

SONIC 2016

CHEVROLET

Sonic RS Hatchback in Red Hot.
Sonic RS Sedan in Silver Ice Metallic.

FUN COMES STANDARD.

The 2016 Sonic is bold, sporty and a blast to drive. With an available turbocharged engine that offers an EPA-estimated 40 MPG on the highway,¹ this is a small car with a big attitude. An available 4G LTE Wi-Fi^{®2} hotspot can keep you connected while you're out on the town. Sonic is also the first and only car in its class³ to offer 10 standard air bags.⁴ So the only thing you need to think about is where to go next.

FIND NEW ROADS™

¹ Based on EPA estimate for LT with available 1.4L turbocharged engine and 6-speed manual transmission. ² Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. ³ Based on GM Small Car segment. ⁴ A NOTE ON CHILD SAFETY: Always use safety belts and the correct restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

EXTERIOR DESIGN

“... one of the best subcompacts in its class. Check it out.”

Sonic RS Sedan in Silver Ice Metallic
with available features and dealer-
installed Chevrolet Accessories.

INTERIOR DESIGN

Sonic RS interior in Jet Black with available features.

AMPED UP FROM THE INSIDE OUT.

- 1. With a split-folding rear seat, Sonic Hatchback offers up to 47.7 cubic feet of storage space!*
- 2. Sonic RS features racing-inspired aluminum sport pedals for accelerated style.*
- 3. Sonic RS interior in Jet Black shown with red stitching and embossed RS logos.*

1 Cargo and load capacity limited by weight and distribution.

TECHNOLOGY

Connected by  4G LTE

Sonic LTZ Hatchback in Mosaic Black Metallic with available features and dealer-installed Chevrolet Accessories.

AVAILABLE INTERNET IN YOUR SONIC.

Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet!

THE ULTIMATE BUILT-IN WI-FI HOTSPOT.

After initial setup, whenever your Sonic is on, available 4G LTE Wi-Fi is automatically on too. It offers great signal quality and bandwidth for up to seven devices!

FAST, EASY, RELIABLE. OnStar with 4G LTE provides a better in-vehicle experience than you'll get with your smartphone. Our stronger signal means you have a reliable connection!

¹ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.

TECHNOLOGY BROUGHT TO YOU AT THE SPEED OF LIFE.

CHEVROLET MYLINK. The available Chevrolet MyLink¹ Radio features a 7-inch diagonal full-color display that lets you stay in tune with your Sonic. Connect your compatible smartphone via Bluetooth[®] wireless technology² and listen to music, get directions or make phone calls, all with a single touch.

SIRI EYES FREE. If you have a compatible iPhone,[®] you can use Siri Eyes Free³ to compose and read text messages, access your calendar, get game scores, check the weather and more.

ONSTAR REMOTELINK. Use the OnStar RemotLink[®] mobile app⁴ to start your Sonic with the available factory-installed remote vehicle starter system. It can even lock or unlock your doors and help you find your car by sounding the horn and flashing the lights.

PANDORA[®] INTERNET RADIO. Listen to your own personalized radio stations based on your favorite songs, artists, comedians or composers with the available Pandora mobile app⁵ on your compatible smartphone. You can even customize your stations by marking songs you like as you discover new music. With Chevrolet MyLink,² you can access the app right from the color touch-screen once your smartphone is paired with the system.

SIRIUSXM SATELLITE RADIO. Listen to music, sports, news, talk, comedy, weather and more on any of the more than 140 stations on SiriusXM Satellite Radio.⁶ Your Chevrolet Sonic is available with a 3-month trial, so you can discover everything satellite radio has to offer.

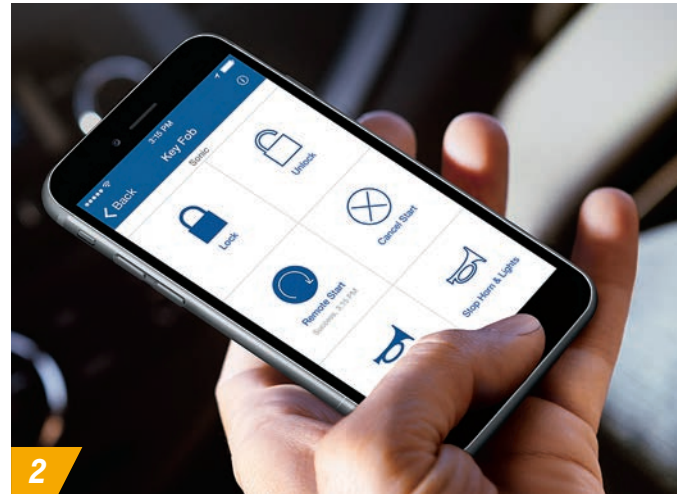

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote, phone projection and CD player. ² Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. ³ Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later. ⁴ Requires compatible mobile device and active OnStar subscription. Visit onstar.com for details and system limitations. ⁵ Data plan rates apply. ⁶ Standard on LT, LTZ and RS. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.

ALL THE TECHNOLOGY. ALL THE TIME.

1. The BringGo¹ smartphone app delivers easy-to-use, instant-access navigation.
2. Use the OnStar RemoteLink mobile app² to start or turn off the engine (requires available factory-installed remote vehicle starter system), and lock or unlock your doors from almost anywhere you have cell service.
3. The myChevrolet mobile app³ keeps you in tune with your vehicle information.
4. Bluetooth[®] wireless technology⁴ with steering wheel-mounted controls lets you make and receive calls without ever taking your hands off the wheel.

¹ Requires available Chevrolet MyLink. BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. See dealer or call 1-855-4-SUPPORT (1-855-4-787-7678) for more information. ² Requires compatible mobile device and active OnStar subscription. Visit onstar.com for details and system limitations. ³ Requires Apple iOS or Android platform. ⁴ Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle.

PERFORMANCE

40 MPG HIGHWAY. 138 HORSEPOWER. THE BEST OF BOTH WORLDS.

Sonic LT Hatchback in Silver Ice Metallic with available features.

40 MPG ON THE HIGHWAY! Sonic offers a combination of power and efficiency that keeps the fun going longer between fill-ups. The ECOTEC® 1.4L turbocharged engine, available on LT, offers up to an EPA-estimated 40 MPG highway!¹

LIFE MOVES FAST, SO KEEP UP. With 138 horsepower and 148 lb.-ft. of torque, the turbocharged Sonic takes you from 0 to 60 in less than 8 seconds². Which means you have the power to go quickly wherever you want to.

POWER AND CONTROL. The ECOTEC 1.8L 4-cylinder engine with 5-speed manual transmission is standard on Sonic LS and LT. And with an engine that delivers 138 horsepower and 125 lb.-ft. of torque, that's a very good thing.

¹ Based on EPA estimate for LT with available 1.4L turbocharged engine and 6-speed manual transmission. ² Achieved on a test track with 1.4L turbocharged engine and 6-speed manual transmission.

TURBOCHARGED POWER

138 HP

RS FINAL DRIVE RATIO

4.18 MANUAL (STANDARD)

3.53 AUTOMATIC (AVAILABLE)

VARIABLE VALVE TIMING

Provides near peak torque over a

WIDER RPM RANGE

CHARGED-UP TECHNOLOGY. For the ultimate driving experience, Sonic RS includes a standard 1.4L turbocharged engine with sporty final drive ratios (4.18 for manual and 3.53 for automatic). It also features a lowered and stiffened suspension with performance-tuned dampers to keep the good times rolling smoothly.

TAKE-CHARGE STYLE. Fierce performance meets fierce style in Sonic RS. Aggressive rocker panel extensions and custom foglamps make a formidable first impression. Slide into the leather-appointed bucket seats with sueded microfiber inserts and take the leather-wrapped steering wheel, and you're ready to take to the road.

IN-CHARGE HANDLING. Sonic RS delivers the performance of a sport sedan with a suspension that lowers the center of gravity for an improved stance and optimized handling. An available dealer-installed accessory suspension provides a lowered ride height that enhances the sporty feel.

SAFETY

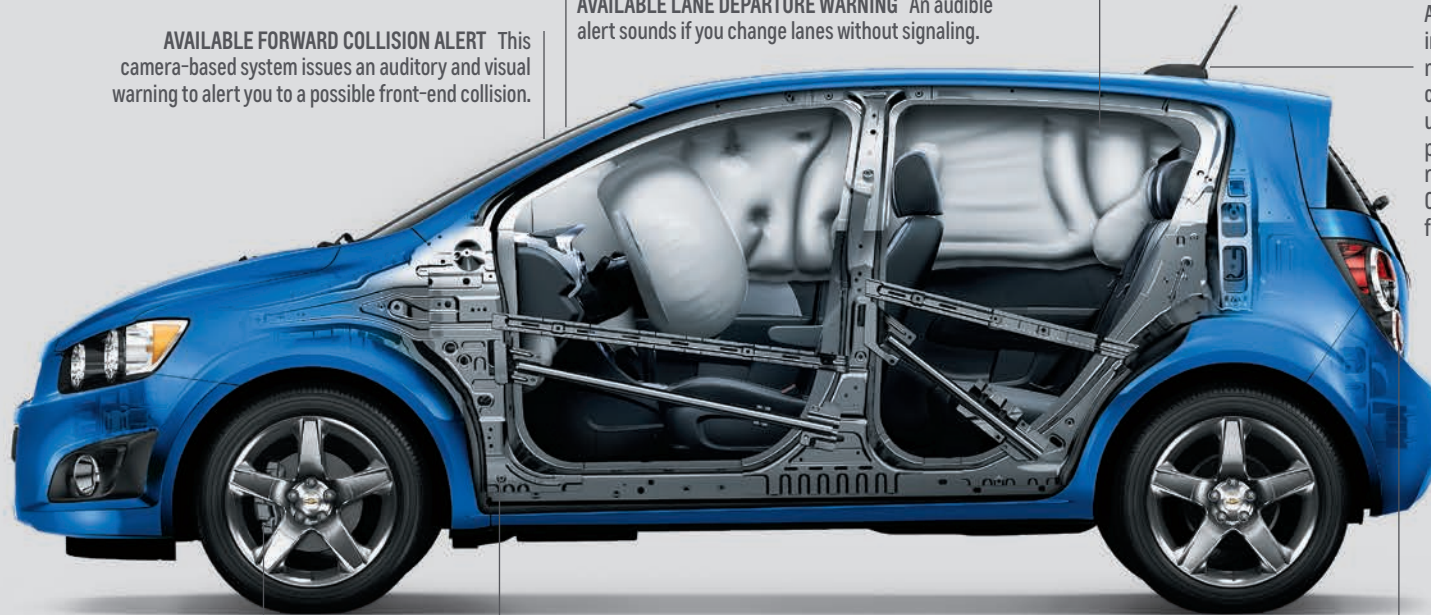

5 STARS. 10 AIR BAGS. ONE CONFIDENT RIDE.

AVAILABLE FORWARD COLLISION ALERT This camera-based system issues an auditory and visual warning to alert you to a possible front-end collision.

AVAILABLE LANE DEPARTURE WARNING An audible alert sounds if you change lanes without signaling.

10 AIR BAGS Sonic is the first and only car in its class¹ with 10 standard air bags²; including knee air bags for the driver and front passenger.

ONSTAR AUTOMATIC CRASH RESPONSE³ In a crash, built-in sensors can alert a specially trained OnStar Advisor who is connected into your Sonic to see if you need help – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar is standard for the first six months.

STABILITRAK ELECTRONIC STABILITY CONTROL SYSTEM When Sonic takes off, the StabiliTrak[®] Electronic Stability Control System with Traction Control kicks in. On most road surfaces, StabiliTrak helps you stay on course by detecting the difference between the path being steered and the direction the vehicle is traveling.

HIGH-STRENGTH STEEL CONSTRUCTION Front and rear “crush zones” are designed to compress in a controlled manner, helping absorb and channel energy away from the cabin.

AVAILABLE REAR VISION CAMERA When traveling in reverse at low speeds, the rear vision camera provides a real-time picture of the area immediately behind your Sonic to let you see if anything is in your way.

¹ Based on GM Small Car segment. ² Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained. A NOTE ON CHILD SAFETY: Always use safety belts and the correct restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ³ Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁴ Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov).

SETTING A HIGHER STANDARD. Sonic is engineered with safety technologies that are unsurpassed in its class. In fact, Chevrolet Sonic was the first small car¹ to receive a 5-Star Overall Vehicle Score for safety from the NHTSA⁴ and was named a 2015 Top Safety Pick by the Insurance Institute for Highway Safety.

DRIVER CONFIDENCE PACKAGE. Designed to help you avoid a collision, this available package includes Forward Collision Alert, which monitors how close your vehicle is to other vehicles in front of you and advises you if you get too close. The Lane Departure Warning will alert you if you change lanes without signaling.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Sonic Owner's Manual for more important safety information.

SPECIAL FEATURES

CUSTOMIZE YOUR SONIC. These are just a few of the impressive features available for your 2016 Sonic. For a complete list of features and accessories, check out chevrolet.com.

18" Midnight Silver-painted wheels, ground effects and matte-finish trim available on Sonic Dusk.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers

NEW VEHICLE LIMITED WARRANTY GM vehicles registered in the USA are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Small Car segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.
