 6.2L V-8 and fuel efficiency² with the 5.3L V-8. Inside, a premium, oh-so-quiet interior welcomes you with authentic materials and ingenious entertainment and safety technologies. The result of this incredible thinking is a whole new Yukon.

¹Segment-leading horsepower (420) and torque (460 lb-ft) with the 6.2L V-8 in Yukon Denali. ²EPA-estimated mpg, 16 city/23 hwy (2WD), 16 city/22 hwy (4WD) with 5.3L V-8 engine. Fuel-economy estimates for 6.2L V-8 engine not yet available.

YUKON DENALI: MAKES A STATEMENT. ADDS AN EXCLAMATION POINT.

For 2015, the ultimate expression of Professional Grade arrives in the form of Yukon Denali. Signature Denali styling begins with its three-dimensional grille, projector-beam HID headlamps and chrome accents and continues with available 22" wheels and optional power-retractable assist steps with perimeter lighting.

DISTINCTIVE DENALI GRILLE.

**BRIGHT ACCENTS ON DOOR HANDLES,
ROOF RACK AND LIFTGATE.**

**PROJECTOR-BEAM HIGH-INTENSITY
DISCHARGE (HID) HEADLAMPS.**

**UNIQUE FRONT AND REAR LED
SIGNATURE LIGHTING.**

YUKON DENALI IN ONYX BLACK
shown with available equipment.

YUKON: A BOLD LEAP IN AERODYNAMICS.

The 2015 Yukon was purposefully designed for efficient aerodynamics. The goal was to make it appear smaller to the wind for reduced wind noise and improved efficiency. Bold, sculpted lines glide from the three-dimensional grille and over the inlaid doors for smooth, uninterrupted airflow.

NEW INLAID DOORS REDUCE WIND NOISE AND IMPROVE AERODYNAMICS.

LAMINATED WINDSHIELD AND FRONT DOOR GLASS ENHANCES QUIETNESS.

REDESIGNED LIFTGATE SPOILER REDUCES WIND DRAG FOR ENHANCED EFFICIENCY AND CLEVERLY HOUSES THE WIPER (HIDDEN WHEN NOT IN USE).

NEWLY SCULPTED OUTSIDE MIRRORS REDUCE RESISTANCE TO HELP IMPROVE AIRFLOW.

SHINING EXAMPLES OF REFINEMENT.

Yukon's bold lines and striking looks are complemented by design innovations such as available illuminated assist steps and a rear window wiper concealed under the spoiler. These options show that when limits are pushed, there's no compromise between convenience and style.

POWER-RETRACTABLE ASSIST STEPS WITH PERIMETER LIGHTING Yukon Denali models offer illuminated power-retractable assist steps that automatically extend when the front- or second-row doors are opened to provide easy, lighted access. They retract when the doors close for an uncluttered profile.

SIGNATURE LIGHTING Yukon introduces new projector-beam headlamps (HID on Denali). They create a distinctive appearance, with front and rear “C”-shaped LED signature lighting.

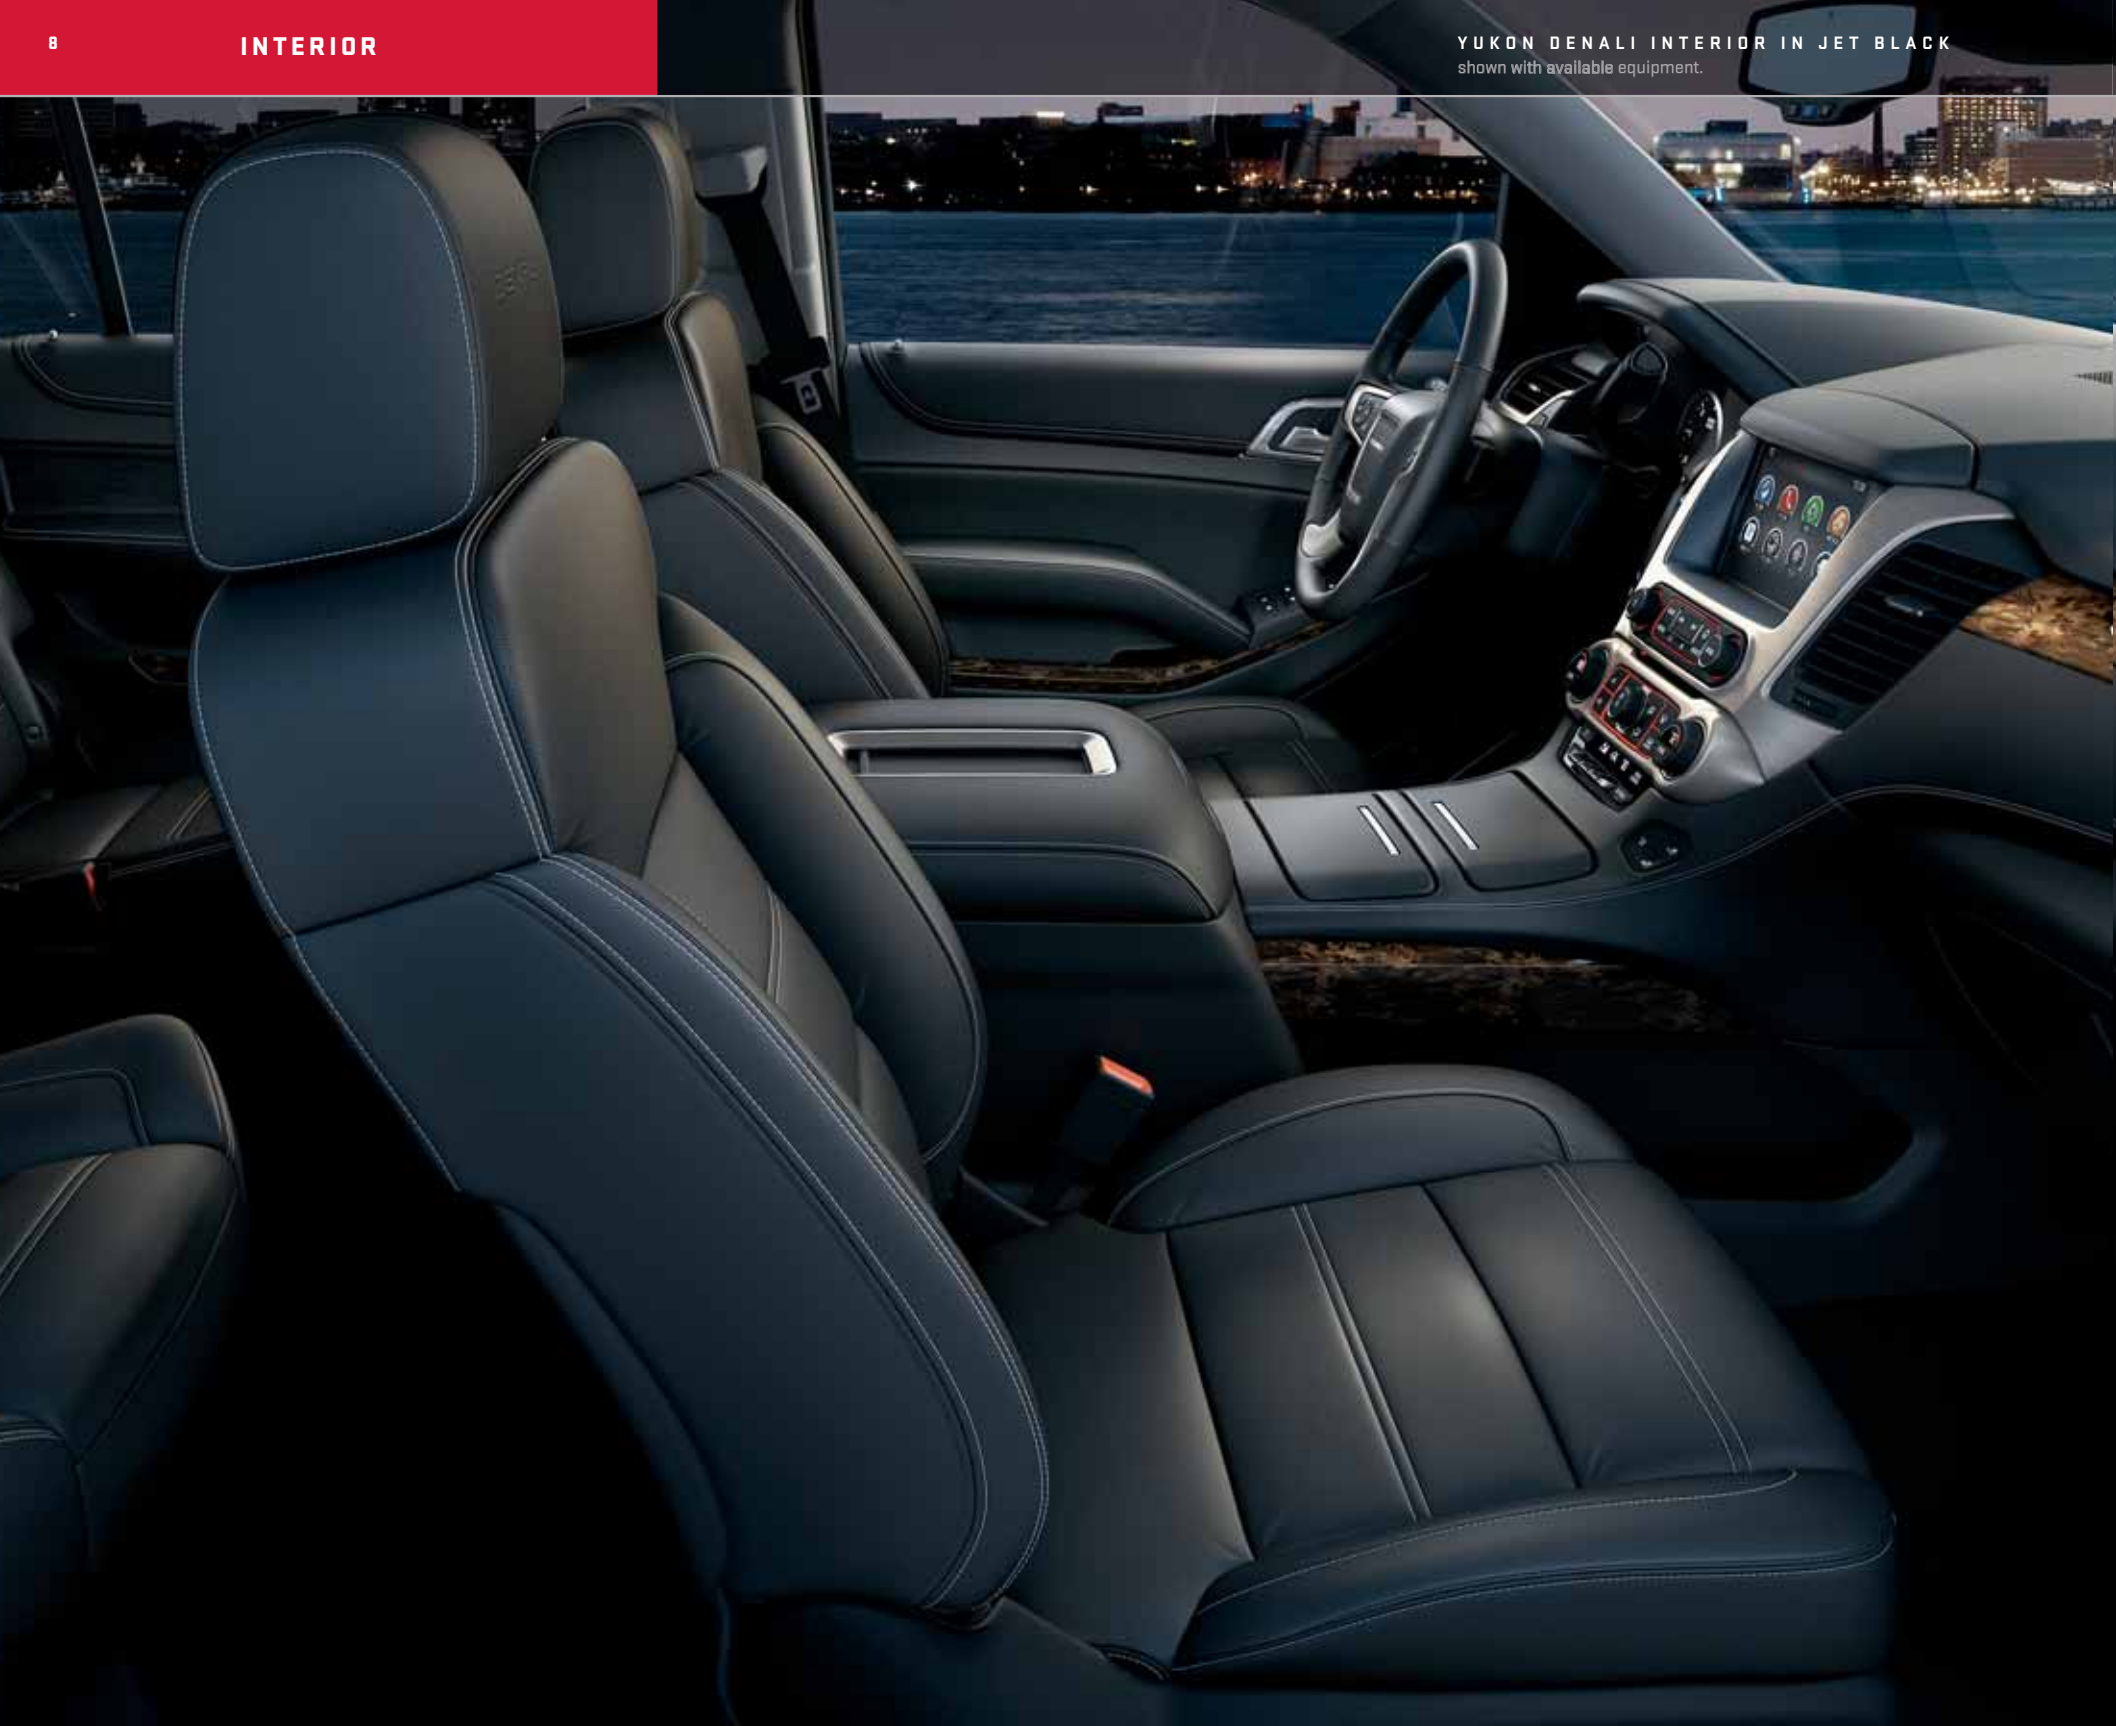

PASSIVE ENTRY With Yukon’s key fob in your pocket, its available passive entry system allows access to all four doors as well as the liftgate. Then, upon exit, this feature will automatically lock the vehicle several seconds after all doors are closed.

WHEEL STYLING Yukon’s new exterior design is fully complemented with an equally striking selection of available 18” 20” and, on Denali, 22” wheels in various finishes.

REAR SPOILER Located on top of the liftgate, the new spoiler houses a repositioned window wiper that is hidden when not in use for a clean, uncluttered appearance.

QUIETLY WHISPERS PREMIUM.

Both Yukon and Yukon Denali raise the standards for quietness. Acoustic laminated windshield and front door glass, triple door seals, a new engine compartment barrier and damping materials in floor sheet metal all help keep noises from entering the cabin. Yukon Denali adds Bose® Active Noise Cancellation to tune out additional disturbances. As a result, you'll enjoy the quietest Yukon ever—in fact, there's no quieter SUV in its class, with noise sealing improved by 33 percent. In Yukon Denali, premium surroundings abound thanks to authentic materials, Bose Centerpoint® surround sound system and new available four-color head-up display.

BURNISHED ALUMINUM TRIM.

JAVA BURL POPLAR WOOD GRAINS.

**CONTRASTING FRENCH SEAM
STITCHING.**

**PERFORATED FIRST- AND SECOND-ROW
LEATHER-APPOINTED SEATING.**

YUKON TAKES YOUR ENJOYMENT SERIOUSLY.

Yukon's all-new instrument panel and Driver Information Center put driver controls and entertainment options a fingertip or a voice command away. At the center of it all is the Color Touch Audio System with IntelliLink,¹ featuring an 8" diagonal display, to provide a personalized audio experience and seamless integration of personal devices. Yukon Denali adds a new Customizable Driver Display so you can choose not only what information you see, but how you see it. Denali also offers a new four-color Head-Up Display to help keep your eyes on the road. And to start it all, Yukon offers the convenient luxury of push-button start.

NATURAL-LANGUAGE VOICE-RECOGNITION TECHNOLOGY.

NAVIGATE THE TOUCH-SCREEN USING DRAG AND SWIPE GESTURES.

PERSONALIZED ENTERTAINMENT WITH PANDORA® INTERNET RADIO.²

BLUETOOTH®³ LINKS TO YOUR SMARTPHONE CONTACTS AND PLAYLISTS.

¹Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.
²Data plan rates apply. ³Go to gmttotalconnect.com to find out which devices are compatible with the vehicle.

PLENTY OF ROOM FOR CARRY-ONS.

GMC designers understand that you and your companions rarely travel without plenty of accessories. That's why you'll find generous storage compartments thoughtfully integrated throughout Yukon's cabin. An expanded center console offers room for laptops, tablets and whatever else you can't live without. There are handy upper and lower door pockets and cupholders so everyone has a place for smaller carry-ons and, of course, refreshments.

HOUSEHOLD-STYLE 110-VOLT THREE-PRONG OUTLET PROVIDES PASSENGERS WITH A CONVENIENT CHARGE.

ALL-NEW UNDER-FLOOR CARGO MANAGEMENT SYSTEM KEEPS THINGS ORGANIZED AND SECURE.

NEW CLEVERLY ARRANGED DOOR STORAGE INCLUDES A MID-DOOR SHELF, AN ADDITIONAL CUPHOLDER AND MAP POCKETS IN SECOND-ROW DOORS.

A STORAGE AREA IS CONVENIENTLY HIDDEN BEHIND THE CENTER-MOUNTED DISPLAY AND INCLUDES A USB¹ OUTLET.

¹Not compatible with all devices.

EASILY GOES FROM PEOPLE TO CARGO IN UNDER 5 SECONDS. FLAT.

With the touch of a button, Yukon's new available second- and third-row power fold-flat seats turn generous passenger room into an equally generous cargo area. It's a luxury no other competitor offers. For even more flexibility, second-row seats offer an easy-to-use, power-release fold and tumble feature. To provide second-row passengers with easier access, we've also increased the size of the second-row doors.

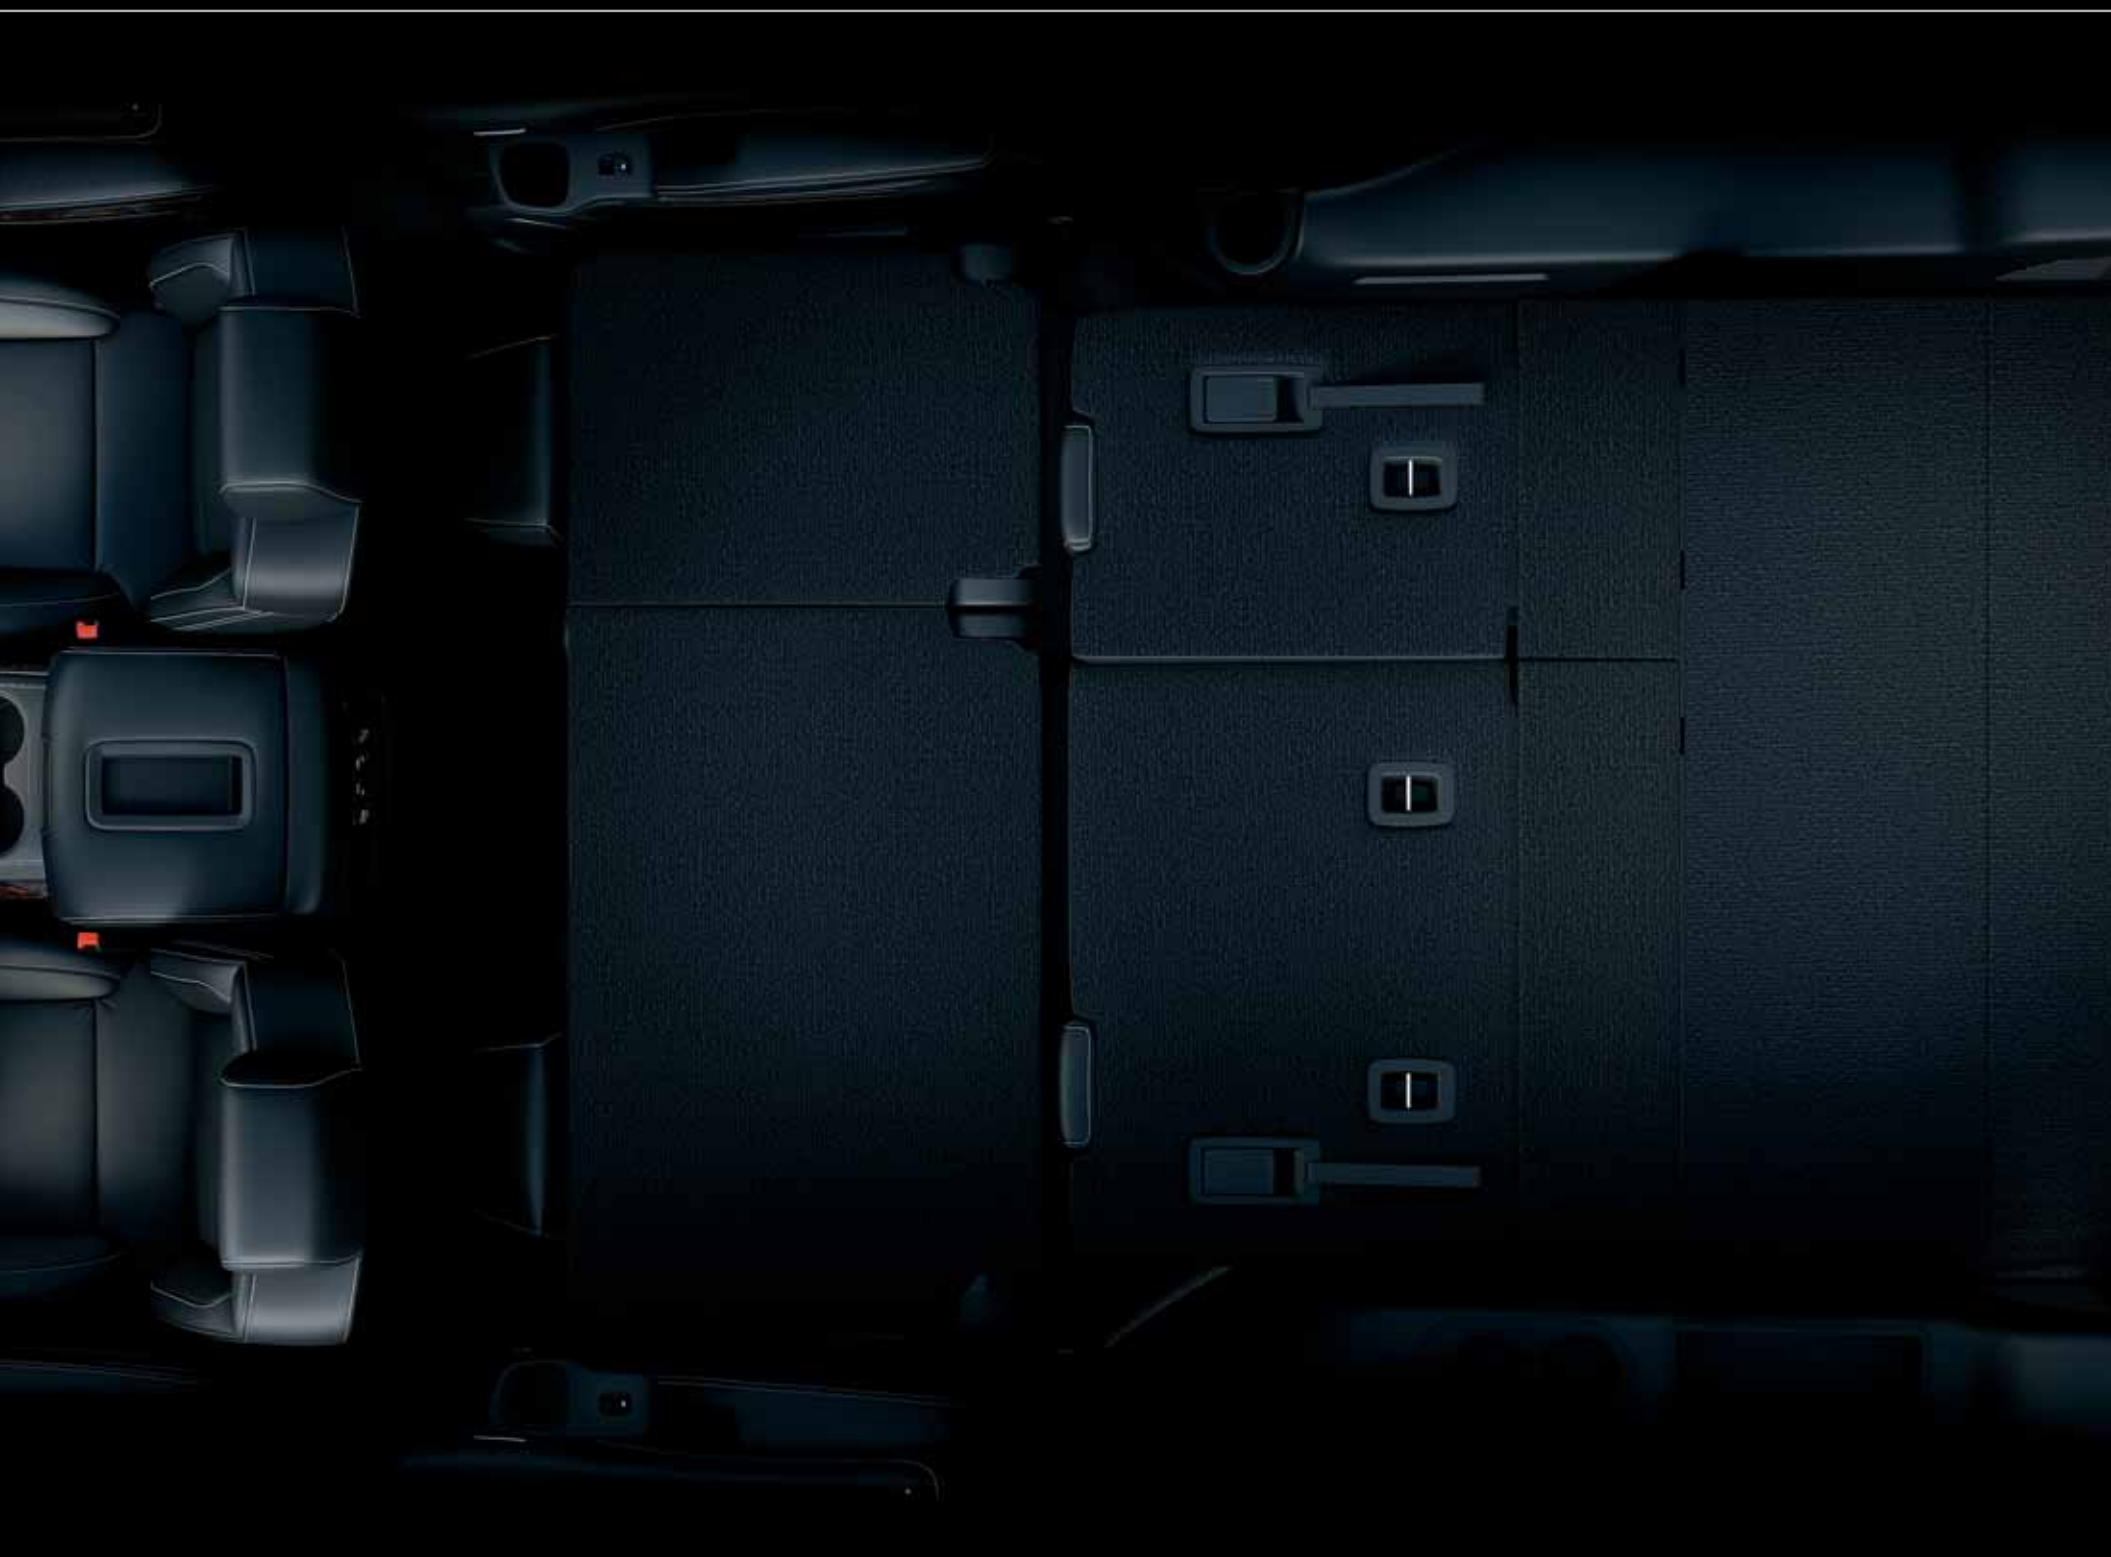

SEAT UP TO EIGHT WITH AVAILABLE POWER FOLD-FLAT REAR SEATS OR UP TO NINE IN SLE WITH FIRST-ROW BENCH SEAT.

LOWER THE SECOND AND THIRD ROWS FOR A FLAT CARGO AREA.

THE NEW HEIGHT-ADJUSTABLE POWER LIFTGATE IS AVAILABLE FOR EFFORTLESS ACCESS TO THE CARGO AREA.

ADAPTS TO YOUR NEEDS WITH THE TOUCH OF A BUTTON.

ADVANCED ENOUGH TO STIMULATE YOUR SENSES. EVEN YOUR SENSE OF STYLE.

Attention to the details of every detail makes Yukon your ultimate traveling companion. It's loaded with features to not only surprise but delight you with their convenience, appearance and enjoyment.

PREMIUM SURROUNDINGS Yukon surrounds you with a soft-touch instrument panel, console and door panel materials, and comfortable, durable perforated leather-appointed seats with contrasting French seam stitching

CUSTOMIZABLE DRIVER DISPLAY Choose Yukon Denali, and a reconfigurable gauge cluster allows you to personalize the new 8" diagonal color Customizable Driver Display for optimized information placement. The display's menu can be navigated with steering-wheel-mounted controls. Driver alerts are also clearly displayed.

VOICE AND TOUCH-SCREEN NAVIGATION¹ In response to your voice or touch commands, Yukon's available Navigation System displays 2-D or 3-D map graphics on the 8" diagonal center-mounted screen. NavTraffic² (3 trial months of SiriusXM) incorporates real-time traffic and road conditions into the screen, directing you toward the most efficient route.

¹Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ²If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. XM satellite service is available only to those in the 48 contiguous USA and DC. ³Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. ⁴Data plan rates apply. ⁵Not compatible with all devices.

PERSONALIZED ENTERTAINMENT Yukon features the new GMC 8" diagonal Color Touch Sound System with IntelliLink³. Featuring a full-color screen, IntelliLink adds hands-free, voice-activated control of your communication and entertainment. Stream Pandora internet radio⁴ through your smartphone or sync your MP3 music library. My Media connects media libraries from multiple devices in Yukon. You can even store frequently used phone contacts for quick access.

FOUR-COLOR HEAD-UP DISPLAY (HUD) Inspired by fighter aircraft technology, this Denali-exclusive system projects important driving information at eye level. Without taking your eyes off the road, see speedometer and rpm, Forward Collision Alert, Lane Departure Warning, adaptive cruise control, transmission position and Turn-by-Turn Navigation information.

PUSH-BUTTON START With the key fob in your pocket, simply touch a button to bring Yukon to life with this available feature.

FRONT-AND-CENTER STORAGE A hidden storage compartment is ingeniously located behind the articulating radio screen in the center stack. It includes a USB⁵ outlet to charge your phone or media device in a handy out-of-the way location.

BOSE[®] AUDIO SYSTEM Yukon's Bose system is engineered to allow you to hear each and every note just as the musician intended. It features nine premium speakers and a center-mounted subwoofer for rich bass tones to create a fuller listening experience.

BOSE CENTERPOINT[®] SURROUND SOUND

For the sensation of a live performance, Denali models include a 10-speaker surround sound system with SurroundStage[®] signal processing. This technology, along with AudioPilot[®] noise compensation, delivers five independent channels from existing two-channel recordings.

BLU-RAY/DVD REAR-SEAT ENTERTAINMENT SYSTEM This available system includes a Blu-ray/DVD player and 9.2" diagonal flip-down display. Yukon XL and XL Denali models feature two screens, with one screen specifically for the third-row passengers. This system is compatible with most popular video gaming systems.

CONNECTIVITY Depending on the model you choose, you'll never be far from a convenient power supply: up to six USB ports,⁵ five 12-volt auxiliary power outlets and a new 110-volt outlet located in the second row keep first- and second-row passengers connected and powered up.

AMBIENT AIR VENTILATION In a segment first, front-row passengers enjoy enhanced comfort thanks to a strategically positioned ambient air vent. Inspired by the indirect heating and cooling of your home or office, you'll feel the temperature change without the harshness of having a fan blowing directly on you.

EFFICIENTLY POWERFUL. POWERFULLY EFFICIENT.

The all-new Yukon EcoTec3 engine family features GMC's latest technologies: Direct Injection (DI), Active Fuel Management (AFM) and continuously Variable Valve Timing (VVT) to deliver power, and in the 5.3L V-8, the best fuel efficiency¹ in a full-size SUV. It generates 355 hp, 383 lb-ft of torque and 23 mpg hwy.¹ For even more power and torque, Yukon Denali features a 6.2L V-8 with class-leading horsepower and torque.² Both engines translate all of that to the road through our proven electronically controlled Hydra-Matic 6-speed automatic transmission.

GAIN THE DRIVING SATISFACTION OF A MANUAL WITH THE EASE OF AN AUTOMATIC WITH DRIVER SHIFT CONTROL.

A VALVED EXHAUST SYSTEM CONTRIBUTES TO A SIGNIFICANTLY QUIETER ENVIRONMENT.

REDUCED VIBRATIONS AND A CALMING FEELING ARE THANKS TO HYDRAULIC ENGINE MOUNTS.

ELECTRONIC THROTTLE CONTROL DELIVERS INSTANTANEOUS ACCELERATION.

¹EPA-estimated mpg, 16 city/23 hwy (2WD), 16 city/22 hwy (4WD) with 5.3L V-8 engine. Fuel-economy estimates for 6.2L V-8 engine not yet available. ²Segment-leading horsepower (420) and torque (460 lb-ft) with the 6.2L V-8 in Yukon Denali.

BUILT TO HANDLE LIFE'S TWISTS AND TURNS AND UPS AND DOWNS.

From behind the wheel of Yukon you'll feel confident and in command, while your passengers will simply enjoy a comfortable ride. Yukon is fully equipped with new features for a smoother ride and improved handling to create the experience of driving a much smaller vehicle.

SMOOTH-RIDE SUSPENSION The system constantly senses and adjusts Yukon's rear suspension height to maintain a level position. It also contributes to Yukon's max trailering rating.

MAGNETIC RIDE CONTROL For smoothness and refinement that rival that of premium luxury sedans, Yukon Denali features the remarkable capability of next-generation Magnetic Ride Control. This system senses changes in the road surface up to 1000 times per second, instantly adjusting the shock absorbers for maximum comfort and control, without sacrificing agility.

CORROSION-RESISTANT DURALIFE BRAKE ROTORS

To reinvent the brake rotor, GMC engineers used Ferritic Nitro-Carburizing (FNC) technology, which can help double rotor life. FNC is a patented, GM-exclusive corrosion protection process designed to help prolong rotor life by hardening the rotor surface. It provides protection against rust to help prevent steering-wheel shudder when applying the brakes.

FOUR-WHEEL-DRIVE SYSTEM Yukon's available four-wheel-drive system allows you to switch between two-wheel drive for optimum fuel efficiency¹ and four-wheel drive for much-needed additional traction and control.

FOUR-WHEEL DISC BRAKES The new stopping system improves pedal feel for a stronger, more confident braking performance. In fact, it allows the 2015 Yukon to stop nearly 10 feet shorter than previous Yukon models.

FULLY BOXED FRAME Yukon's new frame is constructed with 75 percent high-strength steel for maximum people- and cargo-carrying capability.

WIDER IS BETTER For improved stability and more confident cornering, Yukon now features a wider rear track. And new wider wheels reduce tire flex for improved cornering, while new low-rolling-resistance tires aid in fuel efficiency.¹

ELECTRIC VARIABLE-ASSIST POWER STEERING

The new electric variable-assist power rack-and-pinion steering system improves fuel efficiency¹ versus engine-powered systems. It provides less assist at highway speeds for a solid on-center feel, and more assist for less steering effort when you're maneuvering in tight spaces.

SHEAR-STYLE BODY MOUNTS Connecting the body to the frame are new high lateral-rate and redesigned hydraulic body mounts. You'll enjoy improved comfort and a smoother, quieter ride. The new shear-style mounts dampen side-to-side vibrations, while the new hydraulic mounts dampen vertical vibrations.

¹EPA-estimated mpg, 16 city/23 hwy (2WD), 16 city/22 hwy (4WD) with 5.3L V-8 engine. Fuel-economy estimates for 6.2L V-8 engine not yet available.

ENGINEERED FOR THE LONG HAUL.

Everything about Yukon is designed and engineered for ease of travel, including pulling your recreational equipment. For 2015, Yukon offers a maximum trailer weight rating of up to 8500 lbs.¹

AUTOMATIC LOCKING DIFFERENTIAL Without pushing buttons, this feature directs power to the rear wheel with the most traction on loose gravel or slippery surfaces.

AUTO GRADE BRAKING This feature automatically senses when you want to slow your Yukon and engages a Grade Braking shift pattern within the transmission to help maintain your desired speed.

¹Requires 5.3L V-8 and Heavy-Duty Trailering Package. Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow.

STABILITRAK Yukon's electronic stability control system helps improve stability by reducing traction loss. Sensing when Yukon isn't responding to steering inputs, it adjusts engine speed and applies brake pressure to any wheel to help maintain directional control. To mitigate rollovers, it anticipates a vehicle "tip up" situation, rapidly braking to help reduce lateral forces and the likelihood of a rollover.

HILL START ASSIST Sensors automatically detect when Yukon is on a 5 percent grade or more. It holds the brakes momentarily or until the accelerator is pressed, preventing rollback. It's most effective when trailering, providing time to switch from the brake to the accelerator without rolling.

TOW/HAUL MODE Providing more power to accelerate when trailering or hauling heavy loads, Tow/Haul mode raises transmission upshift points. It also helps reduce speed by using engine compression to slow Yukon instead of merely braking.

TRAILER SWAY CONTROL Keep both you and your trailer heading in the same direction, automatically. The system uses StabiliTrak sensors to detect a swaying trailer, applying both Yukon's and the trailer's brakes (if properly equipped) to help bring it back in line.

TRAILER BRAKE CONTROLLER For fingertip control and easy monitoring of your trailer brakes, there's an available integrated trailer brake controller. Now conveniently located to the left of the steering wheel, it displays the level of brake force or "gain" in the Driver Information Center.

IN YUKON, SAFETY IS FRONT AND CENTER.

It all starts with the industry-first and GM-exclusive Front Center Air Bag¹ designed to protect you and your front-seat passenger. From there, Yukon includes a comprehensive array of driver alert technologies, engineered using the concept that the best way to handle a collision is to avoid it. Yukon offers the Driver Alert Package that includes Forward Collision Alert, Lane Departure Warning and the Safety Alert Driver Seat.

FRONT CENTER AIR BAG¹ The Front Center Air Bag is designed to help protect drivers and front-seat passengers in side-impact crashes where the affected occupant is on the opposite, non-struck side of the vehicle.

FORWARD COLLISION ALERT The available Forward Collision Alert warns you when you're rapidly approaching another vehicle and it appears a collision is imminent.

¹A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate Infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your Owner's Manual and child safety seat instructions for more safety information.
²Before making a lane change, always check the Side Blind Zone Alert display, check the side and inside rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

LANE DEPARTURE WARNING The available Lane Departure Warning alerts you if you wander from your lane without using your turn signal.

SAFETY ALERT DRIVER SEAT Forward Collision Alert, Lane Departure Warning and Front and Rear Park Assist provide visual alerts and allow you to choose from additional audible signals or the new available Safety Alert Driver Seat, which uses directional vibrations to help warn you of a potential collision.

SIDE BLIND ZONE ALERT The available radar-equipped sensors monitor Yukon's blind spots, alerting the driver via visual warnings to help reduce the risk of collisions.²

LANE CHANGE ALERT Working with Side Blind Zone Alert, this available system uses long-range (up to 230 feet) radar to help detect and warn you of fast-approaching traffic in the next lane.

REAR CROSS TRAFFIC ALERT Monitoring your surroundings and working with the Rear Vision Camera System, it sends audio and visual warnings, alerting you to cross traffic while backing up in a parking lot or driveway.

ADAPTIVE CRUISE CONTROL This available technology detects a vehicle ahead and automatically adjusts Yukon's speed to maintain a steady driving distance. It also includes Crash Imminent Braking that automatically slows Yukon down to help prevent an impact.

ENHANCED SECURITY PACKAGE To help ensure that it remains in your possession, the 2015 Yukon surrounds itself with this available package that includes glass breakage sensors, vertical movement sensors, interior motion detectors, door lock shields and numerous other theft-deterrent technologies to keep potential thieves at bay.

GMC PRO GRADE PROTECTION. PROFESSIONAL GRADE COVERAGE.

Pro Grade Protection is standard on every 2015 Yukon. From scheduled maintenance to protecting your entire vehicle, you can drive with confidence.

2-YEAR/24,000-MILE RECOMMENDED SCHEDULED MAINTENANCE¹

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY²

5-YEAR/100,000-MILE POWERTRAIN LIMITED WARRANTY²

THERE WHEN YOU NEED US.

Standard for 6 months, the OnStar Directions & Connections Plan³ lets you speak to a live OnStar Advisor just by pressing the blue OnStar button in your vehicle.

AUTOMATIC CRASH RESPONSE⁴ In many crashes, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't respond.

CRISIS ASSIST During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

EMERGENCY SERVICES One push of the red emergency button gives you a priority connection to an Advisor who can direct emergency service providers to your exact location.

ROADSIDE ASSISTANCE⁵ If you need an emergency tow, lockout service or help with a flat tire, just push the blue OnStar button and an Advisor can direct help to your exact location—it's all a part of your OnStar subscription.

SECURITY FEATURES⁶ Remote Door Unlock, Remote Horn and Lights and Stolen Vehicle Assistance provide help when you need it.

HANDS-FREE CALLING⁷ WITH VOICE COMMAND Available OnStar Hands-Free Calling is a built-in service in case your cell phone is unavailable, out of range or has a low battery. Just push a button and say the number to make a call.

TURN-BY-TURN NAVIGATION Push your blue OnStar button and tell the Advisor where you want to go, and directions will be downloaded to your Yukon.

ONSTAR eNAV WITH MAPQUEST.COMTM Get a head start on a trip by checking out your destination on mapquest.com and then clicking the "Send" link. Directions will be sent to your Yukon.

DESTINATION DOWNLOAD With the optional Navigation System, an Advisor can download directions to your Yukon's navigation screen.

ONSTAR REMOTELINK⁸ KEY FOB SERVICES⁹ OnStar RemoteLink Key Fob Services are included for 5 years on OnStar-equipped 2014 and newer vehicles. Download the app and use RemoteLink services during the 6-month trial period and any consecutive periods with an OnStar plan. Includes remote door unlock and lock, remote start and stop and remote horn and lights.

¹Covers only scheduled oil changes with filter, four-wheel or single-rear-wheel tire rotations and 27-point inspections, according to your new vehicle's recommended maintenance schedule, for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. ²Whichever comes first. See dealer for limited warranty details. ³Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. Services vary by model and conditions. ⁴Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁵Roadside service provided by Allstate Roadside Services. ⁶Services vary by model and conditions. ⁷OnStar Hands-Free Calling requires existing OnStar service contract and prepaid minutes. Not available in certain markets. Calls can be made in U.S. and Canada only. Visit onstar.com for coverage map, details and system limitations. ⁸Available on select Apple,[®] Android,[™] BlackBerry[®] and Windows[®] devices. Services vary by device, vehicle and conditions. Requires an active OnStar subscription, standard for 6 months. ⁹Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. To cancel RemoteLink Key Fob Services, or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details.

FINE-TUNING.

GMC Accessories are engineered and tested to meet the standards of your Yukon. Available individually or as part of a package, they are the best way to customize your Yukon while still keeping it Professional Grade. Personalizing your Yukon is easy; just ask your dealer.

1 CHROME ASSIST STEPS Make it easier to get in and out of your Yukon with these stylish assist steps. Crafted from rust-resistant stainless steel, they come as 6" oval chrome steps.

2 TRAILER HITCH CLOSEOUT This custom-molded cover hides the trailer hitch receiver when not in use. Available in select body colors. Not available for Yukon Denali or Yukon XL Denali.

3 CHROME GRILLE Specifically designed and engineered for your vehicle, this stylish grille has a chrome surround and features the GMC logo.

4 CHROME MIRROR COVERS Help your Yukon make even more of a fashion statement with these chrome outside rearview mirror covers. Set of two.

5 ROOF RACK CROSS RAIL PACKAGE These cross rails add function and style to the factory roof rack of your Yukon. The cross rails are the base mount for cargo management accessories.

6 CHROME DOOR HANDLES Add personality to the exterior of your Yukon with these stylish chrome door handles. Like the full array of chrome accessories, they help your Yukon stand apart from everything else on the road.

7 CHROME RECOVERY HOOKS Add functionality and enhance the appearance of your Yukon. These front hooks are for vehicle recovery only. To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your GMC Owner's Manual.

THE BEST AND THE BRIGHTEST.

PRO GRADE PROTECTION

For 2015, Yukon comes with the Pro Grade Protection Plan, which includes 2-year/24,000-mile recommended scheduled maintenance,¹ 3-year/36,000-mile bumper-to-bumper limited warranty² and 5-year/100,000-mile powertrain limited warranty,² Roadside Assistance and Courtesy Transportation.

Starting with the owner orientation—and full tank of gas—you receive when you take possession of your Yukon on the **24-Hour Roadside Assistance, Courtesy Transportation and Travel Benefits**, you receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-8782.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 years or 100,000 miles (whichever comes first).

COURTESY TRANSPORTATION Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

GMC OWNER CENTER A complimentary, one-stop resource to enhance your GMC ownership experience. It's easy to sign up. Just go to gm.com/gmownercenter/gmc.

ONSTAR

OnStar is a core asset of your Yukon. Benefiting from more than a decade of innovative development, it is both a highly advanced technology—fully integrated within the vehicle—and a warm human service. Standard on all Yukon models are 6 months of the OnStar Directions & Connections Plan, including the convenience of available Hands-Free Calling.³ It also includes Automatic Crash Response, Stolen Vehicle Assistance, link to Emergency Services, Roadside Assistance, Remote Door Unlock, OnStar Vehicle Diagnostics, Crisis Assist and Remote Horn and Lights. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage maps, details and system limitations. Services vary with conditions.

SIRIUSXM SATELLITE RADIO

SiriusXM Satellite Radio⁴ is standard on all Yukon models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE

Certified Service

To help your Yukon live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there.

With all the engineering excellence in Yukon, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to

vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and GM Large Utility segment.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Yukon on our Web site: gmc.com/yukon. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

NEW-VEHICLE LIMITED WARRANTY All GMC light-duty vehicles come with a fully transferable, non-deductible 5-year/100,000-mile (whichever comes first) Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 36,000 miles (whichever comes first). Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years or 100,000 miles (whichever comes first). Yukon also comes with a 2-year/24,000-mile (whichever comes first) recommended maintenance schedule plan.⁵ See dealer for details.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

GMCARDMEMBERSERVICES.COM Did you know about the family of reward credit cards that can help you get a great deal on a new GM car, light-duty truck, SUV or crossover? With a GM reward card, you accrue earnings on every credit card purchase to use toward the purchase or lease of an eligible new GM vehicle. With three cards to choose from, you're sure to find one that suits you.
